following all decisions issued by the 34th America's Cup International Jury as well as related decisions or awards rendered by other bodies ISAF Disciplinary Commission ISAF Review Board and the Court of Arbitration for Sport judgments of the New York Supreme Court and its Appellate Division regarding the rejection of the African Diaspora Maritime Corporation application to compete to be a defender the pivotal Jury decision affirming that the AC72 yacht could be made to foil on its centreboards and rudders dramatically increasing its speed the first time ever Youth America's Cup and the extensive mediation concerning safety recommendations following the death of a sailor A general introduction surveys the most important and peculiar issues pertaining to the event Written not only as a comprehensive legal record of the 34th America's Cup but also with a view to favor future matches and to limit the possibilities of new controversies the book takes a significant step toward ensuring that disputes are dealt with by arbitration and not by lengthy costly and uncertain state court proceedings In this way the book provides invaluable guidance for trustees competitors and event officials not only for the America's Cup but by extension to other major international sporting events
