

The Pass Of Morning

Henry Mortimer Durand

The Pass Of Morning:

Over the Pass Frederick Palmer, 2019-12-17 In Frederick Palmer's evocative novel *Over the Pass* readers are transported to the rugged landscapes of the American West during the early 20th century. Through his vivid prose and keen characterization, Palmer explores themes of adventure, resilience, and the complex relationship between man and nature. The narrative navigates the physical and emotional terrains of its characters, encapsulating the spirit of the era and the transformative power of the frontier. Drawing on elements of modernism, Palmer employs a strikingly descriptive style that immerses readers in both the beauty and perils of the wilderness, offering a profound meditation on the human condition.

Frederick Palmer, an esteemed American author and war correspondent, garnered vast experiences in diverse settings that greatly influenced his literary endeavors. His deep understanding of both conflict and camaraderie is evident in *Over the Pass*, reflecting the tribulations faced by those who ventured into uncharted territories. Palmer's own forays into the American landscape, coupled with his journalistic background, enriched his portrayal of characters struggling with monumental choices amidst changing times. *Over the Pass* is an essential read for those captivated by tales of exploration and introspection. Palmer's nuanced narrative not only tells a story of personal and geographical journeys but also invites readers to contemplate their own paths. This novel is a testament to the enduring spirit of the frontier, making it a pertinent addition to the shelves of any literary enthusiast.

A Narrative of the March and Operations of the Army of the Indus, in the Expedition Into Affghanistan in the Years 1838-1839, Under the Command of H.E. Lieut.-General Sir John (now Lord) Keane, G.C.B. & G.C.H., Commander-in-Chief William Hough, 1840 *Valentin Weigel* Valentin Weigel, 2003 The first English translations of key works of this important German thinker and theologian 1533-1588 accompanied by an introduction to the context and sources of his thought

The Capture of Attu Lt. Robert J. Mitchell, 2017-07-19 This book attempts to put the reader on the battlefield with the ground soldier. Men who fought on Attu, officers and enlisted men, told their stories to Lieutenant Robert J. Mitchell of the 32nd Infantry, one of the regiments engaged. Lieutenant Mitchell was wounded during the latter stage of the battle and while convalescing wrote the accounts which are now published as Part Two of the book. These stories tell of the discomforts and perils, the failures and successes, the fear and courage, the many fights between small groups and the occasional humor of which battle consists. In preparing these accounts for publication, every effort has been made to keep them as nearly as possible in the exact form in which they were written down by Lieutenant Mitchell. Consequently, a minimum of editorial changes has been made. Part One, written by Sewell T. Tyng, is an introduction in the form of a connected narrative of events leading up to the invasion of the Aleutian island of Attu and a detailed account of the battle which resulted in the capture of Attu by American forces. This narrative is based on official sources and on material collected by Captain Nelson L. Drummond Jr., Field Artillery, formerly of the Alaska Defense Command. Captain Drummond visited Attu shortly after the battle, studied the terrain, and interviewed participants of all ranks. The volume has been prepared in the War

Department under the supervision of the Military Intelligence Division Aerial photographs are by the 11th Air Force battle photographs are by the U S Army Signal Corps and terrain feature photographs are by Captain Drummond assisted by Private First Class A E Johnson 50th Engineer Regiment The panoramic sketch is based on an original by the 50th Engineer Regiment *A Narrative of the March and Operations of the Army of the Indus, in the Expedition to Affghanistan in the Years 1838-1839* William Hough,1841 The War of the Rebellion United States. War Department,1887 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published Accompanied by an atlas
