Monica Bohm-Duchen

The Painted Ducheib:

Imagining Jewish Art Aaron Rosen, 2017-07-05 Short listed for the Art and Christian Enquiry Mercers International Book Award 2009 a book which makes an outstanding contribution to the dialogue between religious faith and the visual arts What does modern Jewish art look like Where many scholars critics and curators have gone searching for the essence of Jewish art in Biblical illustrations and other traditional subjects Rosen sets out to discover Jewishness in unlikely places How he asks have modern Jewish painters explored their Jewish identity using an artistic past which is by and large non Jewish In this new book we encounter some of the great works of Western art history through Jewish eyes We see Matthias Grunewald s Isenheim Altarpiece re imagined by Marc Chagall 1887 1985 traces of Paolo Uccello and Piero della Francesca in Philip Guston 1913 1980 and images by Diego Velazquez and Paul Cezanne studiously reworked by R B Kitaj 1932 2007 This highly comparative study draws on theological philosophical and literary sources from Franz Rosenzweig to Franz Kafka and Philip Roth Rosen deepens our understanding not only of Chagall Guston and Kitaj but also of how art might serve as a key resource for rethinking such fundamental Jewish concepts as family tradition and homeland **On the Spirit and the Self**

Jennifer Swan ,2019-06-01 On the Spirit and the Self The Religious Art of Marc Chagall compliments and extends the scholarship surrounding Chagall s place in the History of 20th Century Art as a Religious artist Central to this study is the psychic process of individuation and the ways in which images appear to depict the deeper changes in our collective human existence A new perspective on Chagall s creative output is presented through the application of Jungian theory Jung identifies a separation between the cultural and historical underpinnings of natal faith or creed and the presence of an internal personal spirituality or religious attitude This theoretical approach helps to define Chagall s creative connection to his own natal Hasidic faith whilst clarifying the interiority of his religious experiences on a universal level That creative development may be explored through the visual patterns of sacred transformative imagery is a new approach in Chagallian scholarship elevating two key concepts the Chagallian sacred secular binary and the Chagallian temenos sites Primary source materials reflecting the Artist s voice are illuminated by more than seventy colour reproductions to support the perspective that like Jung Chagall was among the most prolific and significant religious communicators of the 20th Century

Holocaust Icons in Art: The Warsaw Ghetto Boy and Anne Frank Batya Brutin, 2020-04-06 The photographs of the unknown Warsaw Ghetto little boy and the well known Anne Frank became famous documents worldwide representing the Holocaust Many artists adopted them as a source of inspiration to express their feelings and ideas about Holocaust events in general and to deal with the fate of these two victims in particular Moreover the artists emphasized the uniqueness of both children but at the same time used their image to convey social and political messages By using images of these children the artists both evoke our attention and sympathy and our anger against the Nazis crime of killing one and a half million Jewish children in the Holocaust Because they represent different sexes and different aspects Western and Eastern Jewry of

Holocaust experience artists used them in many contexts This book will complete the lack of comprehensive research referring to the visual representations of these children in artworks **Iris Murdoch and Harry Weinberger** Rebecca Moden,2023-03-03 The novelist and philosopher Iris Murdoch and the painter Harry Weinberger engaged in over twenty years of close friendship and intellectual discourse centred on sustained discussion of the practice teaching and morality of art This book presents a reappraisal of Murdoch s novels chiefly three mature novels *The Sea* 1978 *Nuns and Soldiers* 1980 and *The Good Apprentice* 1985 and two enigmatic late novels *The Green Knight* 1993 and *Jackson s Dilemma* 1995 which are perceived through the prism of her discourse with Weinberger It draws on a run of almost 400 letters from Murdoch to Weinberger and on Murdoch s philosophical writings Weinberger s private writings the remarks of both artists in interviews and other material relating to their views on art and art history much of which is unpublished and has received no previous critical attention Scrutiny of their shared values methods and the imagistic dialogue that takes place in their art provides original perspectives on Murdoch s creativity and new ways of understanding her experimentation with the visual arts **What Art Teaches Us** Timothy Babulski,2019-10-09 This book critically examines four areas common to visual arts curricula the elements of art and principles of design the canons of human proportions linear perspective and RYB color theory For each the author presents a compelling case detailing how current art teaching fails students explores the history of how it came to be part of the discourse and then proffers cognitivist and holistic alternatives This book provides a framework for teachers and teacher candidates to shape how they advocate for intellectual rigor and embodied learning and importantly how they can subvert an existing curriculum to better meet the educational needs of their students

Reading Charlotte Salomon Michael P. Steinberg, Monica Bohm-Duchen,2006 Charlotte Salomon was born in Berlin in 1917 and was murdered at Auschwitz at the age of twenty six While in exile in the south of France from 1940 until her deportation in 1943 she created some 1 325 small gouaches using only the three primary colors plus white From these she gathered nearly 800 into a work that she titled *Life or Theater A Play with Music* which employs images texts and musical

and cinematic references The narrative informed by Salomon s experiences as a talented cultured and assimilated German Jew depicts a life lived in the shadow of Nazi persecution and a family history of suicide but also reveals moments of intense happiness and hope The tone of the gouaches becomes increasingly raw and urgent as Salomon is further enmeshed in grim personal as well as political events The result is a deeply moving meditation on life art and death on the eve of the Holocaust Salomon s art discovered after the war in the south of France where she had left it for safekeeping was first exhibited in 1961 and has gained steadily in reputation since then A major exhibition focused on Life or Theater appeared at the Royal Academy of Arts in London in 1998 subsequently at the Art Gallery of Ontario in Toronto the Museum of Fine Arts Boston and the Jewish Museum in New York City This book lavishly illustrated with many color plates is the first to analyze Salomon s work critically historically and aesthetically It includes a chronology of Salomon s life and a list of exhibitions of Life or Theater Featuring contributions from prominent art historians literary and cultural critics and historians Reading Charlotte Salomon celebrates the genius and courage of a remarkable figure in twentieth century art Contributors Mieke Bal University of Amsterdam Monica Bohm Duchen independent art historian London Darcy Buerkle Smith College Christine Conley University of Ottawa Mary Felstiner San Francisco State University Reesa Greenberg Concordia University and York University Shelley Hornstein York University Griselda Pollock University of Leeds Nanette Salomon The College of Staten Island CUNY Astrid Schmetterling University of London Michael P Steinberg Cornell University Edward Timms University of Sussex Ernst van Alphen University of California Berkeley and Leiden University

Cohen,2012-12-20 Visualizing and Exhibiting Jewish Space and History includes a series of essays in its symposium section that treat the dramatic development of the visual arts in Jewish life from the beginning of the 20th century focusing on the proliferation of Jewish museums after the Holocaust **The Aesthetics of Uncertainty** Janet Wolff,2008 Abstract **Nothing Happened** Darcy Buerkle,2013-12-13 Charlotte Salomon s 1917 43 fantastical autobiography Life or Theater consists of 769 sequenced gouache paintings through which the artist imagined the circumstances of the eight suicides in her family all but one of them women But Salomon s focus on suicide was not merely a familial idiosyncrasy Nothing Happened argues that the social history of early twentieth century Germany has elided an important cultural and social phenomenon by not including the story of German Jewish women and suicide This absence in social history mirrors an even

larger gap in the intellectual history of deeply gendered suicide studies that have reproduced the notion of women's suicide as a rarity in history *Nothing Happened* is a historiographic intervention that operates in conversation and in tension with contemporary theory about trauma and the reconstruction of emotion in history
