**God. (A Lenten Course of Sermons Preached at Westminster Cathedral in 1947 ... and ... The Sorrow of God ... an Aquinas Paper.).** Gerald Vann, 1947 *The Trinity and the Kingdom* Jürgen Moltmann, 1993-09-01 An excellent introduction to the prophets and the prophetic literature The goal of the book is to understand the thought of the prophets in their historical contexts and to communicate that understanding for our time Its approach while innovative builds upon the best of contemporary analysis of the prophetic literature Gene M Tucker Candler School of Theology Emory University Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap He displays the individuality of each prophet with perceptive insight but he also compares and interrelates them in his various summaries Furthermore Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades Bernhard W Anderson Princeton Theological Seminary *Kierkegaard's Influence on Theology: German Protestant theology* Jon Bartley Stewart, 2012 Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard's breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard's thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of

reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times      The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene,2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene s call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love      **Of Passion and Folly** Patricia McCarthy,1998 Love your enemies and pray for those who persecute you Jesus words are clear Yet for centuries we have made exceptions to this command to love and to practice peace we seek the goal of peace but avoid the means of peace *Of Passion and Folly* helps us move from merely desiring peace to deliberately choosing peace      *The Practical Works of Richard Baxter* Richard Baxter,1838      **Eschatology and Pain in St. Gregory the Great** Kevin L. Hester,2007-01-01 This work seeks to demonstrate that Gregory s spirituality forms and is formed by his theology and especially his understanding of the person and work of Christ His spirituality is that of a contemplative looking for Christ and finding him in the pain of this world Gregory s theological emphases of the experience of pain and eschatology found in his *Moralia in Iob* find their connection in his Christology In contemplative union with Christ the pain of this life will make sense and in the last judgment the great mystery of the divine purpose will be revealed      **Child of Divorce, Child of God** Kristine Steakley,2009-09-20 Children of divorce carry wounds into adulthood Divorce affects our relationships to other people our fears and longings our faith and our spirituality We may have difficulties with anger guilt commitment or forgiveness But our identity need not be marked only by our parents divorce God can enter into our woundedness and bring transformation and hope Kristine Steakley chronicles the emotional and spiritual challenges facing adult children of divorce She tells her own story of abandonment and estrangement with all the attendant questions of trust self worth and identity But she has found that God can repair and reparent us in ways that heal and restore our relationships with ourselves our parents and God      The Sincere Christian Instructed in the Faith of Christ, from the Written Word George Hay,1870      Handbook to Bach's Sacred Cantata Texts Melvin P. Unger,1996-04-16 The German church cantata of the eighteenth century was the culmination of a long tradition of Lutheran sermon music that used the proclamation amplification and interpretation of scripture to teach and persuade the listener Bach s cantatas also served this didactic purpose and typically

incorporate numerous allusions to scriptural passages or themes in their librettos Unfortunately many of these passages remain obscure to the twentieth century musician because they demand a much closer familiarity with the Bible than is common today The Handbook to Bach's Sacred Cantata Texts identifies scriptural references for the wording imagery and themes that Bach's listeners would have known In addition the religious or literary theme of each text is summarized within the specific context of the cantata as a whole With interlinear translations and a full complement of indexes The Catholic Enlightenment Ulrich L. Lehner, Shaun Blanchard, 2021-08-13 The Catholic Enlightenment A Global Anthology presents readers with accessible translated selections from the writings of fifteen major Catholic Enlightenment authors These early modern authors include women priests lay intellectuals and bishops Twelve of these figures are being brought into English for the first time The purpose of the volume is to provide students scholars and interested non specialists with a single point of departure to delve into the primary sources of the Catholic Enlightenment This anthology shows the geographical and intellectual diversity of the Catholic Enlightenment while also demonstrating significant threads of commonality in intellectual orientation One strength of this volume is the geographical spread of the figures considered Included are Catholic thinkers from England the United States Mexico Spain Portugal Brazil France Portugal and the Italian and German speaking lands Another strength of this volume is the breadth of subject matter treated it features pastoral letters mystical tracts pedagogical treatises political manifestos and theological works These texts elucidate Catholic Enlightenment views on topics such as the history of women's education liturgy and devotions and the relationship between church and state The co editors Ulrich Lehner and Shaun Blanchard have assembled a team of international scholars from Europe and the Americas for this exciting project Lehner is one of the central scholars behind the renewed interest in the Catholic Enlightenment He co edits the volume contributes to the introduction and introduces and translates two significant German speaking figures Shaun Blanchard who has recently published a monograph on radical Catholic Enlightenment figures also co edits contributes selections from two English speaking figures and has completed the first English translation of a section of Lodovico Muratori's landmark On the Regulated Devotion of a Christian since 1789 **Christianity Lite** Glen Berteau, 2013-01-08 We need more than a diluted decaffeinated faith We need the real thing Almost every food and beverage today also has a lite version potato chips whipped cream maple syrup soda beer You may even remember an ad campaign for a light beer a few years back Tastes great Less filling Many of us have taken that same attitude sometimes even without realizing it and applied it to our faith We want blessings but without obedience Comfort but without sacrifice Happiness but without repentance As a result we have watered down decaffeinated and diluted the message of the gospel until it really has no effect on our lives or the lives of others In Christianity Lite Glen Berteau calls us back to the full gospel message Jesus didn't come to make our normal selfish sinful lives a little better He came to radically transform life as we know it This narrow way the way of grace inspired obedience is the only way to find the real Jesus real meaning real hope and a life where

we'll really live      Extraordinary John Bevere, 2010-09-21 Satisfy your intrinsic desire to rise above the norm Isn't it true that we long to see the extraordinary experience the extraordinary do the extraordinary Yet so often we settle for mediocrity when greatness is within our grasp Why are we drawn to stories of heroic triumph over seemingly impossible circumstances In our fascination with adventure movies superheroes and tales of incredible human feats do we reveal an inherent desire for something larger and greater in life Maybe what we think is a need to escape or be entertained is actually a God inspired longing for the extraordinary Best selling author John Bevere reveals how all of us were meant for more extraordinarily created and intended for a life that is anything but ordinary Here is the roadmap for your journey of transformation You are marked for a life that far surpasses the usual definitions of success or fulfillment Isn't it time to pursue your extraordinary life      *Religious Telescope*, 1900      The Homiletic quarterly [afterw.] magazine Homiletic magazine, 1882      **Perfection in Death** Patrick M. Clark, 2015-11-03 Perfection in Death compares and contrasts the relationship between conceptions of courage and death in the thought of Aquinas and his ancient philosophical sources At the center of this investigation is Aquinas identification of martyrdom as the paradigmatic act of courage as well as the greatest proof of the perfection of charity Such a portrayal of perfection in death bears some resemblance to the ancient tradition of noble death but departs from it in decisive ways Clark argues that this departure can only be fully understood in light of an accompanying transformation of the metaphysical and anthropological framework underlying ancient theories of virtue Perfection in Death aims to provide a new theological account of this paradigm shift in light of contemporary Thomistic scholarship
