**The Owls of Thunder Hollow** Dan Barnwell, 2005-09-12 The Owls of Thunder Hollow have a perfect teaching system for teaching their young The young owls learn to fly hunt and survive within this perfect system There never has been a problem with the system Everything changes when the owls accidentally hatch a strange egg The young bird is not an owl It does not fit into their perfect teaching system This is a story about an honest effort that was made by both teacher and student After months of frustration and failure it appears that they have parted with bitter feelings The young bird is banished from the presence of his friends The teacher has been denied the affection that she should have received from the young owls that she taught Many teachers and students have lived through the sadness of a story like this one If you had hoped for a happy ending but never were able to find one you really need this book The Owls of Thunder Hollow were able to find an end to the story that is seldom achieved in the world of people
