the memories of long time residents this delightful book revisits two hundred years of history in the communities surrounding what was locally called Windrock Mountain The stories Augusta Bell recounts take us from Oliver Springs which had its origins in the grist mill Moses Winters built in 1799 and which later became a boom town with a fashionable resort hotel to places like New River Valley Graves Gap and Duncan Flats She depicts the everyday lives of the mountain people as well as the extraordinary events that sometimes shattered those lives such as the Coal Creek War of 1891 93 in which miners squared off against state militia and the two mine explosions that came a few years later sealing up 268 men deep inside the mountain Bell also tells of happier times as when the famous Windrock Mine opened above Oliver Springs in 1909 Tapping a rich lode of folklore and oral tradition along with other historical sources Circling Windrock Mountain offers a view of Appalachian life that defies old stereotypes Far from being static the communities described here saw an amazing variety of changes to which they adapted with resilience and ingenuity Hidden on the Mountain Sharon Dunn, Terri Reed, 2021-04-13 A race for survival Zero Visibility by Sharon Dunn Merci Carson doesn't know why she's a target but she knows she owes her life to EMT Nathan McCormick Protecting Merci from the desperate men chasing her in the middle of a blizzard is the biggest challenge Nathan's ever faced But failure is not an option Merci's bravery and kindness touch his guarded heart Together they could have a future if they can solve the mystery in time Secret Mountain Hideout by Terri Reed A remote Colorado mountain town and a fake identity have been Ashley Willis's safe haven since fleeing after she witnessed a murder but now the killer has found her trail Desperate and terrified she's prepared to run again but Deputy Sheriff Chase Fredrick won't let her With the lawman by her side can she face danger head on and live long enough to bring a murderer to justice USA TODAY Bestselling Author Sharon Dunn **Peril on the Mountain** Elizabeth Goddard, 2020-08-18 Two novels of love and danger in the Alaskan wilderness by the USA Today bestselling Carol Award winning author in one volume Buried After witnessing a murder legal investigator Leah Marks flees to Alaska But the killer has tracked her down and as he chases her into a snow packed canyon an avalanche buries them both Saved by search and rescue specialist Cade Warren Leah longs to tell him the truth But how can she without bringing even more danger into Cade's life Untraceable On a daring mission search and rescue specialist Heidi Warren and her team step onto an icy Alaskan mountaintop and right into a trap A stranded gang of thieves holds them at gunpoint forcing them to serve as guides along the treacherous path Heidi needs someone to trust but her rescue partner Isaiah Callahan is keeping secrets from her Yet when a blizzard starts closing in their options start running out Praise for Elizabeth Goddard's novels A good recommendation for fans of Irene Hannon and Lynette Eason Booklist Thrilling high octane Publishers Weekly Target on the Mountain Elizabeth Goddard, Mary Alford, 2021-03-09 Together for one last time Deadly Evidence by Elizabeth Goddard FBI agent Tori Peterson intends to find her sister's murderer even if someone's willing to kill her to keep the truth hidden But that means returning home and working with the lead detective her ex boyfriend Ryan Bradley Though sparks still fly between them Tori and Ryan must stay

focused on catching a killer before they are silenced for good Standoff at Midnight Mountain by Mary Alford After her CIA operative brother disappears leaving behind only a cryptic message armed men target former agent Rachel Simmons for information But with help from her ex Agent Alex Booth Rachel eludes them trekking into the mountains in search of her brother Pursued through the wilderness by highly trained and very familiar men can Alex and Rachel expose a conspiracy that goes deeper than they ever imagined USA TODAY Bestselling Author Mary Alford Over the Edge Greg Child,2015-02-04 A different sort of true climbing adventure this one with terrorists kidnappings and AK47s New afterword by the author First time in paperback Before dawn on August 12 2000 four of America s best young rock climbers Tommy Caldwell Beth Rodden Jason Singer Smith and John Dickey were asleep in their portaledge high on the Yellow Wall in the Pamir Alai mountain range of Kyrgyzstan At daybreak they would be kidnapped at gunpoint by fanatical militants of the Islamic Movement of Uzbekistan IMU which operates out of secret bases in Tajikistan and Afghanistan and is linked to Al Qaeda The kidnappers themselves barely out of their teens intended to use their hostages as human shields and for ransom money as they moved across Kyrgyzstan They hid the climbers by day and marched them by night through freezing treacherous mountain terrain with little food no clean water and the constant threat of execution The four climbers the oldest of them only 25 would see a fellow hostage a Kyrgyz soldier executed before their eyes And in a remarkable life and death crucible over six terrifying days they would be forced to choose between saving their own lives and committing an act none of them thought they ever could In Over the Edge the climbers reveal the complete story of their nightmarish ordeal to journalist and climber Greg Child With riveting details Child re creates the entire hour by hour drama from the first ricocheting bullets to the climatic decision that gains them their freedom Set in a region rife with narcotics and terrorism this is a compelling story about loyalty and the will to survive What continues to make it relevant today 15 years after the events took place is the geopolitical context the incident happened eerily on the eve of 9 11 the fact that at least two of the four climbers continue to be prominent in the sport and the details incorporated into the story around the media hype and controversy regarding the climbers and their story Six Years a Hostage Stephen McGown,2021-07-29 THE EXTRAORDINARY STORY OF THE LONGEST HELD AL QAEDA CAPTIVE IN THE WORLD Stephen McGown was en route from London to South Africa on a once in a lifetime trip by motorbike returning home to Johannesburg He had reached Timbuktu in Mali when he was captured along with a Dutch and a Swedish national by Al Qaeda Islamist militants Steve was taken because he held a British passport He was subsequently held hostage at various camps in the Sahara Desert in the north west of Africa for nearly six years before eventually being released Life as Steve had known it changed in that instant that he was taken at gunpoint He had nothing to bargain with and everything to lose For the next six years he reluctantly engaged in what he came to call the greatest chess game of his life Thousands of kilometres to the south in Johannesburg the shock of Stephen s capture struck the McGown family and his wife Cath with whom he had until recently been living in

London They immediately began efforts to secure Steve's release through diplomatic channels and in every other way they felt might have a chance of seeing Stephen freed But as the months of captivity became years Steve was compelled to go to extraordinary lengths to survive Making it back home alive became his sole aim To accomplish this he realised that he would have to do everything he could to raise his status in the eyes of his captors To this end he taught himself Arabic and French and also converted to Islam accepting a new name Lot To this day Steve retains the unenviable record of being the longest held surviving prisoner of Al Qaeda While he was undoubtedly always Al Qaeda's captive through the long years he spent in intimate proximity to his captors Steve got to see the Islamist militants as few other Westerners have ever seen them Six Years a Hostage is not only a remarkable story of mental strength physical endurance and the resilience of the human spirit but also significantly a unique and nuanced perspective on one of the world's most feared terrorist groups Steve did not merely survive his terrible ordeal he emerged from the desert a changed stronger more positive human being This is Stephen McGown's remarkable story as told to Tudor Caradoc Davies a freelance writer editor and author based in Cape Town South Africa After seven years spent working for glossy magazines such as Men's Health GQ Best Life and Women's Health he now contributes to a range of publications He also writes for the South African Sunday Times and Red Bulletin
