Friday Foster: The Sunday Strips Jim Lawrence, 2021-12-15 The Friday Foster comic strip is the story of a former nightclub camera bunny turned photographer's assistant turned fashion model. With an innate inclination to help others and a natural beauty that makes her a magnet for men, Friday often finds herself in some very sticky situations and world-class adventures. For the FIRST TIME EVER the classic FRIDAY FOSTER newspaper color comic strip created by James D. Jim Lawrence of Buck Rogers and James Bond fame and illustrated by Jorge Jordi Longarín then later Gray Morrow is collected. The strip ran from 1974-1970 and inspired the 1975 movie of the same name starring Pam Grier. The strip is the first mainstream comic strip starring an African American character in the title role. The book will also include a significant bonus section including multiple interviews, an expanded sketchbook section, artwork, photos, essays, articles, behind-the-scenes info, and more.

Redefining Black Film Mark A. Reid, 1993-02-23 This assessment of black film history distinguishes between American films that are controlled by Blacks and those which utilize black talent but are controlled by Whites. The study ranges from the earliest black involvement in Hollywood to present feminist influences in black productions.

Black Caesars and Foxy Cleopatras Odie Henderson, 2024-02-06 The definitive account of Blaxploitation cinema, the freewheeling, often shameless and wildly influential genre from a distinctive voice in film history and criticism. In 1971, two films grabbed the movie business, shook it up, and launched a genre that would help define the decade: Melvin Van Peebles's *Sweet Sweetback's Baadasssss Song*, an independently produced film about a male sex worker who beats up cops and gets away; and Gordon Parks's *Shaft*, a studio-financed film with a killer soundtrack. Both were huge hits, making millions of dollars. *Sweetback* upended cultural expectations by having its Black rebel win in the end, and *Shaft* saved MGM from bankruptcy. Not for the last time did Hollywood discover that Black people went to movies too. The Blaxploitation

era was born Written by film critic Odie Henderson *Black Caesars* and *Foxy Cleopatras* is a spirited history of a genre and the movies that he grew up watching which he loves without irony but with plenty of self awareness and humor Blaxploitation was a major trend but it was never simple The films mixed self empowerment with exploitation base stereotypes with essential representation that spoke to the lives and fantasies of Black viewers The time is right for a reappraisal understanding these films in the context of the time and exploring their lasting influence

Stuller, 2010-01-30 From *Wonder Woman* to *Buffy Summers* *Emma Peel* to *Sydney Bristow* *Charlie's Angels* to *The Powerpuff Girls* Superwomen are more than just love interests or sidekicks who stand by their Supermen In her new book Stuller shows how the female hero in modern mythology has broken through the boy's club barrier of tradition and reveals the pivotal role of high heeled crime fighters in popular culture Featuring spies and sexuality daddy's girls and super mothers this is a comprehensive engaging and thought provoking guide to female detectives meta humans and action heroines as well as their creators directors performers and consumers The book also includes a glossary of modern mythic women from *Aeon* to *Zoe* as well as a foreword by acclaimed cultural commentator *Roz Kaveney* author of *Superheroes* *Capes and Crusaders in Comics and Films* published by I B Tauris April 2008

Divas on Screen Mia Mask, 2010-10-01 This insightful study places African American women's stardom in historical and industrial contexts by examining the star personae of five African American women *Dorothy Dandridge* *Pam Grier* *Whoopi Goldberg* *Oprah Winfrey* and *Halle Berry* Interpreting each woman's celebrity as predicated on a brand of charismatic authority Mia Mask shows how these female stars have ultimately complicated the conventional discursive practices through which blackness and womanhood have been represented in commercial cinema independent film and network television Mask examines the function of these stars in seminal yet underanalyzed films She considers Dandridge's status as a sexual commodity in films such as *Tamango* revealing the contradictory discourses regarding race and sexuality in segregation era American culture Grier's feminist camp performances in sexploitation pictures *Women in Cages* and *The Big Doll House* and her subsequent blaxploitation vehicles *Coffy* and *Foxy Brown* highlight a similar tension between representing African American women as both objectified stereotypes and powerful self defining icons Mask reads Goldberg's transforming habits in *Sister Act* and *The Associate* as representative of her unruly comedic routines while Winfrey's daily television performance as self made self help guru echoes *Horatio Alger* narratives of success Finally Mask analyzes Berry's meteoric success by acknowledging the ways in which Dandridge's career made Berry's possible

[The A to Z of African American Cinema](#) S. Torriano Berry, Venice T. Berry, 2009-09-02 On 4 July 1910 in 100 degree heat at an outdoor boxing ring near Reno Nevada film cameras recorded and thousands of fans witnessed former heavyweight champion *Jim Jeffries* reluctant return from retirement to fight *Jack Johnson* a black man After 14 grueling rounds Johnson knocked out Jeffries and for the first time in history there was a black heavyweight champion of the world At least 10 people lost their lives because of Johnson's victory and hundreds more were

injured due to white retaliation and wild celebrations in the streets Public screenings received instantaneous protests and hundreds of cities barred the film from being shown Congress even passed a law making it a federal offense to transport moving pictures of prizefights across state lines and thus the most powerful portrayal of a black man ever recorded on film was made virtually invisible This is but one of the hundreds of films covered in The A to Z of African American Cinema which includes everything from The Birth of a Nation to Crash In addition to the films brief biographies of African American actors and actresses such as Sidney Poitier James Earl Jones Halle Berry Eddie Murphy Whoopi Goldberg Denzel Washington and Jamie Foxx can be found in this reference Through a chronology a list of acronyms and abbreviations an introductory essay a bibliography appendixes black white photos and hundreds of cross referenced dictionary entries on actors actresses movies producers organizations awards film credits and terminology this book provides a better understanding of the role African Americans played in film history

Historical Dictionary of African American Cinema S. Torriano Berry, Venise T. Women of Blaxploitation Yvonne D. Sims,2015-03-26 With the Civil Rights movement of the sixties fresh in their perspective movie producers of the early 1970s began to make films aimed toward the underserved African American audience Over the next five years or so a number of cheaply made so called blaxploitation movies featured African American actresses in roles which broke traditional molds Typically long on flash and violence but lacking in character depth and development this genre nonetheless did a great deal toward redefining the perception of African American actresses breaking traditional African American female stereotypes and laying the groundwork for later feminine action heroines This critical study examines the ways in which the blaxploitation heroines of the early 1970s reshaped the presentation of African American actresses on screen and to a certain degree the perception of African American females in general It discusses the social political and cultural context in which blaxploitation films emerged The work focuses on four African American actresses Pam Grier Tamara Dobson Teresa Graves and Jeanne Belle providing critical and audience response to their films

as well as insight into the perspectives of the actresses themselves The eventual demise of the blaxploitation genre due to formulaic plots and lack of character development is also discussed Finally the work addresses the mainstreaming of the action heroine in general and a recent resurgence of interest in black action movies Relevant film stills and a selected filmography including cast list and plot synopsis are also included Instructors considering this book for use in a course may request an examination copy here
