across into English Master Huineng's plain spoken forthright style As Professor Verhoeven writes Readers inclined to see Buddhist writings as abstruse metaphysical treatises will find The Platform Sutra refreshingly artless and spare Those expecting a sutra to delve into the supernatural and otherworldly will be surprised at how down to earth and here and now this text is The Platform Sutra is humanistic to its core As Huineng says in a verse The Buddha Dharma is right here in the world There is no awakening apart from this world The essence of the Sixth Patriarch's philosophy is that all beings have the buddha nature all can become Buddha Full awakening is not a future state or a distant place but exists right within your own mind directly and immediately available The text presents a powerful and resounding vision of unbounded human potential waiting to be fully realized if only we could see it *Travancore Law Reports* ,1926 **Legends of the Patriarchs and Prophets and Other Old Testament Characters from Various Sources** Sabine Baring-Gould,1884 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1904 *In the Shadow of the Caesars: Jewish Life in Roman Italy* Samuele Rocca,2022-09-19 The main contribution of this book is that it tries to determine how the Jews answered the challenges of Roman society Thus the book presents a refreshing approach to the nature of the Roman attitude toward Judaism and the Jews In addition it provides the first detailed examination of the demography and geography of the Jewish communities in Roman Italy The book also offers a new look at the legal standing of the Jewish communitarian organization Last but not least this study also addresses the various facets of the culture of the Jews living in Roman Italy *The Latin Church in the Crusader States* Bernard Hamilton,2016-12-05 This is the first major work on the history of the secular church in the Frankish states of Syria and the Holy Land a subject which has not hitherto attracted the interest of ecclesiastical historians The present book has been written to fill this important gap in crusader studies It deals with the period stretching from the establishment of a Latin hierarchy after the First Crusade to the final conquest by the Mamluks in 1291 Dr Hamilton examines the development of the Church in the Patriarchates of Jerusalem and Antioch and its organisation from the parish level upwards Two chapters are devoted to a study of its sources of income and the financial problems that arose after the Battle of Hattin through the thirteenth century Particular attention is paid to the relations between the Latin and the Eastern Churches The author documents the unequal treatment given to the Orthodox and to the separated Churches and traces the course of the various attempts at church union In his conclusion he makes an overall assessment of the spiritual achievements of the Church during this period and the extent to which it justified the first crusaders ideals **Cyclopædia of Biblical, Theological, and Ecclesiastical Literature** John McClintock,1894 *Diversions of a Diplomat in Turkey* Samuel Sullivan Cox,1893 **Hakluytus Posthumus** Samuel Purchas,1905
