Preaching Grace Kennon L.

Callahan,1999-06-02 Preaching today says Kennon Callahan is less about law and more about grace It is about inviting people to discover God's grace perhaps for the first time and touching their lives in a powerful personal helpful way Callahan who has helped tens of thousands of church leaders and pastors through his dynamic workshops and seminars sees the sermon as a shared event for the pastor and the congregation who are gathered to discover the good news for this day and the week to come He sees preaching as a sign of grace compassion community and hope Preaching Grace encourages pastors to develop the approach to preaching that matches with their unique gifts and strengths Through focusing on these strengths pastors will discover more fully their own personal preaching style and advance the sermons that will stir and inspire their congregations to discover the grace of God the compassion of Christ and the healing hope of the Holy Spirit

Inductive Preaching Ralph L. Lewis, Gregg Lewis, 1983-08-01 I spend hours in my study and on my knees preparing sermons but when I preach them no one listens What's wrong Why aren't I getting through Why do I see blank stares daydream reveries nodding heads as soon as I open my mouth to preach I know my messages are biblically sound I m sure I m preaching what God has laid on my heart But it s not being received What s wrong What can I do Sound familiar If you re a preacher you probably know the feeling But it doesn't have to be that way You can learn to preach in a way that will be readily even eagerly received by your congregation It s all here what inductive preaching is how it works why it s effective who s used it including Jesus Peter Paul Augustine St Francis Wesley Edwards and Moody to name only a few Also included are Step by step guidelines for constructing an inductive sermon Two sample inductive sermons A list of 96 inductive preachers from 20 centuries A strategy for making traditional sermon structures inductive A checklist of inductive characteristics. The principles in this book can dramatically increase your sermon effectiveness turn apathy into involvement make listeners out of the listless Inductive preaching is preaching that works When God Speaks through You Craig A. Satterlee, 2007-12-10 Holy and active listening means listening openly and attentively to one another with the expectation that God will speak in and through the conversation In When God Speaks through You homiletics professor Craig Satterlee helps preachers and their congregations learn to listen to one another with such grace Satterlee demonstrates how individuals and groups can identify clarify and articulate their convictions about the Christian faith and share them in a nonthreatening manner He also helps readers discover their expectations of and reactions to preaching itself The preacher will come to better know what people listen for and parishioners will better understand what the preacher hopes to accomplish in the sermon Creating discussion groups about preaching frequently results in spiritual growth renewal deeper appreciation for difference new perspective and motivation for the preacher and the discussion group members and through them the congregation These conversations can prepare congregations for broader conversation about how people s faith convictions shape both their lives and the congregation s worship life together and mission Preaching to People in Pain

Matthew D. Kim,2021-05-18 Offering an important corrective to a pain averse culture that celebrates individualism and success experienced preacher and teacher Matthew Kim encourages pastors to preach on the painful issues their congregations face Through vulnerability and self disclosure pastors can help their congregants share their suffering in community for the purpose of healing and transformation The book includes stories shares relevant Scripture texts imparting biblical wisdom and offers best practices for preaching on specific topics Each chapter ends with discussion questions and a sample sermon
