**Handbook of Postcolonial Archaeology** Jane Lydon, Uzma Z Rizvi, 2016-07-01 This essential handbook explores the relationship between the postcolonial critique and the field of archaeology a discipline that developed historically in conjunction with European colonialism and imperialism In aiding the movement to decolonize the profession the contributors to this volume themselves from six continents and many representing indigenous and minority communities and disadvantaged countries suggest strategies to strip archaeological theory and practice of its colonial heritage and create a discipline sensitive to its inherent inequalities Summary articles review the emergence of the discipline of archaeology in conjunction with colonialism critique

the colonial legacy evident in continuing archaeological practice around the world identify current trends and chart future directions in postcolonial archaeological research Contributors provide a synthesis of research thought and practice on their topic The articles embrace multiple voices and case study approaches and have consciously aimed to recognize the utility of comparative work and interdisciplinary approaches to understanding the past This is a benchmark volume for the study of the contemporary politics practice and ethics of archaeology Sponsored by the World Archaeological Congress Dictionary
