The Peril Of Faith:

The Peril of Faith Martin L. Bard, 1985-01-01 **The Faith of Jesus** Herbert E. Douglass, 2002 The fundamental misunderstanding of faith Herbert E Douglass writes is one of the crucial reasons not only for the multiplicity of Christian churches but also for the wide variances interpreting almost every Biblical doctrine For example Seventh day Adventist discussing the issue of righteousness by faith focus their attention on such terms as justification sanctification and even righteousness and make the too often erroneous assumption that everyone understands the nature of faith itself What is faith It is intellectual assent a deep conviction a trust in something or someone or what Revelation 14 12 declares that God s people before His return will have the faith of Jesus What is the faith of Jesus **Martin Luther's Understanding of Faith and Reality (1513-1521)** Ilmari Karimies, 2022-08-03 Ilmari Karimies investigates Martin Luther s understanding of reality and faith He examines Luther s understanding of reality from three perspectives firstly God as the self giving highest good uniting opposites and hiding beneath them secondly the visible and invisible world and thirdly human beings as tripartite body soul spirit and bipartite flesh spirit The author explores the cognitive conflict between these in relation to spirit s grasping of God and the invisible world with reference to Augustinian Platonism He analyses aspects of faith from the perspective of the theory of divine illumination and shows that Luther represents a realistic Augustinian view Faith functions as the theological intellect grasping the invisible world and showing human beings the future good in a manner similar to the medieval notion of ecstatic knowledge It differs from vision in glory because of sin as mixed with humanity and as partial knowledge **The Christian Doctrine of Faith** James Hastings, 1919 **On Divine Revelation: The Teaching of the Catholic Faith Vol. One** Fr. Reginald Garrigou-Lagrange, 2022-05-27 In *On Divine Revelation* one of Garrigou Lagrange s most significant works here available in English for the very first time he offers a classic treatment of this foundational topic It is an organized and thorough defense of both the rationality and supernaturality of divine revelation He presents a careful yet stimulating account of the scientific character of theology the nature of revelation itself mystery dogma the grace of faith the powers of human reason false interpretations thereof rationalism naturalism agnosticism and pantheism the motives of credibility and much more Though written a century ago *On Divine Revelation* will restore confidence in theology as a distinct and unified science and return focus to the fundamental questions of the doctrine of revelation It also serves as a salutary corrective to contemporary theology s anthropocentrism and concern with what is relative in revelation and religious experience by reorienting our theological attention to what is most certain central and sure in our knowledge of divine revelation the Triune God who has revealed his inner life and salvific will Readers will see the great splendor of the gift of divine revelation radiant with credibility before the gaze of reason and drawing our supernatural assent to the mysteries through the gift of faith As Fr Cajetan Cuddy O P observes *On Divine Revelation* is a stunning work of inestimable value No other subsequent work on this topic has come close to meeting it much less surpassing it *For the Faith* Evelyn

Everett-Green,2018-09-21 Reproduction of the original For the Faith by Evelyn Everett Green For the Faith Evelyn Everett-Green,1902 **Annals of the Propagation of the Faith** ,1844 *The Meaning of Faith* Harry Emerson Fosdick,2022-09-04 In *The Meaning of Faith* Harry Emerson Fosdick navigates the intricate landscapes of belief and spirituality during a time of profound cultural transformation in the early 20th century Crafted with a blend of eloquence and clarity Fosdick employs a narrative style that is both accessible and intellectually engaging aiming to demystify faith for an increasingly skeptical audience The book explores the essence of faith as a dynamic force in daily life emphasizing the emotional and ethical dimensions of belief while critiquing rigid dogmas that can stifle personal spiritual growth Fosdick a distinguished American minister and theologian emerged as a pivotal figure in the liberal Christian movement advocating for a faith that harmonizes with modernity His experiences as a pastor along with his commitment to social justice and psychological insights profoundly influenced his approach *The Meaning of Faith* encapsulates his desire to reconcile the inherent tensions between traditional dogmas and the evolving human experience providing readers with both comfort and challenge in their spiritual journeys This book is highly recommended for anyone seeking a deeper understanding of spirituality in contemporary life Fosdick s articulate and heartfelt reflections provide a foundation for exploring personal beliefs making *The Meaning of Faith* an essential read for both laypersons and theologians alike **Old Testament Heroes of the Faith** Frank Theodosius Lee,1920 *The Christian Faith* Claude B. Moss,2005-04-11 from the Preface The subject of this book is not apologetics but dogmatics that is it is intended primarily not for those who are outside but for those who are inside the Christian fold It is our duty as Christians to try to bring all men to the knowledge of the truth but we cannot do so unless we ourselves know clearly what the Christian religion is The lectures on which this book is based were given through many years to Anglican candidates for ordination and were at all times subjected to their criticism Readers are warned as they were warned to take no statement for granted but to check it for themselves No belief is really ours until we have made it our own St John 4 42 This book is intended chiefly for members of the Anglican churches which though they have no doctrines peculiar to themselves have a standpoint and an emphasis of their own which is given here without qualification or apology For this reason more space is devoted to Anglican authority formularies and organization than might otherwise be justified **The Meaning of Faith** Harry Emerson Fosdick,1917 A book on faith has been for years my hope and intention And now it comes to final form during the most terrific war men ever waged when faith is sorely tried and deeply needed Direct discussion of the war has been purposely avoided the issues here presented are not confined to those which the war suggests but many streams of thought within the book flow in channels that the war has worn Since the conflict had to come I am glad for this book s sake that it was not written until it had Europe s holocaust for a background Against one misunderstanding the reader should be guarded If anyone approaches these studies expecting to find detailed and special views of Christian doctrine he will be disappointed The perplexities of mind and life and the affirmations of religious faith

with which these studies deal lie far beneath sectarian doctrinal controversy I have tried to make clear a foundation on which faith might build its thoughts of Christian truth And while I have spoken freely of God and Christ and the Spirit of the Cross and life eternal I have not intended or endeavored a complete theology Preface **A minister's remembrance to his former parishioners, embracing some illustrations of faith, privilege, and practice** Minister,1842 The Jewish faith, a sermon Nathan Marcus Adler,1848 Europe and the Faith Hilaire Belloc,1921 **Europe and the Faith** Hilaire Belloc,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Can I Join the Church of Rome While My Rule of Faith is the Bible?** César Malan,1844 **The Obedience of Faith** Levi Silliman Ives,1849 **Faith in Hebrews** Victor (Sung Yul) Rhee,2019-05-15 Victor Sung Yul Rhee argues that faith in Hebrews is both christologically and eschatologically oriented In response to the assertion that faith in Hebrews is removed from Christ he contends that the author of Hebrews portrays Jesus as both the model and object of faith Rhee also maintains that the eschatological outlook in Hebrews is not the Hellenistic concept of visible and invisible reality but the temporal orientation of present and future The ethical aspects of faith must be interpreted within the context of Christology and eschatology to have a proper understanding of faith in Hebrews **The Rule of Faith, as Maintained by the Fathers and the Church of England** Edward Bouverie Pusey,1851
