The Ants of Gods W. T. Tyler, 2014-12-23 Set against a bloody Sudanese civil war a disgraced American mercenary pilot and a missionary's widow find a love as rich and complicated as its milieu *The Ants of God* W. T. Tyler, 1981 *God and the Ants* Mary Yoo, 2016-11-16 God and the Ants is the coming of age story about AJ the daughter of conservative Korean immigrants From an impoverished Chicago neighborhood to the manicured lawns of the suburbs AJ struggles to make sense of her faith and her identity as a female a sister and a daughter Follow AJ through seasons of chaos and joy as she questions helmet haired aunties fights the status quo and makes life long friendships AJ searches for meaning as she sits on church pews kisses boys on her parents rooftop and overdoses at a warehouse party This culminates on the sunniest most tragic of mornings where AJ finally finds answers to lifelong questions *The Shadows of God* Greg Keyes, 2015-12-22 Angels and demons alike watch and wait as the last warriors of old Europe invade the New World in this magnificent conclusion to the Age of Unreason alternate history series The alchemical catastrophe that Sir Isaac Newton inadvertently unleashed late in the seventeenth century has transformed Europe into a cold dead wasteland in the eighteenth much to the delight of the otherworldly malakim who have set humanity at war with itself for the sin of dabbling in the arcane The last inhabitable territory the New World is now the coveted prize of the surviving European warlords From the West Russian forces led by the Sun Boy child of the powerful French sorceress Adrienne de Mornay de Montchevreuil move relentlessly onward leaving a trail of devastation in their wake British troops in the East are equally merciless in their conquests All that stands against them is a motley alliance of colonists Native Americans scientists philosophers displaced Europeans and others led by Ben Franklin now an alchemist of great repute and Red Shoes a Choctaw shaman with questionable motivations But no matter who wins or loses the manipulating angels and demons are always watching and the malakim are determined to be the ultimate victors In *The Shadows of God* the Age of Unreason Greg Keyes's magnificent alternate history series comes to a stunning and most satisfying conclusion It is the final chapter in a colorful exciting richly detailed and ingeniously imagined chronicle of life on a damaged Earth where magic and science are on equal planes and history's icons inhabit a past that never was

The Twin Horse Gods Henry John Walker, 2015-06-15 The twin deities known by the ancient Greeks as the Dioskouroi and by the Romans as the Gemini were popular figures in the classical world They were especially connected with youth low status and service and were embraced by the common people in a way that eluded those gods associated with regal magnificence or the ruling classes Despite their popularity no dedicated study has been published on the horse gods for over a hundred years Henry John Walker here addresses this neglect His comparative study traces the origins meanings and applications of the twin divinities to social and ritual settings in Greece Vedic India where the brothers named Castor and Pollux were revered as Indo European gods called the Asvins Etruria and classical Rome He demonstrates for example that since the Dioskouroi were regarded as being halfway between gods and men so young Spartans undergoing a fierce and

rigorous military training saw themselves as standing midway between animal and human Such creative interpretations of the myth thus played a central role in the culture and society of antiquity *The Hungry Gods* Adrian

Tchaikovsky,2025-08-12 Amri was a Rabbit one of a tribe of survivors scratching out an existence in the blasted landscape of a shattered poisoned world The Seagull fight the Pigeon trade and the Cockroach scavenge but the Rabbit had one rule If you want to see tomorrow you run But they didn t run fast enough when a weapon fell from the sky and consumed their home and now Amri is alone in the company of a fallen god named Guy Vesten A god who promises revenge against the three gods who turned against him and who killed her tribe But gods don t die easily Guy will need followers like any god and warriors to aid him in his quest And if Amri is to find a place in the world that is to come she may as well be standing at his right hand as his priestess *Die-Mentions: The 12 Dimensions of God* James Allen,2025-02-11 In Die Mentions James embarks on a thought

provoking journey that melds insights from science theology and philosophy The book examines the possibility of multiple dimensions co existing and how the Spirit may guide us through different levels of reality both seen and unseen James weaves together various perspectives to explore profound topics such as life death and energy By drawing from the Law of Conservation of Energy Biblical references science and accounts of near death experiences he prompts readers to contemplate the interplay between existence consciousness and the relationship between science and spirituality Die Mentions challenges our understanding of the world by inviting us to consider possibilities beyond our current grasp maybe even catching glimpses of what is happening within SPHERICAL Time By looking at our 3rd and 4th dimensions through the eyes of the highest dimensions readers will discover a new perspective on science theology and nature James uses the example of fish limited to perceiving only the 1st and 2nd dimensions unable to comprehend the full depth of higher dimensions He applies this concept to the 12th dimension incorporating evidence from sciences mathematics theology and nature Readers views will be transformed as they experience a broader understanding of the cosmos and their place within it

