**Why the Dalai Lama Matters** Robert Thurman, 2008-06-03 His Holiness the Dalai Lama is an extraordinary example of a life dedicated to peace communication and unity What he represents and what he has accomplished heals and transcends the current tensions between Tibet and China Why the Dalai Lama Matters explores just why he has earned the world's love and respect and how restoring Tibet's autonomy within China is not only possible but highly reasonable and absolutely necessary for all of us together to have a peaceful future as a global community In the few decades since the illegal Chinese invasion of Tibet Tibetans have seen their ecosystem destroyed their religion language and culture repressed and systematic oppression and violence against anyone who dares acknowledge Tibetan sovereignty Yet above it all the Dalai Lama has been a consistent voice for peace sharing a Middle Way approach that has gathered accolades from the Nobel Peace Prize to the U S Congressional Gold Medal Modeling this peaceful resistance shows the world that nobody is free unless everybody is free and that a solution exists that can benefit all parties not just one And more than just his nation have taken notice His inter religious dialogues honest humble demeanor and sense of compassionate justice sets him apart in a world at war with itself When China changes policy and lets Tibetans be who they are Tibet can in turn join with China in peaceful coexistence Why the Dalai Lama Matters is not merely a book about Tibet or the Dalai Lama It is a revealing provocative solution for a world in conflict dealing with the very fundamentals of human rights and freedoms By showing the work that the Dalai Lama has done on behalf of his people Thurman illuminates a worldwide call to action showing that power gained by might means nothing in the face of a determined act of truth
