The Ascent of John Company G.S. Cheema, 2017-08-10 The Ascent of John Company is the story of the founding of the British empire in India The process of founding empires is rarely if ever edifying It is invariably a sordid story of brutality and violence tempered to some extent by blatant lies corruption skullduggery and intrigue Robert Clive and Warren Hastings the two names that come most readily to mind when one thinks of the founders were no heroes in their times Still less were Vansittart Verelst or Coote Bahadur We have a governor who was overthrown and imprisoned by his own Councillors and a general who had to be bribed to take the field Many of them were accused of atrocious crimes of murder and extortion Bribe taking peculation and corruption were the least of their high misdemeanours and the most egregious were ruined by the judicial processes to which they were subjected on their return The word nabob which was applied to them by their own countrymen was anything but complimentary The romanticization of the empire came much later it was a phenomenon of the later Victorian period but in spite of the fact that the empire has long since faded away nostalgia for the Raj still lingers among some circles For such people this volume will be a useful corrective the past always seems better than the contentious present Even for others who may not see the past through rose tinted glasses this book will help to place things in

perspective To paraphrase Dickens this is the best of times and the worst of times and it has always been so A New English Dictionary on Historical Principles Sir James Augustus Henry Murray,1905 *The Garden Retreat in Asia and Europe* Yue Zhuang,Alasdair Forbes,Michael Charlesworth,2025-01-23 The Garden Retreat in Asia and Europe explores the meaning of gardens and designed landscapes as places of retreat and refuge in times of need or emergency In the current times of war pandemic climate change and global anxiety the value of the garden as a sanctuary a space where we can find refuge in a natural environment has taken on new and poignant meanings and has attracted increasing academic interest Multidisciplinary and multicultural in scope this book explores the meaning of gardens and designed landscapes as places of retreat and refuge in times of need or emergency Examining perspectives from scholars including art historians architects philosophers landscape architects and garden practitioners it reassess the restorative impact of the garden whether understood from an individual cultural or environmental point of view Ranging widely across Asia and Europe its chapters examine ideas narratives and practices from the 4th century Chinese poet Tao Yuanming to the 12th century Iranian polymath Omar Khayyam through to the late 20th century British artist and film maker Derek Jarman Drawing upon traditional Asian philosophies like Buddhism Daoism and Sufism and combining these with more recent western philosophies the aim is to question how the unique virtues of gardens and designed landscapes can help to poise educate and possibly transform attitudes and behaviours in a time of personal environmental or cultural crisis At once poetic scholarly and rigorous this book provides insightful reading for students and researchers in landscape architecture garden history architectural history art history and cultural history **Ecoambiguity** Karen Thornber,2012-03-02 Delving into the complex contradictory relationships between humans and the environment in Asian literatures Gender and Subjectivities in Early Twentieth-Century Chinese Literature and Culture P. Zhu,2015-06-10 Through both cultural and literary analysis this book examines gender in relation to late Qing and modern Chinese intellectuals including Mu Shiying Bai Wei and Lu Xun Tackling important previously neglected questions Zhu ultimately shows the resilience and malleability of Chinese modernity through its progressive views on femininity **Rob and Crystal** Robert Spina,2017-07-21 Robbie has been told by his grandmother that he is going to save the world and marry the most beautiful woman in the world These bedtime stories keep him smiling and happy to see his grandmother His life takes a very unforeseen turn as his parents are killed and he is raised to be a stone cold killer His grandmother has not abandoned him and she comes to him in visions even after her passing She guides Robbie from the spirit world and gives him the advice he needs to save the world from the shadow monsters and the Thunder God Crystal is woken to see a strange man in her bed She is not scared and she does everything this man tells her to do Robert knows the second Crystal opens her eyes that he loves her and he is going to marry her not kill her Crystal has found the man of her dreams and as her life is turned upside down she falls head over heels in love with him Is it destiny that brought these two young lovers together And is it destiny that will guide these two to save the world Your heart will pump and your

passion will overflow as you follow these two through their heart pounding love affair full of passionate love and life threatening danger Rob and Crystal become the hunted but hunted by whom and by what Let the pages sweep you away as you realize the hunted are the hunters themselves *Musashi: Book Three - Moon, Sun & Perfect Clarity- The Novel* Eiji Yoshikawa,2026-03-03 A new and unabridged translation of Eiji Yoshikawa s bestselling novel about Miyamoto Musashi the most famous swordfighter in Japanese history Musashi The Novel is the first unabridged translation of Eiji Yoshikawa s great novel the top selling novel in Japan Masterfully translated for the first time in its entirety by Alexander Bennett this vivid and fast paced story reveals the exploits and inner life of a man who finds not only his true purpose but also his humanity This is the story of a man torn between his friendships love and devotion to the sword Filled with episodes of exciting duels his travels throughout Japan and the memorable characters he meets along the way Musashi is revealed to be a flawed hero a genius with the sword who dispatches pretenders one after another with minimal effort yet finds little pleasure in it Famous for fighting 62 duels without a single defeat Musashi is a true philosopher warrior author of the monumental treatise The Book of Five Rings one of the most widely read books in history Although he was without peer his path to glory was fraught with seemingly impossible challenges tragic losses and emotional turmoil And while his destiny seems clear in order to achieve it he must open a new chapter and leave his old life behind In the last book Musashi is left with his final obstacle the great swordsman Sasaki Kojiro who has an untarnished reputation and is legendary for his skill in battle As Musashi journeys the inevitable path that will lead to Kojiro he encounters old friends and new enemies Devoting himself to mediation and Zen teaching he realizes that the pursuit of glory is fruitless and the only path to success can be found through self reliance and discipline To become truly happy he must defeat not only his greatest rival but also his own self doubt tying up loose ends in the process He meets with Otsu as he prepares to fight Sasaki whom he meets wielding only a wooden pole emerging as the most formidable swordsman in the land **H.
