Rose McLarney, 2014-05-27 Selected as a winner of the National Poetry Series by Robert Wrigley Rose McLarney has won acclaim for image rich poems that explore her native southern Appalachia and those who love and live and lose on it Her second collection broadens these investigations in poems that examine the shape shifting quality of memory as seen in folktales that have traveled across oceans and through centuries and in how we form recollections of our own lives An opening sequence presents contemporary ghost stories men who gather at dawn in the gas station parking lots of small towns the mountain lion that paces the edge of a receding tree line A middle section draws connections between Appalachia and Latin America places that share qualities of biological and cultural richness places that are threatened by modernization A final sequence retells the stories of earlier poems posing questions about how we construct our landscapes and frame our views *May Day* Phillis Levin, 2008-04-29 A sensuous and musical new collection from acclaimed poet Phillis Levin May Day is a work of a visionary imagination In tones playful and celebratory in gestures both intimate and international Levin s poems explore how tenderness and violence change our lives From a flood overtaking the Prague zoo to the joy of a maypole dance from a mural of the Trojan War in a Greek diner in New York to the noiseless explosions of time in the opening of a flower these poems are rhapsodies of the senses and the intellect disclosing new thresholds of meaning **Wayfare**

Pattiann Rogers, 2008-03-25 Winner of the John Burroughs Medal for Lifetime Achievement in Nature Poetry A lively collection from one of America s most celebrated contemporary poets Denise Levertov has called acclaimed poet Pattiann Rogers a visionary of reality perceiving the material world with such intensity of response that impulse intention meaning interconnections beyond the skin of appearance are revealed In her new collection Rogers takes the reader on an exploration of human endeavor Full of color and action wonder and fear these poems investigate reflect upon and create experiences relative to music art and theater as well as to the universe and its creatures large and small They are distinguished by the penetrating vision and avid imagination that have made Rogers one of today s most outstanding poets *Unknown Friends*

Carl Dennis,2007-04-03 From the winner of the Pulitzer Prize and the Ruth Lilly Prize Carl Dennis has become one of the most important American poets writing today *Unknown Friends* his tenth book is about separation and connection about actual friends we can never know fully and friends never met who are summoned into existence through the efforts of an imagination that insists on dialogue While accepting our ignorance as inevitable the poems work to expand the notion of what it means to be part of a community larger than any we can comprehend both a community given to us by history and one outside of history through which the world of experience is nurtured and sustained *Way More West* Edward Dorn,2007-04-03 An essential anthology of an innovative American poet Edward Dorn was not only one of America's finest poets but a rare critical intelligence and commentator He was a student of Charles Olson who helped him to see the American West as a site for his quest for self knowledge at the core of his work is a deep sense of place and the people who occupy it underpinned by a wry ironic dissent It was Dorn's comic epic masterpiece *Gunslinger* which began appearing in 1968 and had already become an underground classic by the time it was published in its entirety in 1974 that established his reputation in the wider world This new volume brings together poems from Dorn's entire career including previously uncollected work *Backwards Days* Stuart Dischell,2007-10-02 Another set of antidotal lyrics and story poems from Stuart Dischell Sly comic inventive and exuberant the brokenhearted lyrics and dark parables of *Backwards Days* are cast in the spirit and craft Stuart Dischell's poetry is known for In this his fourth full length collection he revs up both music and experience and writes startling poems of emotional intensity that chronicle the restlessness of desire Sometimes grim ever buoyant and hopeful even in the most sorrowful or macabre situations the poems of *Backwards Days* are most particularly about the movement of time physical movement and the movement of the heart Through landscapes both real and of the psyche they live on the edge of an elusive understanding never quite gotten right **Select poems** Theocritus,1987 This selection of the poems of Theocritus illustrates his creative genius and rare powers of observation Dover's introduction and notes offer insights into both the writing and the life and times of the poet *Cultural Journeys* Pamela S. Gates,Dianne L. Hall Mark,2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature However standards and criteria to teach and promote active discussion about this literature are sparse *Cultural Journeys* introduces pre service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity More than just an annotated list of books for children Pamela S Gates and Dianne L Hall Mark provide systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K-8 At the same time the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods With the example unit plans and extensive annotated bibliography this book is a valuable resource that pre service teachers will utilize when they begin teaching and in service teachers will reference repeatedly

during their planning periods Collected Poems Galway Kinnell, 2017 The first complete showcase of one of the true master poets of his generation Galway Kinnell 1927 2014 a lifetime's work and a deeply lived life reflected in over two hundred poems **Animals, Animality and Controversy in Modern Welsh Literature and Culture** Linden Peach, 2022-11-15 This is the first study of the representation of animals and animality in Welsh literature It introduces the reader to key ideas and concepts from the new and fast growing field of animal studies and suggests how Welsh rural and urban history might be redrawn from the perspective of animals and their agenda It provides new and exciting insights into a range of Welsh writings about animals and examines how Welsh literature explores ways of thinking about intelligence sensibilities and knowledge from an animal perspective The book introduces readers to the concept of a relational universe in which all life is bound together through a network of relations and connections and illustrates its importance to animal studies and Welsh writing
