THE AMERICAN REVOLUTION

The American Revolution Part I The United States At War

RJ Alexander

The American Revolution Part I The United States At War:

United States History - Part A , A Short History of the American Revolutionary War Stephen

Conway,2013-04-12 The American war against British imperial rule 1775 1783 was the world's first great popular revolution. Ideologically defined by the colonists' formal Declaration of Independence in 1776, the struggle has taken on something of a mythic character. From the Boston Tea Party to Paul Revere's ride to raise the countryside of New England against the march of the Redcoats and from the American travails of Bunker Hill 1775 to the final humiliation of the British at Yorktown 1781, the entire contest is now emblematic of American national identity. Stephen Conway shows that beyond mythology this was more than just a local conflict; rather, a titanic struggle between France and Britain. The Thirteen Colonies were merely one frontline of an extended theatre of operations with each superpower aiming to deliver the knockout blow. This bold new history recognizes the war as the Revolution but situates it on the wider global canvas of European warfare. **United**

States Code United States,1982 *The Cambridge Modern History*,1918 *A History of the United States for Schools* William Augustus Mowry,Arthur May Mowry,1896 [American Revolution](#) Spencer C. Tucker,2018-09-14 With more than 1300 cross-referenced entries covering every aspect of the American Revolution, this definitive scholarly reference covers the causes, course, and consequences of the war and the political, social, and military origins of the nation. This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775-1783 but also the decades leading up to the war, beginning with the French and Indian War and the aftermath of the conflict, with an emphasis on the early American Republic. Volumes one through four contain a series of overview essays on the causes, course, and consequences of the American Revolution, followed by impeccably researched A-Z entries that address the full spectrum of political, social, and military matters that arose from the conflict. Each entry is cross-referenced to other entries and also lists books for further reading. In addition, there is a detailed bibliography, timeline, and glossary. A fifth volume is devoted to primary sources, each of which is accompanied by an insightful introduction that places the document in its proper historical context. The primary sources help readers to understand the myriad motivations behind the American Revolution, the diplomatic, military, and political maneuvering that took place during the conflict, and landmark documents that shaped the founding and early development of the United States. **General Studies (Part - 1) for NDA/NA Entrance Exam** Career

Point Kota,2020-12-27 Features of General Studies Part 1 for NDA/NA Entrance Exam Career Point Kota. Books for NDA are prepared by the experts who have mentored the aspirants of NDA.
