Zunker,2002 This highly successful book has been called the most comprehensive book on the market providing readers with needed career theory as well as practical techniques and examples Through the author s clear writing style case examples tables and exercises readers develop a solid understanding of the theoretical models of career counseling and are thoroughly exposed to the practical information on how to effectively counsel clients about career issues      Irm Groups Process/Pract Gerald Corey,2005-02      **Bowker's Complete Video Directory** ,2000      Personal Reflections on Counseling Gerald Corey,2020-02-28 Gerald Corey s Reflections is an absolute delight Each chapter is packed with nuggets of wisdom he has gained over the decades What makes the book particularly

engaging is that it invites us into Corey's inner world and we feel as though we are reading a series of letters from a friend. This book could serve as an excellent supplemental reading in an introductory course or as a useful resource for advanced students as they navigate the complexities of graduate school and look ahead to their careers. Barbara Herlihy PhD, University of Texas at San Antonio. In this inspirational book, Gerald Corey shares his most heartfelt personal reflections and lessons learned as he describes his journey over a 60-year counseling career. He is honest, self-disclosing, humble, and insightful in this compendium that encourages readers to embrace their vision and entertain their dreams. This is a must-read gem that provides an opportunity for counseling students and young professionals to learn from the master. Robert Haynes PhD, Psychologist and author, Borderline Productions. In an easy-to-read question and answer format, Dr. Corey provides sage insight on a broad range of topics concerning professional issues, career development, the counseling process, and work-life balance. Responding to an array of questions often asked by students over the years, he uses candid personal examples to highlight key lessons and engage readers in an active process of personal and professional self-reflection on their own journeys. Topical question themes include creating your professional path, mentoring and being a mentee, surviving graduate school, benefiting from personal therapy, focusing on self-care and wellness, becoming an ethical counselor, managing value conflicts in counseling, using self-disclosure therapeutically, dealing with difficult clients, getting the most out of supervision, and becoming a writer. In each chapter, reflection questions encourage readers to consider their own views and experiences related to the questions raised, and recommended readings provide suggestions for further information.
