

The Pacific Islands

Deryck Scarr

The Pacific Islands:

The Pacific Islands Brij V. Lal, Kate Fortune, 2000-01-01 An encyclopaedia of information on major aspects of Pacific life including the physical environment peoples history politics economy society and culture The CD ROM contains hyperlinks between section titles and sections a library of all the maps in the encyclopaedia and a photo library **A History of the Pacific Islands** Ian C. Campbell, 1989-01-01 Dr Campbell s awareness of the importance of the active roles which Pacific islanders played in the shaping of the histories of their own countries is evident throughout he has examined whenever he could historical events and processes from the point of view and interests of the islanders concerned No other work has done this and that in itself makes Dr Campbell s book an important contribution to Pacific history Dr Malama Meleisea Director of the Macmillan Brown Centre for Pacific Studies University of Canterbury Dr Campbell s awareness of the importance of the active roles which Pacific islanders played in the shaping of the histories of their own countries is evident throughout he has examined whenever he could historical events and processes from the point of view and interests of the islanders concerned No other work has done this and that in itself makes Dr Campbell s book an important contribution to Pacific history Dr Malama Meleisea Director of the Macmillan Brown Centre for Pacific Studies University of Canterbury **The Pacific Islands** Moshe Rapaport, 2013-05-31 The Pacific is the last major world region to be discovered by humans Although small in total land area its numerous islands and archipelagoes with their startlingly diverse habitats and biotas extend across a third of the globe This revised edition of a popular text explores the diverse landforms climates and ecosystems of the Pacific island region Multiple chapters written by leading specialists cover the environment history culture population and economy The work includes new or completely revised chapters on gender music logging development education urbanization health ocean resources and tourism Throughout two key issues are addressed the exceptional environmental challenges and the demographic economic political challenges facing the region Although modern technology and media and waves of continental tourists are fast eroding island cultures the continuing resilience of Pacific island populations is apparent This is the only contemporary text on the Pacific Islands that covers both environment and sociocultural issues and will thus be indispensable for any serious student of the region Unlike other reviews it treats the entirety of Oceania with the exception of Australia and is well illustrated with numerous photos and maps including a regional atlas Contributors David Abbott Dennis A Ahlburg Glenn Banks John Barker Geoffrey Bertram David A Chappell William C Clarke John Connell Ron Crocombe Julie Cupples Derrick Depledge Colin Filer Gerard J Fryer Patricia Fryer Brenden S Holland E Alison Kay David M Kennedy Lamont Lindstrom Rick Lumpkin Harley I Manner Selina Tusitala Marsh Nancy McDowell Hamish A McGowan Frank McShane Simon Milne R John Morrison Dieter Mueller Dombois Stephen G Nelson Patrick D Nunn Michael R Ogden Andrew Pawley Jean Louis Rallu Vina Ram Bidesi Moshe Rapaport Annette Sachs Robertson Richard Scaglione Donovan Storey Andrew P Sturman Lynne D Talley James P Terry Randolph R Thaman Frank R Thomas Caroline Vercoe Terence Wesley

Smith Paul Wolfram **The Pacific Islands** Evelyn Colbert, 2018-02-20 This accessible volume provides a brief introduction to the institutions policy concerns and international roles of the Pacific islands Evelyn Colbert expertly paints an overall picture of the region using broad brush strokes complementing the mostly specialized literature available about the South Pacific *The Pacific Islands*, 1991 This book is an introduction to the contemporary Pacific Islands intended primarily for interested individuals in government business and academia as well as for students It provides a succinct account of trends issues and recent developments affecting the islands in the political economic and international relations fields The book is organized functionally but also contains sketches of the individual island nations and groups Back cover

