Of Myth & Magic Hannah E. Carey, 2023-03-08 Start your next great series with this epic romantic fantasy first in series starter collection Dive into the Celtic even if it costs her soul Take a fantastical journey with these four heroines and dive into the Celtic Roman inspired worlds of Pern Coen Kelnore with this four book series starter collection Enter the world of royalty shapeshifters warriors outlaws and seers as you get lost in tales full of strong heroines political intrigue gripping adventure a touch of magic and low spice romance *Of Myth Magic* includes *The Duchess Tales of Kelnore* *The Hunter Tales of Pern Coen* *The Betrayer Tales of Pern Coen* and *The Shifter Legends of Pern Coen*

The Duchess Tales of Kelnore A Bloodlines Prequel Their love is forbidden but she's willing to pay the price The daughter of an Emperor Faustina has been raised to be two things beautiful and silent As her wedding draws near she has resigned herself to the fate of a lonely and loveless marriage until a chance meeting with a stranger from the far north promises to alter her future

The Hunter Tales of Pern Coen *Bloodlines* Book 1 Strange shores strange Spirits and an outlaw who should be her enemy but might just steal her heart After she's forced to flee everything she's ever known in order to save her own life Duchess Rhiannon of Solis finds herself in the middle of a war torn land She seeks safety on the island of Pern Coen though she knows little of the strange land and its even stranger Spirits But she can't outrun the secrets of her heritage and a stroke of fate leaves her at the mercy of a band of rebels led by a notorious outlaw a man the people of the island call the Hunter

The Betrayer Tales of Pern Coen *Legacy* Book 1 Niall never imagined he would become king nor did he ever imagine that he would be granted a powerful gifting from the Spirits His unnatural power however has proven to be no great gift for it has already cost him the woman he loves and it threatens to cost him his kingship His people already don't trust him and if they knew of his power they would view him as nothing more than a monster He fears that his biggest danger lies within his own court but what he doesn't know is that trouble is brewing in the north and it's being stirred by his own brother

The Shifter Legends of Pern Coen *Fated* Book 1 In the wake of King Cadfael's Shifter Purge Bran has found himself driven from his home and being hunted for the shapeshifting gift he was born with His desperation led him to swear his loyalty to a man who has vowed to see Cadfael brought to ruin until a chance encounter with the king's daughter leaves Bran questioning his future Seren saved his life years ago and his memories of her and of his old life aren't so easily forgotten But there's more danger lurking in Blaidd than the clan's twisted king Seren's abilities as a seer have shown her that a darkness is coming and that a dangerous Dark Spirit of the island Fianna has been woken Fianna's fiery flames could bring the clan to the brink of destruction but Seren continually finds her warnings ignored

and her abilities belittled She seeks allies in her father's court including seeking aid from one of his youngest advisors but even those allies might be unwilling to fully defy their tyrant king Despite Cadfael's unwillingness to protect the clan from Fianna's flames Seren has vowed to destroy the dangerous Spirit But unbeknownst to her Bran has sworn his loyalty to it

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
