

# The American Soldier

**John A. Haymond**

## **The American Soldier:**

*The American Soldier, 1866-1916* John A. Haymond, 2018-03-22 In the years following the Civil War the U S Army underwent a professional decline Soldiers served their enlistments at remote nameless posts from Arizona to Alaska Harsh weather bad food and poor conditions were adversaries as dangerous as Indian raiders Yet under these circumstances men continued to enlist for 13 a month Drawing on soldiers narratives personal letters and official records the author explores the common soldier s experience during the Reconstruction Era the Indian Wars the Spanish American War the Philippine American War and the Punitive Expedition into Mexico

**The Story of the American Soldier in War and Peace** Elbridge Streeter Brooks, 1889 *The American Soldier*, 1950 *The American Soldier ...: Adjustment during Army life* Samuel A. Stouffer, 1949 Volume II deals with combat and its aftermath It proves that attitudes are directly related to later combat performance It studies American young men under stress in ground and air warfare what made them fight It analyzes anxiety and fear group loyalty and formal and informal social controls In dealing with demobilization it reveals the inside story of the point system which in spite of many criticisms may have saved the country from a disastrous postwar finale Book jacket

**The American Soldier**, 1965 **The American Soldier** Paul Felix Lazarsfeld, 1951 **The American Soldier** Samuel A. Stouffer, 1950 *American Soldier at 13 Yrs Old Wwii* James R. Clark, 2006-01-18 I was 13 years old and clearly remember World War II in 1943 and patriotism was at its highest Young men 18 years old and men up to 40 years old were being drafted into the military service I was tall for my age at 13 I went to the draft board and told them I was 18 they believed me and I was drafted into the army After 1 year of military duty I was honorably discharged after returning home I was inducted into the American Legion as the nation s youngest legionnaire At the age of 17 and with the permission of my mother I volunteered to go back into the army and I was sent to serve in Berlin in 1947 At this time in Berlin the Russians had set up a blockade around West Berlin trapping American French and British Armies When in Berlin I was given the opportunity to guard some of the top Nazis at Spandau Prison After my duty in Germany I served in Korea on the front line during the war Also served in the Vietnam War and was wounded in Vietnam After 22 years of Army service I retired

**The Story of the American Soldier in War and Peace** Elbridge Streeter Brooks, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **An American Soldier in the Great War** Elmer O. Smith, 2015 In 1917 U S military forces deployed to France and contributed significantly to the Allied defeat of Imperial Germany along the Western Front in 1918 The War to End All Wars World War I was the largest most destructive war in human history up to that point More than a century later as the country looks back it is important to

develop a deeper connection to the hearts and minds of the two million American soldiers sent overseas to fight in this major conflict Private First Class Elmer O Smith of Michigan was one of those brave soldiers This book places Private Smith s war diary and letters into historical context describing how a typical American soldier underwent rigorous training and then fought bravely with his unit against a determined German army foe in the brutal conditions and carnage of the Western Front

**The American Soldier: Combat and its aftermath** ,1977 *Over There!* Jonathan Gawne,2000 Describes the training uniforms equipment and role of American soldiers fighting in Europe during World War I **The American Soldier** ,1949

**Men of War** Alexander Rose,2015-06-09 In the grand tradition of John Keegan s enduring classic *The Face of Battle* comes a searing unforgettable chronicle of war through the eyes of the American soldiers who fought in three of our most iconic battles Bunker Hill Gettysburg and Iwo Jima This is not a book about how great generals won their battles nor is it a study in grand strategy *Men of War* is instead a riveting visceral and astonishingly original look at ordinary soldiers under fire Drawing on an immense range of firsthand sources from the battlefield Alexander Rose begins by re creating the lost and alien world of eighteenth century warfare at Bunker Hill the bloodiest clash of the War of Independence and reveals why the American militiamen were so lethally effective against the oncoming waves of British troops Then focusing on Gettysburg Rose describes a typical Civil War infantry action vividly explaining what Union and Confederate soldiers experienced before during and after combat Finally he shows how in 1945 the Marine Corps hurled itself with the greatest possible violence at the island of Iwo Jima where nearly a third of all Marines killed in World War II would die As Rose demonstrates the most important factor in any battle is the human one At Bunker Hill Gettysburg and Iwo Jima the American soldier as much as any general proved decisive To an unprecedented degree *Men of War* brings home the reality of combat and just as important its aftermath in the form of the psychological and medical effects on veterans As such the book makes a critical contribution to military history by narrowing the colossal gulf between the popular understanding of wars and the experiences of the soldiers who fight them Praise for *Men of War* A tour de force strikingly vivid well observed and compulsively readable *The Daily Beast* Military history at its best This is indeed war up close as those who fought it lived it and survived it if they could *Men of War* is deeply researched beautifully written *The Wall Street Journal* A brilliant riveting unique book *Men of War* will be a classic General David H Petraeus U S Army Retired The fact is that *Men of War* moves and educates with the reader finding something interesting and intriguing on virtually every page *National Review* This is a book that has broad value to a wide audience Whether the reader aims to learn what actually happens in battle draw on the military lessons within or wrestle with what actually defines combat *Men of War* is a valuable addition to our understanding of this all too human experience *The New Criterion* A highly recommended addition to the literature of military history Rose writes vividly and memorably with a good eye for the telling detail or anecdote *Kirkus Reviews* starred review Using the firsthand accounts of brave soldiers who fought for freedom Rose sheds new light on viewpoints we haven t heard as widely before It s a welcome

perspective in an era where most people have no military experience to speak of The Washington Times Rose poignantly captures the terror and confusion of hand to hand combat during the battle The Dallas Morning News If you want to know the meaning of war at the sharp end this is the book to read James McPherson Pulitzer Prize winning author of The War That Forged a Nation     *The Story of the American Soldier in War and Peace* Elbridge S. Brooks,2014-03 This Is A New Release Of The Original 1889 Edition     **The American Soldier** James L. Glymph,1982     **The Story of the American Soldier in War and Peace** Elbridge Streeter Brooks,2016-05-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant     **The American Soldier** ,1992     **The American Soldier: Combat and its aftermath** Samuel A. Stouffer,1977     *The American Soldier* Paul F. Lazarsfeld,196?