The Pacific Islands Douglas L. Oliver, 1989-04-01 By far the best compendium on Pacific studies available today There have been several attempts to imitate it during the past decade but they are either boiled down histories or else reference works without any cohesive structure H E Maude Australian National University **The Pacific Islands and the USA** R. G. Crocombe, 1995 The world's most powerful nation and more than a dozen of the world's smallest have been interacting for 200 years Beginning with whaling in the 1700s it has continued through many trades investment education churches media diplomacy and strategic issues As significant as the movement of Americans to the Pacific is that of 150 000 Pacific Islanders to the USA This important book documents the growing interaction with the USA to the pinnacle of involvement in World War II The importance of USA to the Pacific Islands remained high until the end of the 1980s but has declined since then on almost every dimension While USA will remain significant for the Pacific Islands its relative profile will continue to decline Back cover **Worlds Apart** Ian Christopher Campbell, 2003 This title spans the entire history of the Pacific Islands From the first settlement by the native islanders through the centuries of European contact cultural influence and colonialism to the coming of independence and more recent troubles since then This title will appeal to the general reader with its non academic style

Pacific Ways Stephen Levine, 2016-06-01 Examining the politics of each Pacific Island state and territory this well researched volume discusses historical background and colonial experience constitutional framework political institutions political parties elections and electoral systems and problems and prospects Pacific Island countries and territories included are the original seven member states New Zealand Australia Fiji Samoa Tonga Nauru and the Cook Islands along with all the new member states and organizations A wide ranging political survey this comprehensive and completely up to date reference will appeal to Pacific peoples and anyone with an interest in politics **The Pacific Islands** Moshe Rapaport, 1999 Forty five contributors offer information on the physical environment history culture population economy and living environment of the Pacific islands *Native Cultures of the Pacific Islands* Douglas L. Oliver, 1989-01-01 Even before Western contact the Pacific Islanders inhabited nearly every island north and east of Australia a thousand distinctive peoples This overview of the cultures of the Pacific Islands treats their physical setting prehistory activities and social relations before European influences subjected them to radical changes It is intended mainly for college level students

in courses dealing with the region but Native Cultures of the Pacific Islands will also be enjoyed by those interested in the Pacific Islands and by visitors to the Pacific The book is an abridgement of the author's larger two volume work Oceania The Native Cultures of Australia and the Pacific Islands Native Cultures of the Pacific Islands contains a number of maps and illustrations from the larger work *A History of the Pacific Islands* Deryck Scarr, 2013-12-16 A book about the past and present Pacific Islands wide ranging in time and space spanning the centuries from the first settlement of the islands until the present day Stewart's Handbook of the Pacific Islands Percy Stafford Allen, 1918 **A History of the Pacific Islands** Steven Roger Fischer, 2013-03-13 This wide ranging study of the Pacific Islands provides a dynamic and provocative account of the peopling of the Pacific and its broad impact on world history Spanning over 50 000 years of human presence in an area which comprises one third of our planet Melanesia Micronesia and Polynesia the narrative follows the development of the region from New Guinea's earliest settlement to the creation of the modern Pacific states Thoroughly revised and updated in light of the most recent scholarship the second edition includes an overview of the events and developments in the Pacific Islands over the last decade coverage of the latest archaeological discoveries several new maps an updated and expanded bibliography Steven Roger Fischer's unique text provides a highly accessible and invaluable introduction to the history of an area which is currently emerging as pivotal in international affairs A History of the Pacific Islands traces the human history of nearly one third of the globe over a fifty thousand year span This is history on a grand scale taking the islands of Melanesia Micronesia and Polynesia from prehistoric culture to the present day through a skilful interpretation of scholarship in the field Fischer's familiarity with work in archaeology and anthropology as well as in history enriches the text making this a book with wide appeal for students and general readers A History of the Pacific Islands Steven Roger Fischer, 2013-03-13 This wide ranging study of the Pacific Islands provides a dynamic and provocative account of the peopling of the Pacific and its broad impact on world history Spanning over 50 000 years of human presence in an area which comprises one third of our planet Melanesia Micronesia and Polynesia the narrative follows the development of the region from New Guinea's earliest settlement to the creation of the modern Pacific states Thoroughly revised and updated in light of the most recent scholarship the second edition includes an overview of the events and developments in the Pacific Islands over the last decade coverage of the latest archaeological discoveries several new maps an updated and expanded bibliography Steven Roger Fischer's unique text provides a highly accessible and invaluable introduction to the history of an area which is currently emerging as pivotal in international affairs A History of the Pacific Islands traces the human history of nearly one third of the globe over a fifty thousand year span This is history on a grand scale taking the islands of Melanesia Micronesia and Polynesia from prehistoric culture to the present day through a skilful interpretation of scholarship in the field Fischer's familiarity with work in archaeology and anthropology as well as in history enriches the text making this a book with wide appeal for students and general readers One Third of the World University of Hawaii at

