The Answer Is God:

The Answer Is God Elise M. Davis, 1980 *God is the answer* Blessmore Mandevhana, 2015-10-15 It has been said that God does nothing on the earth unless some man or woman ask Him Why is that God has given man dominion on the earth and so He will not undermine the very authority that He has given out **The Answer: God's Covenants of Promise** John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4 6 says that Gods people are destroyed through lack of knowledge This book provides some such knowledge in a simple readable format The Answer God s Covenants of Promise will have achieved its purpose if it can open a readers eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God s Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God s Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth Gods son **God is the Answer** Dana Gatlin, 1948 **How to Pray, and See God's Answer in the Clouds Above** Franklin A. Answer to Job's Controversy: the Leviathan Edem Ameyou, 2018-12-13 Does the Leviathan have a single or clear cut theological definition throughout the Bible What does the Leviathan represent in Job 41 Why did God use such a strange creature to answer Job in his most difficult moments Why is this creature God's most important and last message for Job at the end of his trial Enjoy the read *The Wonder of God's Grace* Nina Smit, 2012-03-16 Brand new readings from the pen of Nina Smit that will delight and inspire existing as well as new readers of her books In her trademark encouraging style Nina assures us that God does indeed know what we go through and reminds us of the wonder of God's amazing love and grace in our lives Topics include Ask and you shall receive The wonder of God's grace A second chance All work together for good God sees you What love does With beautiful images and full colour design **The Perfectly Simple Triune God D.**

Stephen Long, 2016-08-01 A particularly nettlesome question is that around the relationship of the confession of God as a simple yet threefold being the treatises of the one God and the Trinity Although God as simple and Triune was widely accepted for over a millennium simplicity has been widely critiqued and rejected by modern theology The purported error is in conceiving God's unity prior to the Triune persons an error begun by Augustine and crystallized in Aquinas The Perfectly Simple Triune God challenges this critique and reading of Aquinas as a misunderstanding of his doctrine of God By refusing to begin theology with God's oneness who God is collapses into who God is for us a loss of the biblical and dramatic character of God for us D Stephen Long posits that the two treatises were never independent but inextricably related and entailing one another Long provides a constructive rereading of Thomas Aquinas tracing antecedents to Aquinas in the patristic tradition

and readings of him through to the Reformers taking into account challenges to the classical tradition posed by modern and contemporary theology and philosophy to offer a robust articulation of divine Trinitarian agency for a contemporary age that adheres to broadly considered orthodox and ecumenical parameters

Holland Taylor, 2022-04-12 People of good will of every faith and nation should join hands and work in close cooperation to help ensure that Islamic teachings are universally understood and applied in accord with its primary message of rahmah and thus serve as a conduit through which God's infinite love and compassion may flow to all sentient beings Given the current dynamics in the Muslim world and the institutional paralysis of the West in the face of Muslim extremism this is admittedly an ambitious or even daunting endeavor Yet for that very reason it is a task worthy of anyone who feels the stirring of God's love in their breast and the whispering of a conscience that refuses to yield all that is most precious in life to the forces of hatred intimidation and violence Former Indonesian president and Nahdlatul Ulama Chairman KH Abdurrahman Wahid Rahmah Universal Love and Compassion I regard the work of Humanitarian Islam and the Movement for Shared Civilizational Values as one of the most pathbreaking and important developments in world politics and cross civilizational ethics in our generation No event that I know of is more timely urgent or well conceived Robert Hefner Professor of Anthropology International Relations at Boston University and President American Institute for Indonesian Studies Beyond Belief Robert P. Vande Kappelle, 2012-09-17 The current age marks the transition from modernity to postmodernity a period as impactful to the Western sensibility as any previous era The role of religion and the future of Christianity are at stake At this time of transition many thoughtful individuals find themselves at a quandary having reached a critical stage in their spiritual journey Prompted by academia science reason culture and their own experience they feel compelled to choose between the beliefs they inherited as children and the claims of science reason pluralism and secularism Beyond Belief suggests that one need not take an either/or approach on these issues there is a better way one that embraces adventure and ambiguity science and religion reason and faith evolution and creation and finds ways to live creatively with realities for which there are no easy explanations Building on a paradigmatic journey of faith that involves three stages precritical critical and postcritical understanding Beyond Belief describes the quest for God and for authentic faith in the twenty first century The key point for this understanding is to replace belief with faith acknowledging that belief in doctrines is not central since they are themselves unprovable This new theological perspective

requires rethinking many of our cherished doctrines including our understanding of God Jesus Scripture prayer miracles and revelation
