THE PASSION OF JOAN OF ARC

THE PASSION OF JOAN OF ARC

Spiritual rapture and institutional hypocrisy come to stark, vivid life in one of the most transcendent masterpieces of the silent era. Chronicling the trial of Joan of Arc in the hours leading up to her execution, Danish master Carl Theodor Dreyer depicts her torment with startling immediacy, employing an array of techniques—expressive lighting, interconnected sets, carefully chosen close-ups—to immerse viewers in her subjective experience. Anchoring Dreyer's audacious formal experimentation is a legendary performance by Renée Falconetti, whose haunted face channels both the agony and the ecstasy of martyrdom.

**Femininity and Psychoanalysis** Agnieszka Piotrowska,Ben Tyrer,2019-05-29 For Freud famously the feminine was a dark continent or a riddle without an answer This understanding concerns man s relationship to the question of woman but femininity is also a matter of sexuality and gender and therefore of identity and experience Drawing together leading academics including film and literary scholars clinicians and artists from diverse backgrounds Femininity and Psychoanalysis Cinema Culture Theory speaks to the continued relevance of psychoanalytic understanding in a social and political landscape where ideas of gender and sexuality are undergoing profound changes This transdisciplinary collection crosses boundaries between clinical and psychological discourse and arts and humanities fields to approach the topic of femininity from a variety of psychoanalytic perspectives From object relations to Lacan to queer theory the essays here revisit and rethink the debates over what the feminine might be The volume presents a major new work by leading feminist film scholar Elizabeth Cowie in which she presents a first intervention on the topic of film and the feminine for over 20 years as well as a key essay by the prominent artist and psychoanalyst Bracha Ettinger Written by an international selection of contributors this collection is an indispensable tool for film and literary scholars engaged with psychoanalysts and anybody interested in different approaches to the question of the feminine

**Digital Scholarly Editions Beyond Text** Tessa Gengnagel,2024-02-07 Scholarly editions contextualize our cultural heritage Traditionally methodologies from the field of scholarly editing are applied to works of literature e g in order to trace their genesis or present their varied history of transmission What do we make of the variance in other types of cultural heritage How can we describe record and reproduce it systematically From medieval to modern times from image to audiovisual media the book traces discourses across different disciplines in order to develop a conceptual model for scholarly editions on a broader scale By doing so it also delves into the theory and philosophy of the digital humanities as such

**The Medieval Filmscape** William F. Woods,2014-02-10 This book is an attempt at defining the genre of medieval film by describing its features and analyzing its effects and their significance there being few works presently available that work toward such definition There are three parts the introduction enters the medieval film world describing its typical features and showing how they create a convincing sense of its time three short chapters discuss authenticity simplicity and spectacle the roots of film medievalism and six longer chapters comment on individual films Works are discussed that extend the reach of the genre such as Dreyer s La Passion de Jeanne d Arc with its emotional range or Bergman s Seventh Seal which creates a universal symbolism The author describes what goes into a medieval film and how it affects its audience while offering

suggestions about why its themes are meaningful to us

### **Gothic Imagination in Latin American Fiction and Film**

Carmen A. Serrano, 2019-05-15 This work traces how Gothic imagination from the literature and culture of eighteenth and nineteenth century Europe and twentieth century US and European film has impacted Latin American literature and film culture Serrano argues that the Gothic has provided Latin American authors with a way to critique a number of issues including colonization authoritarianism feudalism and patriarchy The book includes a literary history of the European Gothic to demonstrate how Latin American authors have incorporated its characteristics but also how they have broken away or inverted some elements such as traditional plot lines to suit their work and address a unique set of issues The book examines both the modernistas of the nineteenth century and the avant garde writers of the twentieth century including Huidobro Bombal Rulfo Roa Bastos and Fuentes Looking at the Gothic in Latin American literature and film this book is a groundbreaking study that brings a fresh perspective to Latin American creative culture

The Oxford Handbook of Music and Medievalism Stephen C. Meyer, Kirsten Yri, 2020-03-02 The Oxford Handbook of Music and Medievalism provides a snapshot of the diverse ways in which medievalism the retrospective immersion in the images sounds narratives and ideologies of the European Middle Ages powerfully transforms many of the varied musical traditions of the last two centuries Thirty three chapters from an international group of scholars explore topics ranging from the representation of the Middle Ages in nineteenth century opera to medievalism in contemporary video game music thereby connecting disparate musical forms across typical musicological boundaries of chronology and geography While some chapters focus on key medievalist works such as Orff's Carmina Burana or Peter Jackson's Lord of the Rings films others explore medievalism in the oeuvre of a single composer e.g. Richard Wagner or Arvo Pärt or musical group e.g. Led Zeppelin The topics of the individual chapters include both well known works such as John Boorman's film Excalibur and also less familiar examples such as Eduard Lalo's Le Roi d'Ys The authors of the chapters approach their material from a wide array of disciplinary perspectives including historical musicology popular music studies music theory and film studies examining the intersections of medievalism with nationalism romanticism ideology nature feminism or spiritualism Taken together the contents of the Handbook develop new critical insights that venture outside traditional methodological constraints and provide a capstone and point of departure for future scholarship on music and medievalism