Manoa. Pacific Islands Studies Center, Pacific and Asian Affairs Council, 1983 Vanished Islands and Hidden Continents of the Pacific Patrick D. Nunn, 2008-10-31 Islands as well as entire continents are reputed to have disappeared in many parts of the world Yet there is little information on this subject concerning its largest ocean the Pacific Over the years geologists have amassed data that point to the undeniable fact of islands having disappeared in the Pacific a phenomenon that the oral traditions of many groups of Pacific Islanders also highlight There are even a few instances where fragments of Pacific continents have disappeared becoming hidden from view rather than being submerged In this scientifically rigorous yet readily comprehensible account of the fascinating subject of vanished islands and hidden continents in the Pacific the author ranges far and wide from explanations of the region's ancient history to the meanings of island myths Using both original and up to date information he shows that there is real value in bringing together myths and the geological understanding of land movements A description of the Pacific Basin and the ups and downs of the land within its vast ocean is followed by chapters explaining how long before humans arrived in this part of the world islands and continents that no longer exist were once present A succinct account is given of human settlement of the region and the establishment of cultural contexts for the observation of occasional catastrophic earth surface changes and their encryption in folklore The author also addresses the persistent myths of a sunken continent in the Pacific which became widespread after European arrival and were subsequently incorporated into new age and pseudoscience explanations of our planet and its inhabitants Finally he presents original data and research on island disappearances witnessed by humans recorded in oral and written traditions and judged by geoscience to be authentic Examples are drawn from throughout the Pacific showing that not only have islands collapsed and even vanished within the past few hundred years but that they are also liable to do so in the future **The United States and the Pacific Islands** John C. Dorrance, 1992-10-26 Although the Pacific islands were front page news during the 1941-1945 Pacific War today they are seldom in the American consciousness except as a perception of Micheneresque tropical paradises But the islands 10 000 strong and scattered over nearly one fifth of the earth's surface still straddle or remain close to the sea and air lanes that link the United States with Australia and Asia and carry nearly one half of U S foreign trade New political interests also exist with the recent emergence of a new panoply of independent Pacific island states extension of U S sovereignty to other Pacific islands and new defense responsibilities in several states linked to the United States by free association John C Dorrance offers an exceptionally authoritative and comprehensive assessment of U S interests in and policy toward a poorly understood region The islands highly aid dependent and uniquely vulnerable to external influences have experienced insurrections military coups secessionist rebellion political assassinations Soviet inroads and even Libyan mischief making Ethnic conflict and developmental problems also threaten democratic institutions and the region's stability Dorrance thoroughly explores the regional policy environment and the issues that face the United States His book is of lasting value to scholars and especially to policy makers and practitioners Stewart's Hand Book of the

Pacific Islands ,1922 **The Pacific Islands** Anne Wallace Sharp,2003 Discusses the history geography and culture of the Pacific Islands including the traditions family community colonialism religion everyday life and the future

The book delves into The Pacific Islands. The Pacific Islands is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Pacific Islands, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to The Pacific Islands
- Chapter 2: Essential Elements of The Pacific Islands
- Chapter 3: The Pacific Islands in Everyday Life
- Chapter 4: The Pacific Islands in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The Pacific Islands. This chapter will explore what The Pacific Islands is, why The Pacific Islands is vital, and how to effectively learn about The Pacific Islands.
3. In chapter 2, this book will delve into the foundational concepts of The Pacific Islands. The second chapter will elucidate the essential principles that must be understood to grasp The Pacific Islands in its entirety.
4. In chapter 3, this book will examine the practical applications of The Pacific Islands in daily life. This chapter will showcase real-world examples of how The Pacific Islands can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of The Pacific Islands in specific contexts. The fourth chapter will explore how The Pacific Islands is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Pacific Islands. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The Pacific Islands.
