Woodroof, 1981 *The Second Epistle to the Corinthians* Paul Barnett, 1997-04-17 This excellent commentary on 2 Corinthians by Paul Barnett illumines the historical background of the church at Corinth and clarifies the meaning of Paul s passionate letter both for those first century Christians and for the church today Assuming the unity of the letter for which extensive argument is offered Barnett takes the view that Paul is in particular addressing the issue of triumphalism in Corinth This triumphalism is expressed by the newly arrived missionaries who portray Paul as inferior to themselves it is also endemic among the Corinthians According to Barnett the recurring theme of the letter is power in weakness based on the motif of the Resurrection of the Crucified which lies at the heart of the

gospel of Christ Also fundamental to the letter is the theme of fulfillment of the promises of God by Christ and the Spirit under the New Covenant Written for scholars pastors and lay readers alike this new commentary on 2 Corinthians will be a lasting reference work for those interested in this important section of Scripture **Daily Devotional** John Henry

Mccoury,2015-10-25 A daily devotional for the entire year by Pastor John Henry Mccoury **The A to Z Guide to Bible Signs and Symbols** Neil Wilson,Nancy Ryken Taylor,2015-02-10 How might our understanding of God's Word be deepened if we recognized the significance of the signs and symbols found within its pages signs that would have been obvious to the original readers From the tree of life to Noah's ark from circumcision to animal sacrifice From the feasts the Passover lamb and the manna in the wilderness to the furniture in the tabernacle and the visions of prophets From the Lord's Supper to baptism and from the cross to the empty tomb Throughout the Scriptures signs and symbols weave a consistent message of God's presence grace and faithfulness This illustrated resource will help readers understand key biblical images that reveal God's purposes and truth Each entry includes multiple illustrations explanations and key Bible passages Sidebars quotes and photos make this guide approachable and engaging **The Complete Works of Zacharias Tanee Fomum on**

**Leadership (Volume 4)** Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Leadership Volume 4 contains the following books Laws of Spiritual Leadership The Ministers and Ministry of the New Covenant You Your Team and Your Ministry Leading a Local Church Volume 1 Making Spiritual Progress Volume 2 Spiritual leadership does not happen by accident It is not a haphazard thing There is a science behind spiritual leadership Travel with the author through this systematic science outlined in the laws of spiritual leadership While following this sweet science of leadership do not forget to take care of the horse that is drawing the cart If the cart is taken so much care of and none is given to the horse the horse may get sick and die and the cart will no longer be drawn and the journey will stall The leader must take care of his body to keep it fit for service The apostle Paul says For physical training is of some value 1 Timothy 4:8a He must take care of his soul spirit and heart to keep them in Christ Philippians 4:7 The author tacitly brings into the equation how to lead a local church When the Good Samaritan offered first aid to the man who was attacked and severely wounded by armed robbers on the highway from Jerusalem to Jericho he did not leave him there He took him to an inn where they took proper care of him over a long period of time The local church is the best place where to keep your people safe as you lead them toward destiny It is the surest and most secure place on planet Earth where to retain the people as you lead them into God's purposes Why Rage as they may the gates of hell cannot and can never overcome the church Matthew 16:18 We send this fourth volume on leadership out with a cry to the Lord that He should use it to build many into leaders of His people capable of leading them into the totality of His purposes in this generation and beyond The Second Letter to the Corinthians Mark A. Seifrid,2014-11-09 The question that Paul set before the ancient church in Corinth Do you not recognize that Jesus Christ is in and among you 2 Cor 13:5 remains a critical question for the church today This commentary by Mark Seifrid seeks to

hear Paul's message afresh and communicate it to our time Seifrid offers a unified reading of 2 Corinthians which has often been regarded as a composite of excerpts and fragments He argues that Paul's message is directed at the practical atheism of the Corinthian church the hidden heresy that assumes God's saving work in the world may be measured by outward standards of success and achievement Like all of the Pillar volumes Seifrid's commentary on 2 Corinthians offers careful grammatical analysis and exegesis with clear pastoral application

**The Bible and the Holy Fathers for Orthodox** Johanna Manley, 1990 Cycle of daily Gospel and Epistle readings based on the movable calendar which starts with Easter Pascha includes the fifty days after the Resurrection Pentecost and the 37 weeks that followed the Week of the Publican and the Pharisee followed by the Triodion which begins 10 weeks before Easter and includes the Preparation for Lent Graet Lent and Holy Week This work is particularly addressed to those who set aside an hour daily for prayer and meditation Appendices are added for Sunday matins major fixed feasts such as Nativity Theophany and other Feast days of Martyrism saints But since this volume is not arranged according to the fixed calendar which lists all the saints and fixed feasts for each day of the month a suitable companion would be a Menaion which provides a fuller treatment of the major feast days and the flow of church seasons

The Torah Rev. Harold E. Petersen, 2022-07-25 The Word of God the Bible has been a vital part of my life We had family devotions I went to Sunday school and memorized verses In confirmation we studied the Bible and catechism In worship texts from the Old Testament epistles and gospels were read every Sunday These continue to draw me into the Word I was in high school when I began to read the Bible through in a year As I would read I would mark verses that had special meaning for me Some chapters were so full of gems of truth that I chose several The Torah the first five books of the Bible are the work of Moses He recorded the beginning of the universe He traced the human family to the point when the Lord chose one family Abraham's There is the record of the escape from Egypt the establishment of the covenant at Mount Sinai and the years of life in the wilderness I find gems in these books that stretch my faith by explaining what it means to obey the Lord in all things

The Beauty of Preaching Michael Pasquarello, 2020-08-27 What does beauty have to do with healing the fragmentation within our churches According to Michael Pasquarello everything Amid the cacophony of ugly political invective that dominates nearly every space today including church only God has the power to unify and heal through his truth and goodness revealed in his beauty And every Sunday those in the pulpit have the opportunity and responsibility to share this beauty with their parishioners Tapping into a long tradition that can be traced back to Augustine Michael Pasquarello explores a theological definition of beauty that has tremendous revelatory power in a post Christendom world A church manifesting this beauty is not merely a gathering of people but a place where God's new creation appears in the midst of the old creation ushered in by a pastor willing to make God the primary actor within the doxological craft of preaching
