Crest Trail as it ranges 2 600 miles from Mexico to Canada THE PACIFIC CREST TRAILSIDE READER EBOOK brings

anthology is these real trail tales stories taken from PCT hikers trailside humor and traditions trail angels and trail magic

context are historical accounts of events such as Moses Schallenberger s winter on Donner Pass and pioneer efforts like the  
old Naches Road that ended up creating access to today s trails Native American myths and legends such as that of Lost Lake  
near Mount Hood and selections from highly regarded environmental writers who have captured the region in print including  
Mary Austin in The Land of Little Rain John Muir in The Mountains of California and Barry Lopez in Crossing Open Ground

this combination ebook includes all the newly commissioned stories as well as many other pieces for which the editors did  
have digital access there are approximately four contributions from each of the printed books that do not appear here
