The Resisters [microform] : an Analysis of Non-participation in Adult Basic Education Benjamin Allan Quigley, 1987

An Independent Stance W. J. Keith, 1991 Part One of this strongly worded informed and wide ranging collection examines key issues for the future of Canadian criticism Part Two offers new readings of important works by Grove Wilson MacLennan Davies Laurence Hood Wiebe Hodgins and Atwood As W J Keith argues We still have a mission to have our literature recognized as an essential reflection of our national life This is what I mean by retrenchment and consolidation Literature can survive without literary criticism but it cannot survive if it is unknown and

unread It is criticism's prime function at the present time to see that it is both known and read with that mature enjoyment which is a combination of emotional sensitivity and humane intelligence As critics scholars editors we shall not be fulfilling our responsibilities or justifying our existence if we attempt anything less Or as Keith modestly observes in his introduction to this collection If this book is of any interest it will be because Canadian literature is an important subject Literary commentators like myself are middle men and should be prepared to admit the fact If this book succeeds in helping readers to appreciate the works of Canadian writers that I discuss and to derive increased pleasure and insight from them it will have served its purpose I can see no other justification for it or for any other work of criticism

The Apprenticeship of Duddy Kravitz Mordecai Richler, 1972 The dazzling tale of a clever young rogue who makes good or at least makes money The Apprenticeship of Duddy Kravitz established Mordecai Richler as one of the great comic writers of the twentieth century Determined to claw his way out of Montreal's Jewish ghetto young Duddy takes to heart his grandfather's maxim that a man without land is nobody In his relentless pursuit of property and a big time reputation the cynical dreamer lies cheats and hurts everyone who loves him Amoral yet oddly endearing Duddy Kravitz is one of the most charismatic anti heroes of all time a man who learns the hard way that dreams are not exactly what they seem even when they do come true Abridged by the author himself and featuring the melodious voice of Broadway's Paul Hecht along with original music and sound effects this superb archival recording which first aired on CBC Radio in 1980 captures the frenetic pacing and sharp wit of Richler's 1959 masterpiece

Canadian Culinary Imaginations Shelley Boyd, Dorothy Barenscott, 2022-03-30 In the twenty first century food is media it is not just on plates but in literature and on screens displayed in galleries studios and public places Canadian Culinary Imaginations provokes new conversations about the food related concepts memories emotions cultures practices and tastes that make Canada unique This collection brings together academics writers artists journalists and curators to discuss how food mediates our experiences of the nation and the world Together the contributors reveal that culinary imaginations reflect and produce the diverse bodies contexts places communities traditions and environments that Canadians inhabit as well as their personal and artistic sensibilities Arranged in four thematic sections Indigeneity and foodways urban suburban and rural environments cultural and national lineages and subversions of categories the essays in this collection indulge a growing appetite for conversations about creative engagements with food and the world at large As the essays and images in Canadian Culinary Imaginations demonstrate food is more than sustenance as language and as visual and material culture it holds the power to represent and remake the world in unexpected ways
