Christmas in July Diane Jacobs, 2023-11-15 In this first critical biography of Preston Sturges Diane Jacobs brings to life the great comic filmmaker whose career Andrew Sarris described as one of the most brilliant and bizarre bursts of creation in the history of the American cinema Jacobs uses letters and manuscripts never before revealed as well as interviews with people who knew Sturges including three of his wives to portray this fascinating contradictory man In addition to discussing his major films she also examines heretofore unknown work and shows that Sturges was highly creative even near the end of his life a time when many believed he had lost his touch Sturges secured his place in film history as the creator of such classic films as *The Lady Eve* *Sullivan's Travels* and *The Palm Beach Story* In 1939 he became the first screenwriter to win the right to direct his own script the result was the Oscar winning *The Great McGinty* Creator of *Unfaithfully Yours* *The Miracle of Morgan's Creek* and *Hail the Conquering Hero* he was the third highest paid man in the United States by the late 1940s He owned a swank Hollywood restaurant and was known as an ebullient raconteur as well as a world famous filmmaker A little over a decade later Sturges died in New York impoverished and rejected by Hollywood The

euphoria of success the fitfulness of luck the promise and poignancy of the American Dream the themes of Sturges's work also marked the man Diane Jacobs achieves a singular success in illuminating his extraordinary life This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992

British Film Institute Film Classics Rob White, Edward Buscombe, 2003 *Comedy/Cinema/Theory* Andrew Horton, 2023-09-01 The nature of comedy has interested many thinkers from Plato to Freud but film comedy has not received much theoretical attention in recent years The essays in *Comedy Cinema Theory* use a range of critical and theoretical approaches to explore this curious and fascinating subject The result is a stimulating informative book for anyone interested in film humor and the art of bringing the two together Comedy remains a central human preoccupation despite the vagaries in form that it has assumed over the centuries in different media In his introduction Horton surveys the history of the study of comedy from Aristophanes to the present and he also offers a perspective on other related comic forms printed fiction comic books TV sitcoms jokes and gags Some essays in the collection focus on general issues concerning comedy and cinema In lively and often humorous prose such scholars as Lucy Fischer Noel Carroll Peter Lehman and Brian Henderson employ feminist post Freudian neo Marxist and Bakhtinian methodologies The remaining essays bring theoretical considerations to bear on specific works and comic filmmakers Peter Brunette William Paul Scott Bukatman Dana Polan Charles Eidsvik Ruth Perlmutter Stephen Mamber and Andrew Horton provide different perspectives for analyzing *The Three Stooges* Chaplin Jerry Lewis Woody Allen Dusan Makavejev and Alfred Hitchcock's sole comedy *Mr and Mrs Smith* as well as the peculiar genre of cynical humor from Eastern Europe As editor Horton notes an over arching theory of film comedy does not emanate from these essays Yet the diversity and originality of the contributions reflect vital and growing interest in the subject and both students of film and general moviegoers will relish the results The nature of comedy has interested many thinkers from Plato to Freud but film comedy has not received much theoretical attention in recent years The essays in *Comedy Cinema Theory* use a range of critical and theoretical approaches to explore th

Crooked, but Never Common Stuart Klawans, 2023-01-10 In a burst of creativity unmatched in Hollywood history Preston Sturges directed a string of all time classic comedies from 1939 through 1948 *The Great McGinty* *The Lady Eve* *Sullivan's Travels* *The Palm Beach Story* and *The Miracle of Morgan's Creek* among them all from screenplays he alone had written Cynical and sophisticated romantic and sexually frank crazily breakneck and endlessly witty his movies continue to influence filmmakers and remain popular to this day Yet despite this acclaim Sturges's achievements remain underappreciated he is too often categorized as a dialogue writer and plot engineer more than a director or belittled as an irresponsible spinner of laughs In *Crooked but Never Common* Stuart Klawans combines a critic's insight and a fan's enthusiasm to offer deeper ways to think about and enjoy Sturges's

work He provides an in depth appreciation of all ten of the writer director s major movies presenting Sturges as a filmmaker whose work balanced slapstick and social critique American and European traditions and cynicism and affection for his characters Tugging at loose threads discontinuities puzzles and allusions that have dangled in plain sight and putting the films into a broader cultural context Klawans reveals structures motives and meanings underlying the uproarious pleasures of Sturges s movies In this new light Sturges emerges at last as one of the truly great filmmakers and funnier than ever
