**The Apprenticeship of Abraham Lincoln** Olivia E. Coolidge,1974-01-01 A biography concentrating on the first fifty years in the life of Abraham Lincoln who became President at the age of fifty two Abraham Lincoln, an Interpretation in Biography Denton Jaques Snider,1908 **The Apprenticeship Bulletin** ,1915 The President and the Apprentice Irwin F. Gellman,2015-07-28 More than half a century after Eisenhower left office the history of his presidency is so clouded by myth partisanship and outright fraud that most people have little understanding of how Ike s administration worked or what it accomplished We know or think we know that Eisenhower distrusted his vice president Richard Nixon and kept him at arm s length that he did little to advance civil rights that he sat by as Joseph McCarthy s reckless anticommunist campaign threatened to wreck his administration and that he planned the disastrous 1961 Bay of Pigs invasion of Cuba None of this is true The President and the Apprentice reveals a different Eisenhower and a different Nixon Ike trusted and relied on Nixon sending him on many sensitive overseas missions Eisenhower not Truman desegregated the military Eisenhower and Nixon not Lyndon Johnson pushed the Civil Rights Act of 1957 through the Senate Eisenhower was determined to bring down McCarthy and did so Nixon never contrary to recent accounts saw a psychotherapist but while Ike was recovering from his heart attack in 1955 Nixon was overworked overanxious overmedicated and at the limits of his ability to function

**The Diary of an Anarchist's Apprentice** Ian M. Gilroy, 2022-05-15 I spent most of the 70 s living by definition as a part time student in the UK I was more intoxicated by the school of life rather than the tedious dedication to the university lecture hall This preoccupation took me by way of Newcastle via London to of all places Plymouth Devon I have managed to take myself back to this period using music as an astral time machine Every memory has a soundtrack and Classic Rock of this era was a driving force encompassing much of the countercultures collective mindset It was a decade of reflection brought about by stagnation and conflict The Vietnam War The Cold War The IRA The PLO The Red Army Faction and let s face it by definition chaos It appeared armed insurrection was the modality chosen by some to effectuate change It was a time of high unemployment strikes and inflation the Irish question the political scandals where Britain teetered on the brink It was a period where I dropped out hoping by doing so my brief infatuation with borderline anarchy would allow me to live and enjoy life encapsulated in my own little world I found myself hunkering down with a small group of like minded scoundrels tipsy as we tottered somewhere between nihilistic intention and anarchistic intervention We decided the best way to deal with the uncertainty was to simply poke fun and hatch a prank or two all while we ignored the possibility of incarceration The aftermath usually led us to the closest pub where we would covertly hide behind the blur of excess and the ensuing laughter This was the gestation that gave birth to the Scilly Pranksters It is where Monty Python met National Lampoon s Animal House and the cast ended up partying with Cheech and Chong The jocular hilarity will allow the reader to meet and follow the exploits of the gang as we plotted or simply found ourselves in the wrong place at the wrong time The Diary of an Anarchist s Apprentice ravages mainstream society tackling its deficiencies in a parodistic way sprinkling just enough satire to keep the beat as we hitched rides through politics religion the drug culture the New Age the occult free love and the music explosion These memoirs capture a collection of 20 escapades etched in time as legend rather than myth or drug induced fantasy They feature comedic episodes such as our extemporaneous decision to leave our mark on a Vulcan bomber during a low level display which highlighted the Queen s Silver Jubilee the plot to borrow a diesel powered sub from her Majesty s scrap yard so we could perform our rendition of a Yellow Submarine the divine hand of God intervening to save a group of nuns after their car lost control coincidentally after a rather prodigious Polish Kielbasa appeared to manifest where one s manhood should have been sheltered the unforgettable sequence of events leading up to an impromptu meeting of wannabee anarchists and witches enjoying the warmth of a fire during a black mass and of course as an encore a close encounter of the strange kind high atop a Tor where UFOs had the nerve to interrupt our quest to find God and apologize for some but not all of our past transgressions These and other short stories are strategically placed preserving an informal time
