The Other Voice Scottish Womens Writing Since 1808 An Anthology:

The Other Voice Moira Burgess, 1987-01-01 **The Short Story Anthology and Women's Writing** Aleix Tura Vecino, 2025-08-14 Hundreds of anthologies of women's short stories have appeared in the literary market between the 1970s and now. This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood. Through creative and contextualised readings of the most important anthologies produced in this period, this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo. In doing so, the book also develops the first book-length conceptualisation of the features and meaning-making mechanisms of the short story anthology as a literary form. This book will benefit academics and students working in the fields of short fiction publishing and women's studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary form worldwide. **History of Scottish Women's Writing** Douglas Gifford, 2020-03-31 No detailed description available for A History of Scottish Women's Writing

Scottish Literature Since 1707 Marshall Walker, 2017-07-12 Marshall Walker's lively and readable account of the highs and lows of Scottish literature from this important date to the present addresses the important themes of democracy, power and nationhood. Coverage includes the Scottish enlightenment and the world of Boswell and David Hume to the Scottish Renaissance associated with Hugh MacDiarmid. Developments in the contemporary literary scene include John McGrath's theatre company and the fiction and poetry of Alastair Gray and Ian Crichton Smith. Particular attention is given to the work of Scottish women writers such as Lady Grizel Baillie and Liz Lochhead who have been much neglected in previous literature.
