The Angels Mighty Servants Of God:

The Angels Richard E. Warnke,1987 **Herein is Love, Vol. 1: Genesis** Nancy Ganz,2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary **Angels at Qumran** Maxwell Davidson,1992-03-01 A comprehensive study of the perspectives on angels of Qumran sectarian authors and of the authors of those sections of 1 Ethiopic Enoch represented in the Qumran library Marked differences emerge as the roles of angels are considered in relation to various topics These include beliefs about how the sun entered the world events at the close of the present age the means by which divine revelation is communicated to God s people and the ways in which the author thought about the relationship of the pious to angels both in this age and in the eschaton *Communion of Love* William Dewberry,2014-07-31 Communion of Love is an overview of the Bible focusing on Gods plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in Gods plan May God bless those who love God and are interested in understanding more about the great love He has always had for people **Angels** George J. Marshall,2015-08-13 In the 1990s alone more than 400 works on angels were published adding to an already burgeoning genre Throughout the centuries angels have been featured in among others theological works on scripture studies in comparative religions works on art architecture and music philological studies philosophical sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility *The Secrets of Revelation* Sekhar Reddy Vasa,2017-01-31 Dear readers God had created Adam and had installed him as the guardian of the Garden of Eden and from his side bone he had created the woman Though Adam was not aware of the fruit of a tree that was pertinent to the destruction of humans which was existed in the garden itself God himself had informed Adam that the destruction of man would take place for sure through the eating of that fruit But Adam and Eve both were subjected to the preaching of the serpent they had consumed that forbidden fruit and had received death and the punishment from the God Later during the period of Noah God had chosen Noah and his family and had made them build the ark for one hundred and twenty years During that period through Noah God had revealed about the disastrous floods and the

destruction of the world through that flood well in advance But there was not any repentance in the humans The result was the great disastrous floods Later during the period of Moses as God had intended to get the Israelis from the slavery he had chosen their leader Through Moses he had intimated about the destruction that was going to take place in Egypt to the Pharaoh the ruler and his province But the result was just the destruction Even though God had revealed them in advance about the destruction In this way God had been warning people about the upcoming destruction through the prophets well in advance The reason is his ambitioning that they would repent for their sins and would come into his protection The citizens of Nineveh are those who had given up their mistakes and had repentance These through the preaching of Jonah had realized their mistakes they repented for their sins and had received the protection of God In this way God himself had revealed about the deeds of destruction that he was about to perform through the preaching of the people that he had chosen and if they do not repent for their sins he had been destroying them Similarly Lord Christ has foretold about the incidents that are going to happen at the end of world to his beloved disciple John This would have been taken place two thousand years ago Those who had learnt all the incidents that would take place by the period of Doomsday from the period of Jesus Christ and had acquired repentance had been protected since then But those had not repented had not been sentenced yet But the treatise of Revelation is full of mysteries secrets and arcana The multitudes opine that this treatise is a tough nut to crack for the ordinary people God warns that the destruction is inevitable It is the ambition of God that each and every one must know the secrets of his coming because God is not the one who performs the deeds secretly He would reveal it well in advance through his prophets he would give them some time and if they do not acquire repentance he would destroy them As a part of that he had chosen us he had bestowed us the divine wisdom and instigated us to write in a simple way that each and every one would easily understand the secrets of revelation that explains the reason and the ways the world is going to end and through this book he is giving a warning to the citizen of the entire world So I plead you as the messenger of the Father Son and Holy Sprit to repent and live a life that is worthy of God Otherwise the end of world is inevitable inevitable inevitable Let the Grace of the Lord be with his servants Amen

biblical insights Good solid evidence for Revelation s high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 1 3 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike

Spirit in the Book of Revelation Robby Waddell, 2019-08-26 The investigation centres on the role of the Spirit in Revelation which the author considers is best defined as the Spirit of Prophecy A survey of scholarship on the pneumatology of the Apocalypse is followed by a study of intertextual connections The author's own religious context within Pentecostalism then informs a possible hermeneutic that is faithful to the ethos of the movement Biblical and literary studies are situated within the context of a Pentecostal community as attention is paid to the prophecy concerning the temple and the witnesses in Rev 11 This key passage is shown to form the theological as well as the literary centre of the Spirit's role in Revelation
