The Perilous Persidency

Horatio Alger (Jr.)

The Perilous Persidency:

The Perilous Presidency Bernard Hirschhorn, 1979 Discusses such issues of the 20th century Presidency as Does the President have too much power or insufficient power to do his job and Does it matter who becomes President The Contemporary American President Robert E DiClerico, 2016-12-05 Debuting in its first edition The Contemporary American President explores the potential and limitations of presidential influence in times of rising public expectation for the office and the declining ability of presidents to meet it It focuses on six major areas concerning the presidency selection power accountability decision making personality and leadership and offers an appreciation of the challenges of the office as the institution attempts to function in an increasingly controversial political environment The Semi-sovereign Presidency Charles Tiefer, 2019-07-11 In The Semi Sovereign Presidency Capitol Hill insider Charles Tiefer shows how George Bush used the executive office to circumvent Congress thwart official Washington and confound the public will Even Bush partisans may be surprised to discover the president's unprecedented use of executive signing statements to modify or in effect abrogate acts of Congress even popular bipartisan efforts like the 1991 Civil Rights Act his commissioning of the Quayle Council to derail regulatory legislation such as the Clean Air Act of 1990 and his catapulting of the National Security Council into foreign policy prominence outstripping that of the Departments of Defense and State As Tiefer details for the first time here Iraqgate the hidden courtship of Saddam Hussein prior to the Gulf War is perhaps the most dramatic example of Bush's executive fiat a relationship conducted by way of Bush National Security Directives and similarly obscured from the public eye Bush chose an essentially negative approach to governing partly because he was unwilling to engage Congress on matters of principle head to head and was equally unwilling to make his principles public addressing himself to the nation as his predecessor had so effectively done But as Tiefer persuasively argues it was Bush's belief in the sovereignty of executive power an almost monarchical conception of the presidency that was his primary modus operandi and ultimately his downfall Bush and his approach to power are interesting not just to students and scholars of the presidency but to all citizens concerned about the country and its leadership **Direct Popular Election of the President and Vice President of the**

United States United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1979

Legitimacy in the Academic Presidency Rita Bornstein, 2003-09-30 How did the 1990s and early 21st century impact the evolution of the college presidency The legitimacy and performance of higher education were called into question during this period and respect for some of its leaders declined An economic downturn and the concomitant change of student enrollment patterns have required presidents to lead in compromised conditions The new emphasis on financial management and fund raising has opened the job of academic president to those with nontraditional backgrounds These new presidents must gain legitimacy differently from those of more traditional backgrounds who are struggling with their own legitimacy challenges In order to understand legitimacy Bornstein has applied theory from the social sciences and higher education

literature proposing five factors that influence presidential legitimacy Individual Institutional Environmental Technical and Moral She also proposes six threats to legitimacy Lack of Cultural Fit Management Incompetence Misconduct Erosion of Social Capital Inattentiveness and Gradiosity In light of these threats she suggests strategies for gaining and maintaining legitimacy This book focuses on the impetus for leading change Bornstein draws on numerous sources for a theoretical perspective on the factors associated with the president's role in creating legitimate change She proposes a construct of four factors to implement legitimate change Presidential Leadership Governance Social Capital and Fund Raising The concepts of transformational and transactional leadership are examined for their ability to facilitate change Bornstein finds their effectiveness limited and proposes transformative leadership a contextual approach that fits between transformational and transactional leadership in the conceptual continuum Since presidents are often recruited on the basis of their academic experience their legitimacy depends on securing resources to strengthen or transform their institution fund raising is essential

Fina The Beleaguered Presidency Aaron Wildavsky, 2017-07-28 Since the presidency of Lyndon Johnson between 1963 and 1968 there is much reason to believe that the executive office is in trouble For the past twenty five years presidents have been subject to continuing criticism with dissatisfaction rising approval rates falling and demands becoming impossible to meet Is it that Americans have become an unlucky people whose noble virtues have been undermined by the unfortunate fact that they keep nominating and electing bad presidents Or is there a systemic reason for a beleaguered presidency in the rise of an egalitarian culture amplified through the media which is opposed to authority This book confronts these questions and inquires into their consequences for presidential behavior In Wildavsky's view the growth of political discord since the sixties opposing views on policy matters and social issues ranged along egalitarian versus hierarchical lines has created a demarcation between a past presidency in which national leaders had a chance to do well and present and future presidents seeking to adapt to their slim chances of leaving office with their reputations intact Wildavsky demonstrates how various recent presidents have attempted to escape or overcome their beleaguered status by such devices as focusing on only a few issues or shedding responsibility or blame to other actors or treating policy problems as if they were essentially administrative in nature The book analyzes the wide divergence on public policy among Democratic and Republican activists and assesses the efforts of presidents from Nixon through Bush to cope at times successfully often not with these divisions The final chapters contrast the ideological presidency of Ronald Reagan with the procedural presidency of George Bush Both are considered in the context of a governmental system that requires leadership but does not often support it The final chapter is the first effort to make sense out of George Bush's relative lack of interest in

The Development of the American Presidency Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American Presidency pays great attention to that historical weight but is organized

topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book s lessons

A History of the Presidency Edward Stanwood,1898

The American Presidency Sidney M. Milkis,Michael Nelson,2019-02-12 The American Presidency examines the constitutional foundation of the executive office and the social economic political and international forces that have reshaped it Authors Sidney M Milkis and Michael Nelson broadly examine the influence of each president focusing on how these leaders have sought to navigate the complex and ever changing terrain of the executive office and revealing the major developments that launched the modern presidency at the dawn of the twentieth century By connecting presidential conduct to the defining eras of American history and the larger context of politics and government in the United States this award winning book offers vital perspective and insight on the limitations and possibilities of presidential power The Eighth Edition examines recent events and developments including the latter part of the Obama presidency the 2016 election the first twenty months of the Trump presidency and updated coverage of issues involving race and the presidency

Patriot Presidents William E. Leuchtenburg,2024 A nuanced account of the early leaders who shaped the American presidency Patriot Presidents explores how the presidency took shape from the medley of clauses handed down to George Washington who said I walk on untrodden ground for virtually everything he did created a precedent It then follows the overwhelming challenges faced by his successors from the austere John Adams who spoke passionately in favor of a strong executive to Thomas Jefferson a zealous advocate of American liberties to James Madison the creator of the first political party and James Monroe whose Monroe Doctrine protected the sovereignty of the Western Hemisphere It concludes with John Quincy Adams who could be called the prophet of the expansive twentieth century state of the Square Deal the New Deal the Fair Deal and the Great Society

Message of the President of the United States United States. President (1885-1889 : Cleveland),1888

A Compilation of the Messages and Papers of the Presidents United States. President,1897

The Powers of the Presidency ,2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

A Compilation of the Messages and Papers of the Presidents, 1789-1897

United States. President, 1897 *A Compilation of the Messages and Papers of the Presidents, 1789-1905* United States.
President, James Daniel Richardson, 1907 **A Compilation of the Messages and Papers of the President, 1789-1908**
United States. President, James Daniel Richardson, 1909 *A Compilation of the Messages and Papers of the Presidents, 1789-1902* United States. President, 1903 *A Compilation of the Messages and Papers of the Presidents, 1789-1907* United States. The Perilous Persidency Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Perilous Persidency has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Perilous Persidency has opened up a world of possibilities. Downloading The Perilous Persidency provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Perilous Persidency has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Perilous Persidency. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Perilous Persidency. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Perilous Persidency, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Perilous Persidency has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Perilous Persidency Books

1. Where can I buy The Perilous Persidency books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
