died of leukemia shortly after her adoption was finalized. Awash in their grief, Cortney Donelson and Becky Huber would have been justified in living a life of anger, bitterness, and sorrow after going through what can only be described as a wife's and mother's worst nightmares. But as Christians, these women were called to live set apart to choose unexpected responses despite their heart-wrenching circumstances. And they chose wisely. For every Christian, faith can often feel uncomfortable. Fighting for hope is hard, and being set apart for God's glory may feel isolating. Indeed, most aspects of the Christian life can be downright messy. In *The Outlier's Choice*, authors Becky Huber and Cortney Donelson make an inspiring case to choose the unexpected, to go against popular beliefs, and walk through struggles in discomfort, becoming bold outliers for God's glory. *The Outlier's Choice* is chock-full of wisdom nuggets that will encourage you to find purpose beyond your pain. Thank you, Becky and Cortney, for your bold transparency that will empower thousands to choose an eternal focus while here on earth. Christy Neal, author of *Don't Ever Tell* and podcast host of *Everyone Has a Voice*. You will think of these two women's stories long after you put the book down. Maybe just maybe they will light your path when you experience the darkness. Sally Meredith, coauthor of *Two Becoming One*. [The Outlier Agreements](#) Andrew McCombe, 2024-07-04. In the high-stakes world of entrepreneurship where trust is the currency of success, Alex, a visionary leader, finds himself grappling with the aftermath of broken partnerships and shattered dreams. Haunted by the ghosts of betrayals past, he retreats to a secluded mountain sanctuary seeking solace and answers amidst the raw beauty of nature. There he encounters Skye, a reclusive sage whose wisdom echoes the timeless truths of the mountains. Through their conversations, Alex discovers the profound power of agreements, not as mere contracts but as sacred pacts that reflect our deepest values, intentions, and aspirations. Guided by Skye's teachings, Alex embarks on a transformative journey, learning to navigate the complexities of human interaction with authenticity, vulnerability, and unwavering integrity. He discovers the art of anticipation, the power of micro-commitments, and the importance of creating win-win agreements that foster collaboration and mutual respect. As Alex integrates these lessons into his life, his business and personal relationships undergo a profound metamorphosis. He attracts aligned partners, builds thriving ventures, and experiences the joy of authentic connection. The once-broken entrepreneur emerges as a beacon of integrity, a testament to the transformative power of agreements and the wisdom found in nature's harmonious embrace. *The Outlier Agreements* is a compelling story of resilience, redemption, and the unwavering pursuit of truth. It is a roadmap for anyone seeking to build stronger, healthier relationships, create successful collaborations, and live a life of purpose, passion, and unwavering integrity. **Applied Biostatistics for the Health Sciences** Richard J.
