*The Connoisseur*, 1907      **Exceptional Violence and the Crisis of Classic American Literature** Joseph

Fichtelberg, 2022-08-24 This book is an interdisciplinary study of antebellum American literature and the problem of political emergency Arguing that the United States endured sustained conflicts over the nature and operation of sovereignty in the unsettled era from the Founding to the Civil War the book presents two forms of governance local and regional control and national governance The period s states of exception arose from these clashing imperatives creating contests over land finance and above all slavery that drove national politics Extensively employing the political and cultural insights of Walter Benjamin this book surveys antebellum American writers to understand how they situated themselves and their work in relation to these episodes specifically focusing on the experience of violence Exploring the work of Edgar Allan Poe ex slave narrators like Moses Roper and Henry Bibb Herman Melville and Emily Dickinson the book applies some central aspects of Walter Benjamin s literary and cultural criticism to the deep investment in pain in antebellum politics and culture

**Christianity and Classical Culture** Jaroslav Pelikan, 1993-01-01 The momentous encounter between Christian thought and Greek philosophy reached a high point in fourth century Byzantium and the principal actors were four Greek speaking Christian thinkers whose collective influence on the Eastern Church was comparable to that of Augustine on Western Latin Christendom In this erudite and informative book a distinguished scholar provides the first coherent account of the lives and writings of these so called Cappadocians named for a region in what is now eastern Turkey showing how they managed to be Greek and Christian at the same time Jaroslav Pelikan describes the four Cappadocians Gregory of Nazianzus Basil of Caesarea Gregory of Nyssa and Macrina sister and teacher of the last two who were trained in Classical culture philosophy and rhetoric but who were also defenders and expositors of Christian orthodoxy On one issue of faith and life after another the nature of religious language the ways of knowing the existence of God the universe as cosmos time and space free will and immortality the nature of the good life the purpose of the universe they challenged and debated the validity of the Greek philosophical tradition in interpreting Scripture Because the way they resolved these issues became the very definition of normative Christian belief says Pelikan their system is still a key to our understanding not only of Christianity s diverse religious traditions but also of its intellectual and philosophical traditions This book is based on the prestigious Gifford Lectures presented by Jaroslav Pelikan at the University of Aberdeen in 1992 and 1993      *Women Classical Scholars* Rosie

Wyles, Edith Hall, 2016 La 4e de couverture indique the first written history of the pioneering women born between the Renaissance and 1913 who played significant roles in the history of classical scholarship      *Beyond Classical Liberalism* James Dominic Rooney, Patrick Zoll, 2024-02-13 This book brings together diverse sets of standpoints on liberalism in an era of growing skepticism and distrust regarding liberal institutions The chapters in the book Relate concerns for liberal institutions with classical themes in perfectionist politics such as the priority of the common good in decision making or the

role of comprehensive doctrines Analyze how perfectionist intuitions about the political life affect our concepts of public reason or public justification Outline various moral duties we have toward other persons that underlie the liberal institutions or notions of rights functioning across the contemporary political landscape Explore various aspects of pluralism from within influential religious or philosophical traditions applying insights from those traditions to issues in contemporary politics The comprehensive book will be of great interest to scholars students and researchers of politics especially those in political philosophy and political theory

*Challenges of Mapping the Classical World* Richard J.A. Talbert,2018-09-04 Challenges of Mapping the Classical World collects together in one volume fourteen varied items written by Richard Talbert over the past thirty years They cohere around the theme of mapping the classical world since the nineteenth century All were originally prompted by Talbert s commission in the late 1980s to produce a definitive classical atlas after more than a century of failed attempts by the Kiepert and others These he evaluates as well as probing the Smith Grove atlas a successful twenty year initiative launched in the mid 1850s with a cartographic approach that departs radically from established practice Talbert s initial vision for the international collaborative project that resulted in the Barrington Atlas of the Greek and Roman World 2000 is presented and the successive twice yearly reports on its progress from 1991 through to completion are published here for the first time A further item reflects retrospectively on the project s cartographic challenges and on how developments in digital map production were decisive in overcoming them This volume will be invaluable to anyone with an interest in the development and growing impact of mapping the classical world

