The Marauders of Frontiers Antoine Crosby, Today the forests have fallen, its gloomy inhabitants gradually rejected by the civilization that persecutes them without truce or rest, have fled step by step before it. They have gone in search of safer retreats in the distance, taking their parents' bones with them lest they be unearthed and desecrated by the ruthless share of the white plow which carves its long and productive furrow over their former homelands. Hunt! Is this continuous incessant clearing of the American continent an evil? Not by the way, on the contrary, progress which marches by leaps and bounds and tends to transform the soil of the New World within a century, deserves all our sympathies. Nevertheless, we cannot help feeling a feeling of painful sympathy for this unfortunate race, brutally outlawed, pitilessly hemmed in on all sides, diminishing day by day and fatally doomed to disappear very soon from that land whose immense territory four centuries ago at the most covered with its innumerable masses.

The Spectacle of the Paleface Pasquale De Marco, 2025-03-17 In the heart of the American Southwest where the vast desert landscapes meet the towering mountains lies a story of cultural encounters and identity formation. The Spectacle of the Paleface delves into the captivating world of the Western Apache people and their intricate relationship with the enigmatic figure of the Whiteman. Drawing upon extensive fieldwork conducted in Cibola, Arizona, this book offers a unique perspective on how the Apache perceive, interpret, and interact with the Whiteman through the lens of linguistic play and cultural symbols. Through a rich tapestry of storytelling, ritual, art, and language, the Apache construct a complex and multifaceted image of the Whiteman, both admiring and mocking, fearing and emulating. In Apache narratives, the Whiteman emerges as a trickster figure, a source of amusement and subversion. Through humor and ridicule, the Apache challenge the authority and power of the Whiteman, reclaiming a sense of agency in a world transformed by colonialism. Yet the Whiteman is also seen as a figure of knowledge and power, a

symbol of a dominant society that cannot be ignored Beyond the realm of storytelling the Whiteman permeates Apache rituals art and language leaving an indelible mark on their cultural identity In clown performances the Whiteman is lampooned his mannerisms and speech imitated with exaggerated flair In sand paintings he appears as a grotesque figure a symbol of chaos and disruption In Apache songs and dances he is both praised and criticized his presence a constant reminder of the complex relationship between the Apache and the Whiteman The Spectacle of the Paleface is an exploration of cultural encounters identity formation and the enduring legacy of colonialism It sheds light on the ways in which humor ritual art and language serve as tools for social commentary resistance and identity construction This book contributes to a deeper understanding of Apache history culture and the complex dynamics of intercultural relations in the American Southwest If you like this book write a review

Aimard,2020-09-28 While Do a Rosario effected her escape by the assistance of Curumilla as recorded in the Adventurers Don Tadeo was not long in regaining his senses On opening his eyes he cast a bewildered look around him but as soon as memory threw light into his brain he let his head sink into his hands and gave a free vent to his grief Don Tadeo wept Don Tadeo the King of Darkness who a hundred times had smilingly looked death in the face who had had such a miraculous escape the man whose iron will had so rapidly crushed everything that opposed the execution of his projects who by a word a gesture a frown governed thousands of men submissive to his caprices wept But Don Tadeo was not a man whom grief however intense could depress for a length of time Oh all is not ended yet he cried But courage I have a people to save before I avenge my daughter He clapped his hands and Don Gregorio appeared He saw at a glance the ravages which grief had made in the mind of his friend but he saw that the King of Darkness had subdued the father It was about seven o clock in the morning What are your intentions with regard to General Bustamente Gregorio asked Don Tadeo was calm cold and impassive all traces of emotion had disappeared from his face which had the whiteness and rigidity of marble My friend he replied we yesterday saved the liberty of our country which was on the verge of ruin but if thanks to you and to all the devoted patriots who fought on our side I have for ever overthrown Don Bustamente and annihilated his ambitious projects I have not on that account taken his place But you are the only man Do not say that Don Tadeo interrupted I do not recognise in myself the right of imposing upon my fellow citizens ideas and views which may be very good or which I believe to be so but which perhaps are not theirs The right of freely choosing the man who is henceforward to govern them And who tells you my friend that that man is not yourself I do Don Tadeo observed in a firm voice Don Gregorio gave a start of surprise That astonishes you does it not my friend But what is to be said So it is I am only anxious to lay down power which is a burden too heavy for my worn out strength and to return again to private life Oh do not say that Don Gregorio replied warmly the gratitude of the people is eternal All smoke my friend Don Tadeo observed ironically Are you sure the people are pleased with what I have done But let us end this my resolution is taken and nothing can change it But Don Gregorio wished to add One word more said Don Tadeo To be a statesman my friend a man must march alone in the way he has marked out for himself he must have neither children relations nor friends The man who is in power ought to be only human in appearance What do you mean to do then In the first place to send General Bustamente to Santiago although the man merits death I will not take upon myself the responsibility of his condemnation enough blood has been shed by my orders He shall depart tomorrow with General Cornejo and the senator Sandias sufficiently escorted to secure him from a coup de main Your orders shall be punctually obeyed They are the last you will receive from me But why Because this very day I will transfer my power to your hands But my friend Not a word more I beg of you Now come with me to this poor young Frenchman who has so nobly defended my unfortunate daughter Don Gregorio followed him without reply The count had been placed in a chamber where he had received the greatest attention His situation was satisfactory and excepting great weakness he felt himself much

better Loss of blood alone caused the weakness Don Tadeo went towards him and said warmly My friend it is God who has thrown you and your companion upon my passage I have only known you a few months and I have already contracted towards you a debt which it is impossible I can ever discharge
