

A long, straight road stretches into the distance, flanked by fields and trees. The sky is a mix of orange, red, and purple, suggesting a sunset or sunrise. The road is illuminated by a warm light, and the overall scene is serene and contemplative.

Many times there is no perfect solution for a given problem. No solution is also a solution. Everything depends upon how you look at it. We make judgements on others depending on what we think of them.

Ultimate Power Negotiating for Salespeople Master Course Roger Dawson, 2023-09-12 Negotiating is a fact of life for everyone. But it's crucial for anyone in sales. Here Roger Dawson explains the ins and outs of power negotiation, a process with its own secret rules and procedures. Knowing these rules will enable you to negotiate intelligently and honestly in sales and in any other area of life. Power negotiating is not what you think. It's an art and a science for reaching an outcome where both parties feel that they've won. This densely packed and easy to understand book will give you a wealth of information including: What makes a power negotiator? Why you should always turn down the first offer. The single most important expression you can use in negotiation. How to nibble for added advantages and how to keep someone from nibbling at you. How to adapt your negotiation to different personality styles. Using powerful techniques such as invoking higher authority and good guy/bad guy. Turning pressure points to your advantage. Resolving obstacles to successful outcomes. Adapting your negotiating style to people of other cultures. The real secret to a win-win solution. And much much more. If you'll learn and apply the secrets in this book you'll never again feel that you've lost in a negotiation.

The No. 1 Secret of Thriving Your Leadership Influence Dr. Amat Taap Manshor, 2020-10-11 High impact speaking and presenting comes with various obstacles and every so often even the most experienced speakers and presenters find them challenging to overcome. As essential as communication skills might be, many people are still struggling to master it. This book provides an in-depth look at the typical issues surrounding this most sought-after leadership skill. It highlights the practice of a method that was developed by the author based on his numerous years of experience in the industry: the ABC Method. Each principle of the ABC Method—Aspiration, Behaviour, Connection—is by itself fundamental to the equation and when combined provides clarity and a clear sense of direction which eventually meets the expectations of the audience. The ABC Method is thoroughly explained in this book and the author has included real-life examples of concerns and challenges pertaining to communication skills and how to individually address them. This along with the author's effective tips and techniques on how you can improve the skill has proven to be useful in shaping successful speakers and presenters.
