The Pearl Poet:

Pearl (Dodo Press) Poet Pearl Poet, 2009-07 The Pearl Poet or the Gawain Poet is the name given to the author of Pearl an alliterative poem written in 14th century Middle English Its author appears also to have written the poems Sir Gawain and the Green Knight Patience and Cleanness some scholars have suggested he may also have composed Saint Erkenwald Save for the latter all these works are known from a single surviving manuscript This body of work includes some of the greatest poetry written in Middle English The Pearl Poet is in modern scholarship most often identified as John Massey a member of the landed gentry from Cheshire *The Complete Works of the Pearl Poet* Malcolm Andrew, Ronald A. Waldron, Clifford Peterson, 1993-04-06 Finch's translations will add much to the pleasure and value of teaching and learning late medieval English history Robert Brentano author of *Two Churches* Casey Finch has found an idiom in which these poems can speak Modern English and in doing so can convey the most elusive and complex effects of the originals He has conveyed the vitality of these poems in a verse that is as assured gracious blunt urgent plangent rich and perpetually surprising as that of the unknown poet or poets who made them These brilliant poems have at last found a craftsman who understands the secrets of their intricate luminosity a faithful steward of a distinctive verbal treasure of the language In this translation these poems shine as brightly and clearly as they did when newly made pearls without peer in English Anne Middleton University of California Berkeley **The Poems of the Pearl Manuscript** Malcolm Andrew, Ronald Waldron, 1982 This third edition of *The Poems of the Pearl Manuscript* has been newly revised and updated taking account of some of the more important textual and interpretative notes and articles published on the poems since the appearance of the first edition in 1978 **The Epistemological Perspective of the Pearl-Poet** Piotr Spyra, 2016-02-17 Original and engaging this study presents the four anonymous poems found in the Cotton Nero MS Pearl Cleanness Patience and Sir Gawain and the Green Knight as a composite text with a continuous narrative While it is widely accepted that the poems attributed to the Pearl Poet ought to be read together this book demonstrates that instead of being analyzed as four distinct though interconnected textual entities they ought to be studied as a single literary unit that produces meaning through its own intricate internal structure Piotr Spyra defines the epistemological thought of Saint Augustine as an interpretive key which when applied to the composite text of the manuscript reveals a fabric of thematic continuity This book ultimately provides the reader with a clear sense of the poet's perspective on the nature of human knowledge as well as its moral implications and with a deeper understanding of how the poems bring the theological and philosophical problems of the Middle Ages to bear on the individual human experience **Pearl**, 1995 The anonymous author of the poem Pearl is rated with Langland and Chaucer as one of the greatest Middle English poets And while a number of editions of this poem have been published including E V Gordon's 1953 edition and Marie Borroff's 1977 verse translation no edition until now has included a verse translation Middle English text and commentary in one volume William Vantuono's edition of Pearl is certain to become a classroom standard because it

contains for the first time a Middle English text with a facing page Modern English verse translation as well as extensive scholarly apparatus Pearl is the first of four poems in a manuscript dated around 1400 A D The other three poems in this manuscript are Cleanness Patience and Sir Gawain and the Green Knight According to Vantuono s introduction it is conceivable that Pearl was written for a nobleman perhaps the poet s patron who had lost a young daughter However many unanswered questions remain about the circumstances surrounding the poet and his writing of Pearl Was he a layman or a priest Is Pearl primarily elegy or allegory Was the pearl maiden his daughter and if she was can that fact be reconciled with the possibility that the poet was a clergyman This volume contains an extensive commentary covering all matters from minute textual problems to the various debates about the poem s theme and genre Appendices discuss versification dialect and language and sources and analogues two bibliographies list over 500 items through the early 1990s and the book concludes with a full glossary Pearl An Edition with Verse Translation will appeal to scholars confronted with the tasks of studying and teaching medieval literature to students in college and university classrooms It is a book designed for specialists and non specialists students and general readers

The Pearl-poet Charles Moorman,1968 The Pearl Poet Revisited Sandra Pierson Prior,1994 Throughout Curley guides readers gracefully through complex highly influential works of not just the Middle Ages but indeed Western civilization amply demonstrating the power of Geoffrey s contribution to British historiography and cultural myth The Pearl Sophie Jewett,2015-07-30 The Pearl Poet or the Gawain Poet is the name given to the author of Pearl an alliterative poem written in 14th century Middle English Its author appears also to have written the poems Sir Gawain and the Green Knight Patience and Cleanness some scholars suggest the author may also have composed Saint Erkenwald Save for the latter found in BL MS Harley 2250 all these works are known from a single surviving manuscript the British Library holding Cotton Nero A x This body of work includes some of the greatest poetry written in Middle English The Pearl Poet remains unidentified Some scholarship has argued to assign the poem to one John Massey a member of the landed gentry from Cheshire This attribution of the poems of Cotton Nero A x is not widely accepted however reflected in the ongoing use of the labels Pearl Poet or Gawain Poet

Kean,2019-07-02 Originally published in 1967 The Pearl looks at the anonymous fourteenth century poet of Pearl The book argues that the poem ranks in importance and interest with that of Chaucer and Langland but suggests that it has always proved more difficult to approach to the modern reader The aim of this book is to clear away some of the difficulty through a close examination of the material

the poet had to draw on and the poet's use of this in the organisation of the poem. The main themes are established through detailed analysis of the poem which is seen as much more than either a lament for an individual or the mere figurative presentation of an idea. **Did the "Pearl Poet" Write Pearl?** Göran Kjellmer, 1975 **The Epistemological**

Perspective of the Pearl-Poet Piotr Spyra, 2016-02-17 Original and engaging this study presents the four anonymous poems found in the Cotton Nero MS Pearl Cleanliness Patience and Sir Gawain and the Green Knight as a composite text with a continuous narrative. While it is widely accepted that the poems attributed to the Pearl Poet ought to be read together, this book demonstrates that instead of being analyzed as four distinct though interconnected textual entities, they ought to be studied as a single literary unit that produces meaning through its own intricate internal structure. Piotr Spyra defines the epistemological thought of Saint Augustine as an interpretive key which, when applied to the composite text of the manuscript, reveals a fabric of thematic continuity. This book ultimately provides the reader with a clear sense of the poet's perspective on the nature of human knowledge as well as its moral implications and with a deeper understanding of how the poems bring the theological and philosophical problems of the Middle Ages to bear on the individual human experience.

Sir Gawain and the Green Knight Pearl Poet, 2017-09-11 Sir Gawain and the Green Knight: A modernisation by A S Kline. Written in Middle English of the late Fourteenth Century, Sir Gawain and the Green Knight survives in a single manuscript which also contains three religious poems, including Pearl, written, it seems, by the same author who is therefore referred to as The Pearl Poet. The poem tells the story of an incident at the court of King Arthur involving Sir Gawain's acceptance of a challenge from the mysterious Green Knight and leading to a test of his chivalry and courage. The poem is a lively, atmospheric and cleverly paced example of a quest tale from which the hero emerges chastened and wiser and contains an interesting mix of Celtic, French and English motifs. There are many and varied interpretations of the themes and symbols contained in the story and echoes are found in many other folklore tales and legends.
