The Arisen Flame:

The Arisen Flame De Visser, Elsa R. M,1980 **The Arisen Flame** Elsa De Visser,2011-08-02 In this impassioned work utilizing both poetry and prose Elsa de Visser recreates the faith of William Blake Samuel Taylor Coleridge and William Wordsworth for the modern believer and unbeliever alike As refreshing as Anne Morrow Lindbergh s *A Gift From the Sea* this spiritual odyssey could easily be subtitled *A gift from the earth and heavens* With overtones of Thomas de Quincy and Kahlil Gibran as well as the more religious and sagacious works of Allen Ginsburg Elsa de Visser s *The Arisen Flame* lights the path to true knowledge of God world and self Combining both Cartesian logic and Gnostic mysticism the author takes us from revelation to revelation from insight to insight putting life under the microscope of her fantastic vision and faith We find ourselves outside of our normal world looking within into an apocalyptic picture of the supreme mystery not through a glass darkly but through an ethereal space so bright that it blinds the inner as well as the usual eye This is not a voyage for the fainthearted or the easily deterred reader those in search of easy answers and painless paths to truth had best look elsewhere However those that choose to take to the hardy brilliant waves encountered on this trip will certainly be the better for it their spirits uplifted and their minds at peace with the sublime at oneness celebrated herein **Nepal** Axel Michaels,2024 Covers the history of Nepal from prehistoric times and the period of the Licchavi dynasty through more recent developments such as the rise of the republic the first elections challenged by the Maoist insurgency 1996 2006 and the royal massacre in 2001 Interlinked Elsa De Visser,2011-08-05 From the beginning a panaramic vista opens as we share of the romantic soul of a fifteen year old at the threshold The author gives us a glimpse of Europe just before and after the occupation As her subject blossoms and matures onward later in Canada her family being of a well to do background while Elsa having opposed her parents is on a resolute path throughout decisive stages It leads her further into unaccustomed realities Later together with her man strangest occurrences of the other wordly or the extra sensory surely put them to the test In an effervescent rebounding of courage and love they arrive at last upon a serene plateau With added input of sense and feeling the author becomes quite descriptive with a depth other than ordinary amid the riches of such endorsement Touching upon a rare vein and hidden treasury overflowing at times in poetic expression Power simplicity Grace and Beauty You ll find them all in this work It will leave you endowed newly in touch from having ventured into its riches Revealing splendid Shalumba Elsa De Visser,2011-04 At beginning to read this book the reader enters from the first lines onward already upon an unusual sphere whilst a bright world begins to open up The author takes you ever deeper into heights into depth endorsing awareness ever further into verities of renewed discovery One becomes endowed with a new light a vast sense of the eternal mysteries Despite the mysteries ongoing yet they begin to give us clues to finding the golden thread amid the mazes As you traverse along pausing awhile at the lovely and sometimes startling verses in this work which are bound to touch one profoundly into heart and soul As we are taken into remotest beginnings later even there we played

among the elements the winds and vapors and onwards still in the process of gathering atoms A revealing view amid multidimensional context of meaning With reading onward the perceptions open surely each individually at one's own pace The lines ease up soon enough when the content relaxes unto some personal glimpses now and then The serene verses throughout are part of the shifting kaleidoscope so suitable
