Twelve Paradoxes of the Gospel

Cameron C. Taylor,2010-10-01 The gospel of Jesus Christ is filled with paradoxes Many of God's directions seem to be contrary to logic and reason On the surface they appear to have the opposite effect of the promised result This book explores twelve of these gospel paradoxes with powerful scriptures and stories from the lives of faith filled Christians The Paradox of Faith contains insight on faith from the Apostle Peter's experience walking on water with Jesus From The Paradox of Performance you will learn why the first shall be last and the last shall be first In The Paradox of Leadership you will read inspiring stories of servant leadership from the life of Jesus Christ Abraham Lincoln and the Founding Fathers The Paradox of Wisdom contains three lessons learned from Balaam's talking donkey found in the book of numbers The Paradox of Receiving contains insights on prayer and receiving gifts from God The Paradox of Pain answers the question of why bad things happen to good people The Paradox of Forgiveness contains great stories from the life of Leonardo Da Vinci and others on the power of forgiveness The Paradox of Wealth teaches principles every parent must know to raise productive self sufficient children and grandchildren The Paradox of Giving shows how giving actually makes you richer The Paradox of Fundamentals teaches how to apply in your life the formula legendary coach John Wooden used to create 10 national championship teams in 12 years

The Theological Role of Paradox in the Gospel of Mark Laura C. Sweat,2013 Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes christology and discipleship This book argues that paradoxical language pervades the entire narrative and that it serves a theological purpose in describing God's activity Part One focuses on divine action present in Mark 4 10 12 In the first paradox Mark portrays God's revelatory acts as consistently accompanied by concealment The second paradox is shown in the various ways in which divine action confirms yet counters scripture Finally Mark describes God's actions in ways that indicate both wastefulness and goodness deeds that are further illuminated by the ongoing yet defeated presence of evil Part Two demonstrates that this paradoxical language is widely attested across Mark's passion narrative as he continues to depict God's activity with the use of the three paradoxes observed in Mark 4 Through paradoxical narrative Mark emphasizes God's transcendence and presence showing that even though Jesus has brought revelation a complete understanding of God remains tantalizingly out of their grasp until the eschaton 4 22

Jesus'

Emotions in the Gospels Stephen Voorwinde, 2011-06-16 Examines the emotions of Jesus presented by in the gospels and shows how this may be applied in studying these texts *A Dictionary of Christ and the Gospels: Labour-Zion, with appendix and indexes* James Hastings, John Alexander Selbie, John Chisholm Lambert, 1908 *The Gospel of Mark* John R. Donahue, Daniel J. Harrington, 2005 In The Gospel of Mark Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism intratextuality and intertextuality This intratextual and intertextual reading of Mark s Gospel helps us to appreciate the literary character its setting in life and its distinctive approaches to the Old Testament Jesus and early Christian theology Intratextuality means we read Mark as Mark and by Mark Such a reading expresses interest in the final form of the Gospel not its source or literary history and in its words and images literary devices literary forms structures characterization and plot Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production Intertextuality comprises the relation between texts and a textual tradition and also referring to contextual materials not usually classified as texts e g archaeological data Intertextuality is used to note the links of the text of Mark s Gospel to other texts especially the Old Testament and to the life of the Markan community and of the Christian community today *Feasting on the Gospels: Chapters 1-9* Cynthia A. Jarvis, E. Elizabeth Johnson, 2015-01-01 Feasting on the Gospels follows up on the success of the Feasting on the Word series with all new material on the most prominent and preached on New Testament books the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels covers every single passage in the Gospels making it suitable for both lectionary and nonlectionary use Moreover these volumes incorporate the unique format of Feasting on the Word with four perspectives for preachers to choose from for each Gospel passage theological pastoral exegetical and homiletical Christ and the Bible, Third Edition John Wenham, 2009-08-01 Defense of the Bible begins with rational proofs for the historicity and accuracy of its documents Christ and the Bible places the argument for the authority of scripture squarely on Jesus With uncluttered logic and straightforward prose Wenham marshals Gospel evidence to show Jesus own view of Scripture that it is 1 historically accurate 2 authoritative 3 the standard for ethics and 4 the verbally inspired revelation of God He then considers why we should listen to Jesus when he makes such claims and why Christ s view should be the Christian view The study substantiates Jesus reliability influence on all New Testament writers Finally Wenham considers two related problems first which writings really belong in the Bible second the reliability of the text as now available The presentation is easy to read and understand This third edition updates and dialogs with recent developments Matthew's Memoirs of Jesus Christ: Or a Commentary on the Gospel According to Matthew. By James Morison ... Fourth Edition. [With the Text.] , 1875 **Jesus' Emotions in the Fourth Gospel** Stephen Voorwinde, 2005-10-08 This book seeks to discuss John s references to Jesus emotions in the light of the current debate regarding Johannine Christology The Fourth Gospel refers to Jesus love joy and zeal At times it also

portrays him as troubled deeply moved and in tears Do these expressions of emotion underscore Jesus humanity or his divinity The study is set against the background of the emotions of God as found in earlier Jewish literature as well as against that of the emotions of Jesus in the Synoptics and the remainder of the New Testament Voorwinde argues that the covenant provides the most consistent perspective for viewing both the emotions of Yahweh in the Old Testament and the emotions of Jesus in the Gospels The Johannine Jesus is found to fulfil the hitherto incompatible roles of covenant Lord and covenant sacrifice Rather than being expressive only of his humanity Jesus emotions are also found to underscore his divinity This is due to the unique genius of this Gospel with its paradoxical presentation of Jesus whose divinity is manifested most eloquently in his weakness suffering and death Only his tears at the grave of Lazarus can be explained as a human emotion pure and simple All the other emotions because of their strong connections to the cross highlight both Jesus humanity and divinity albeit for various reasons and in highly nuanced ways JSNTS 284
