The Angels Lawrence G. Lovasik,1996-03 **The Angels (10 Pack)** Rev Lawrence G Lovasik, S,1978-06 **Angelic Healing** Eileen Elias Freeman,2001-01-01 People are really hurting today not just physically but mentally emotionally spiritually and in their relationships All of us need healing Maybe we have an addiction we re trying to break Maybe there s no happiness or love in our lives Maybe the hurt is from being lonely even in the midst of family job or social gatherings And when we need healing we often hurt those around us We strike out at the environment until it too is hurting The angels our unseen companions and guardians can help us heal In fact from New York to California angels are doing just that People are telling stories of being healed of everything from serious illness to addictions to bad relationships simply by calling on angels for their help Angelic Healing will reveal the lessons of history while offering stories of angelic healing today moving tales of people for whom being touched by angels has meant major healing in their lives and the lives of those around them Angelic Healing also shows you how to tap into your angelic resources to bring about healing in your own life and empower you to be all you were meant to be Bri Discovering the Revelations of God Thomas Idler,2024-05-29 If you re wondering where God is and whether He s real consider the obvious If He is real wouldn t He reveal Himself and give us the answers we re looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn t realize it right away I saw how genuine God is how pure His heart is and how transparent His message is When I had my God moment everything got set into motion and that s why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him *God's Steed- Key to World Peace* Daryl Breese,Gerald D'Aoust,2011-05 Reveals the oldest religious symbol in a non fiction history with shared Truth from the Holy Books of the World Identifies the Winged Horse as God s Holy Spirit within us and our Conductor to Heaven Promotes world peace through deeper religious understanding and tolerance
