**45 Murderers** Craig Rice,2018-08-14 From Hollywood s Black Dahlia to the Arkansas Bluebeard an anthology of true crime profiles by the grand dame of mystery Ed Gorman Whether venturing into a blood spattered farm in Texas down a lonely mountain road in Alabama or into the deceptively sunny Ohio suburbs acclaimed mystery writer Craig Rice lends her hard boiled style and a wicked irony to this gallery of real life murders Among them A saintly middle aged widow bludgeoned to death in her New Jersey home the headless torsos of two women found floating in the Lake of the Ozarks a New Year s fire in Pennsylvania set to cover the traces of a more ghastly crime a traveling evangelist on a divine mission blown to bits in Berkley an aspiring starlet tortured bisected and dumped in a vacant LA lot and a New York couple poisoned to death by the mysterious Veiled Murderess a

convicted killer who never revealed her motives or her true identity Culled from Rice's work as a crime reporter the stories in 45 Murderers have withstood time as a century spanning cross country tour of the sinister underbelly of the American Dream Jeffrey Marks author of *Who Was That Lady* Home Sweet Homicide Craig Rice,2018-03-20 From the grand dame of mystery mixed with screwball comedy The children of a widowed mystery writer play amateur sleuths and matchmakers Ed Gorman Ellery Queen Award winning author When your mom's a mystery writer a talent for detection is only natural So when the three children of prolific whodunit author Marion Carstairs become material witnesses in a neighborhood murder they launch their own investigation And why not They know everything about baffling mysteries from reading their mother's books the publicity could do wonders for her sales and then she and a handsome detective could fall in love It's too perfect for words Marion's too busy wrapping up the loose ends of her latest book for the inconvenience of a real crime But what's surfacing in the shadows of the house next door is not quite as predictable as fiction accusations of racketeering kidnapping and blackmail a slain stripper a grieving but slippery husband a wily French artist a panicky movie star and a cop who's working Marion's last nerve If the kids are game Marion decides she is too in between chapters at least Besides this whole dangerous bloody mess could turn out to be a source of inspiration This stand alone mystery was the basis for the classic 1946 comedy starring Randolph Scott and Peggy Ann Garner and makes clear why Craig Rice remains one of the best writers of mystery fiction Jeffrey Marks author of *Who Was That Lady* Hampton Roads Murder & Mayhem Nancy E.
