The Outcasts Of Poker Flat And Other Tales:

The Outcasts of Poker Flat and Other Stories Bret Harte, 1977-01-01 *The Outcasts of Poker Flat* Bret Harte, 2022-10-14 When the gambler John Oakhurst senses that he may have outstayed his welcome in the mining camp of Poker Flat he sets off to find pastures new Accompanied by the local drunk Uncle Billy and two prostitutes he makes his way towards Sandy Bar However when things do not go according to plan and the weather turns Oakhurst must look deep inside himself to work out what to do A gritty tale riddled with tragedy and romance *The Outcasts of Poker Flat* does not spare the horses when it comes to depicting the difficulties faced by ordinary folk in the Old West Born in New York Bret Harte 1836 1902 was a prolific poet author and journalist The son of one of the founders of the New York Stock Exchange Harte s education was erratic and he left school at the age of 13 Four years later he moved to California trying out a number of jobs including working as a miner and a journalist After an unsuccessful stint as a stagecoach guard he became a schoolteacher Later he was hired as an editor for *The Golden Era* magazine His piece on the Wiyot Massacre resulted in death threats and Harte was forced to flee to San Francisco There he became a journalist for *The Atlantic Monthly* and was instrumental in founding *The Californian* and *The Overland Monthly* The latter was to publish one of his most well known stories *The Luck of Roaring Camp* and *Other Sketches* During his lifetime Harte published more than 30 books *The Outcasts of Poker Flat and Other Tales* Bret Harte, 1964 ***The Outcasts of Poker Flat*** , 1961 *The Outcasts of Poker Flat, and Other Tales.* With an Introd. by Wallace Stegner Bret Harte, 1961 ***Chicorel Index to Short Stories in Anthologies and Collections*** Marietta Chicorel, 1974 ***Chicorel Index to Short Stories in Anthologies and Collections*** , 1975 *Bohemia in America, 1858-1920* Joanna Levin, 2009-10-21 *Bohemia in America 1858 1920* explores the construction and emergence of Bohemia in American literature and culture Simultaneously a literary trope a cultural nexus and a socio economic landscape la vie boh me traveled to the United States from the Parisian Latin Quarter in the 1850s At first the province of small artistic coteries Bohemia soon inspired a popular vogue embodied in restaurants clubs neighborhoods novels poems and dramatic performances across the country Levin s study follows la vie boh me from its earliest expressions in the U S until its explosion in Greenwich Village in the 1910s Although Bohemia was everywhere in nineteenth and twentieth century American culture it has received relatively little scholarly attention *Bohemia in America 1858 1920* fills this critical void discovering and exploring the many textual and geographic spaces in which Bohemia was conjured Joanna Levin not only provides access to a neglected cultural phenomenon but also to a new and compelling way of charting the development of American literature and culture ***Selected Stories*** Bret Harte, 1929 ***Mark Twain*** Harold H. Kolb Jr., 2014-10-29 Mark Twain is America s perhaps the world s best known humorous writer Yet many commentators in his time and our own have thought of humor as merely an attractive surface feature rather than a crucial part of both the meaning and the structure of Twain s writings This book begins with a discussion of humor and then demonstrates how Twain s artistic strategies his

remarkable achievements and even his philosophy were bound together in his conception of humor and how this conception developed across a forty five year career Kolb shows that Twain is a writer whose lifelong mode of perception is essentially humorous a writer who sees the world in the sharp clash of contrast whose native language is exaggeration and whose vision unravels and reorganizes our perceptions Humor in all its mercurial complexity is at the center of Mark Twain s talent his successes and his limitations It is as a humorist amiably comic sharply satiric grimly ironic simultaneously humorous and serious that he is best understood

The California Gold Rush Mark A. Eifler,2016-07-22 In January of 1848 James Marshall discovered gold at Sutter s Mill in the foothills of the Sierra Nevada For a year afterward news of this discovery spread outward from California and started a mass migration to the gold fields Thousands of people from the East Coast aspiring to start new lives in California financed their journey West on the assumption that they would be able to find wealth Some were successful many were not but they all permanently changed the face of the American West In this text Mark Eifler examines the experiences of the miners demonstrates how the gold rush affected the United States and traces the development of California and the American West in the second half of the nineteenth century This migration dramatically shifted transportation systems in the US led to a more powerful federal role in the West and brought about mining regulation that lasted well into the twentieth century Primary sources from the era and web materials help readers comprehend what it was like for these nineteenth century Americans who gambled everything on the pursuit of gold