God's Army Sherrell Prefontaine,2010-05-14 **A JOURNEY IN GOD'S LOVE** robert rice,2012-12-13 David the king of ancient Israel reflects in his Psalm writing Psalm 8 4 Who is man that thou are mindful of him His is recognizing that the God of all creation had been a spiritual force in his life sustaining him in battle and in his battle of life God showed mercy to David and David was considering his position before God The question is why Why does God embrace and direct an individual s life How does God entwine His will in a human life and yet allow the individual to have freedom of choice Reflecting on my life and how it affected the lives of my family are sketched out in this book revealing the very involvement of an eternal God throughout our life time yet allowing us to choose our life s direction Solomon s recorded words in Ecclesiastes 3 2 challenges us to make wise choices during the time between the The cradle and the grave Patience is a factor that is exercised by God as He watches over us There are specific talents or gifts that are given to each of us and we should be mindful of how God would want us to use them to His glory As I tried to do the will of the Lord in my life I was constantly

aware that any decision I made would eventually affect a wife and children with which I might be blessed Decisions such as taking a family to one of the most remote islands in the world and live among people of a stone age culture some that were still practicing cannibalism was a monumental soul searching decision It is a challenge to continue to follow the Lord and experience His blessings God's Fingerprints John Samways,2015-08-28 God s Fingerprints The Evidence is Everywhere addresses significant questions arising from day to day experiences It embraces both the big picture and the smallest details of life it answers questions arising from the secular and sacred realms issues which will be familiar to readers from all generations It is a book that will generate discussion This collection of 26 short stories each culled from life s journey through six decades deeply engages the rational emotional and intuitive sides of the reader God s Fingerprints is a book to read and share with all who are asking Is there more to life It is both for those eagerly exploring their spiritual journey and for disillusioned sceptics The reader is initially invited to choose a title which intrigues such as Chocolate FA Cup 1980 Prison or Tragedy and to follow their own path through this book Stories can help us make sense of things they can inspire make us laugh or cry enlighten and challenge and these real life incidents certainly do that Reflecting on these stories and relating them to their own life journey will offer each reader a new perspective on and a fresh understanding of the ups and downs of life The author s passion for life especially embracing the realms of family community sport and the environment is evident from beginning to end and reflects his own search for life in all its fullness God s Fingerprints The Evidence is Everywhere is written to encourage others to join in that quest for life where the natural material and spiritual realms are held together in a life affirming way Apples in God's Eye Orinio G. Radner,2010-06-01 In *The World in the Shadow of God* Ephraim Radner argues for a vigorous Christian natural theology and insists that such a theology must of necessity be performed poetically The peculiar character of such a theology is found in its disclosing of the natural limits that indicate indirectly the impinging and more fundamental reality of the divine life Natural theology represents the encounter between created reality and the shadow of God s creative and revelatory grace However the encounter is a morally demanding task for the Christian church if it is to be held accountable to the truth on which its life is based The first portion of the book offers an extended critical essay on the nature of this sort of natural theology while the second provides a developed set of examples through poems that display the natural world in light of the truths articulated in the Apostles Creed Those interested in the intersection of theology literature history and the natural world will be challenged by this attempt to renew a basic element of Christian knowledge and culture *In God's Own Image* , **The Figure of**

Solomon in Jewish, Christian and Islamic Tradition Joseph Verheyden,2012-11-21 Solomon is one of the more complex and fascinating characters in the history of Israel As a king he is second only to David As the king who gave Israel its temple he is unsurpassed As the prototype of the sage his name lives on in numerous biblical and non biblical writings As the magician of later tradition he has established himself as a model for many other aspirants in this field This volume contains the proceedings of an international conference on Solomon that was held at the Faculty of Theology and Religious Studies of the University of Leuven September 30 October 2 2009 and discussed various aspects of this multifaced character as he appears in Jewish early Christian and Islamic tradition **Solomon and the Ant** David Penchansky,2021-07-30 Solomon

and the Ant using the Bible as a dialogue partner examines stories from the Qur an their drama characters and meaning Although some qur anic stories have close biblical parallels here Penchansky examines stories without biblical precursors Qur anic narratives in dialogue with biblical texts enhance understanding Penchansky chooses biblical stories that address similar questions about the nature of God and God s interaction with people Solomon matches wits with an ant a bird and the queen of Sheba Magical creatures the jinn are driven out of heaven by fiery meteors Moses on a quest meets a mysterious stranger The Bible offers parallels and connections Genesis Exodus Isaiah Matthew and other biblical books contrast with the qur anic text comment on the qur anic story and supplement it Separated by space and time the Bible and the Qur an faced similar issues Both the Bible and the Qur an adapted material from their surrounding culture while at the same time distinguishing themselves from that culture Rather than addressing this cultural confrontation with rigid certainty the Bible and the Qur an are ambiguous and multivocal The Bible and the Qur an are layered containing stories within stories fragments and structural abnormalities These features contribute to meaning Penchansky s analysis of these stories makes the Qur an accessible and compelling to nonspecialists and students [Discover the Real Jesus](#) Bill Bright,2004 Who is the real Jesus Everyone has an opinion from the scholars on a quest for the historical Jesus to the ordinary person on life s journey who thinks of Jesus as a good person This book addresses the controversy that Jesus by His very nature incited both

enabling us to apply their practices to our current lives Practicing these spiritual disciplines opens us to God's transforming love Both the Old and New Testaments call the people of God to love God completely as well as to love our neighbors as we love ourselves Jesus told his followers these were the greatest commandments What if by neighbor Jesus literally meant the precious people who live in your neighborhoods What if by neighbor Jesus meant all of your neighbors regardless of age socioeconomic status or any other potentially divisive designation This book first defines what is meant by the spiritual practice of neighbor and then looks at ways we can live into neighbor as a spiritual practice in our own lives and in the lives of our churches and communities This is one of series of eight books Each book in this series introduces a spiritual practice suggests way of living the practice daily and provides opportunities to grow personally and in a faith community with others who engage with the practice Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion Other disciplines studied Celebration Confession Discernment Prayer Simplicity Study and Worship