The Classical Age of Islam Marshall G.S. Hodgson,2024-05-31 First in the comprehensive three volume history of Islamic culture and religion from the award winning scholar and world historian This is a nonpareil work not only because of its command of its subject but also because it demonstrates how ideally history should be written The New Yorker The Venture of Islam has been honored as a magisterial work of the mind since its publication in early 1975 In this three volume study illustrated with charts and maps Marshall G S Hodgson traces and interprets the historical development of Islamic civilization from before the birth of Muhammad to the

middle of the twentieth century This work grew out of the famous course on Islamic civilization that Hodgson created and taught for many years at the University of Chicago Volume 1 The Classical Age of Islam analyzes the world before Islam Muhammad s challenge and the early Muslim state between 625 and 692 Hodgson then discusses the classical civilization of the High Caliphate This volume also contains a general introduction to the complete work and a foreword by Reuben Smith who as Hodgson s colleague and friend finished the Venture of Islam after the author s death and saw it through to publication The Venture of Islam Conscience and History in a World Civilization The Classical Age of Islam 1 The Expansion of Islam in the Middle Periods 2 The Gunpowder Empires and Modern Times 3 A History of Classical Greek Literature: pt. 1. The prose writers from Herodotus to Plato John Pentland Mahaffy,1890 The Classical Review ,1926 The Oxford Handbook of Animals in Classical Thought and Life Gordon Lindsay Campbell,2014 The Oxford Handbook of Animals in Classical Thought and Life is the first comprehensive guide to animals in the ancient world encompassing all aspects of the topic by featuring authoritative chapters on 33 topics by leading scholars in their fields As well as an introduction to and a survey of each topic it provides guidance on further reading for those who wish to study a particular area in greater depth Both the realities and the more theoretical aspects of the treatment of animals in ancient times are covered in chapters which explore the domestication of animals animal husbandry animals as pets Aesop s Fables and animals in classical art and comedy all of which closely examine the nature of human animal interaction More abstract and philosophical topics are also addressed including animal communication early ideas on the origin of species and philosophical vegetarianism and the notion of animal rights *The Classical Journal* ,1919 The NPR Listener's Encyclopedia of Classical Music Theodore Libbey,2006-01-01 A resource on classical music provides coverage of composers works musical terminology and performers along with recommended recordings and access to an interactive Web site that allows readers to listen to sample works techniques and performers discussed in the reference **An Introduction to Classical Korean Literature: From Hyangga to P'ansori** Kichung Kim,2016-09-16 This work provides an introduction to some of the most important and representative genres of classical Korean literature Coverage includes Samguk sagi and samguk yusa as literature Kunmong and Unyongchon the lyricism of Koryo songs and the literature of Chosen Dynasty Women **The Classic Short Story, 1870-1925** Florence Goyet,2014-01-13 The ability to construct a nuanced narrative or complex character in the constrained form of the short story has sometimes been seen as the ultimate test of an author s creativity Yet during the time when the short story was at its most popular the late nineteenth and early twentieth centuries even the greatest writers followed strict generic conventions that were far from subtle This expanded and updated translation of Florence Goyet s influential La Nouvelle 1870 1925 Description d un genre son apog e Paris 1993 is the only study to focus exclusively on this classic period across different continents Ranging through French English Italian Russian and Japanese writing particularly the stories of Guy de Maupassant Henry James Giovanni Verga Anton Chekhov and Akutagawa Ry nosuke Goyet shows that these authors

were able to create brilliant and successful short stories using the very simple tools of brevity of that period In this challenging and far reaching study Goyet looks at classic short stories in the context in which they were read at the time cheap newspapers and higher end periodicals She demonstrates that despite the apparent intention of these stories to question bourgeois ideals they mostly affirmed the prejudices of their readers In doing so her book forces us to re think our preconceptions about this forgotten genre
