*Small Business Management* ,2008      **23rd European Conference on Knowledge Management Vol 1** Piera Centobelli,Roberto Cerchione,2022-09-01      **Resources in Vocational Education** ,1980      Monthly Catalog of United States Government Publications ,2004      **Entrepreneurship & Small Business Management in the Hospitality Industry** Darren Lee-Ross,Conrad Lashley,2010-05-04 Explores both entrepreneurial theory and practice applied to the tourism and hospitality industry by investigating some key theoretical concepts and grounding them in practical real life scenarios Moves back and forth between strategy and operations to illustrate the link between the two areas and explain how both perspectives are necessary for entrepreneurial success Creates an enthusiasm about the field by not only discussing some of the major challenges and opportunities but by providing the knowledge and skills required to start a small business and drastically improve the chances of sustaining it successfully      The Implementation Challenge David Hussey,1996-09-10 The implementation of appropriate strategies remains one of the most difficult areas of management Considerable thought energy and resources is given over to devising a strategic plan and it is to the fine detail of the plan that attention turns when things go wrong The plan rather than the implementation comes in for scrutiny because it is less problematic to analyse Perhaps this is because whereas the plan can be devised under pollution free almost laboratory conditions the working out of the plan takes place in the real world infected with real world variables But the whole point of a strategy is that it will be implemented and implemented successfully Much has been written on change management and transformational leadership all very relevant to strategy implementation but there are comparatively few books which look at the implementation process as a whole The Implementation Challenge aims to link the numerous concepts and approaches to the subject but recognizes the impact on implementation of the organization as it lives and breathes From the work of leading thinkers in the field of strategic management David Hussey has selected contributions specifically focusing on the theme of implementation Some of the work is to be found in Strategic Change this together with new material and four major case studies makes The Implementation Challenge thoroughly up to date and coherent It is intended to be thought provoking and to give practical aid to those involved with achieving successful implementation of their organization s strategic plans and thinking
