The Integration of the Pacific Coast League Amy Essington, 2018-06-01 An account of the desegregation of baseball's Pacific Coast League the first American League of any sport to desegregate all of its teams

The Pacific Coast League Ken Stadler, 1984 THE GREAT YEARS OF THE PACIFIC COAST LEAGUE Without a doubt the Pacific Coast League was the most important sports activity on the West Coast From its inception in 1903 to its glorious climax it mirrored all the excitement and glory and thrills that is baseball But all this was especially true during the 40s and 50s years rich in the fame and victory of being the leading minor league in the nation Come now and recall these great times Re live the soaring days of baseball and share One Man's Memories of this exciting time the years 1938 to 1957 the GREAT YEARS OF THE PACIFIC COAST LEAGUE There have been baseball fans and there have been baseball fanatics But Mr Stadler's richly drawn memories and extensive added research have put him in a class of his own Of the many hundreds of books on the sport that have come down the pike this one takes a uniquely different approach Not an expert addressing the fan as an authority Mr Stadler instead tells his story as a fan speaking to the player Never has there been a book that gives the baseball pro a perspective of his own game through the eyes of the fan Never until now As a result here is a book that gives an added insight to how the folks in the stands really saw the game A book that re lives the soaring days of MINOR LEAGUE BASEBALL It was a special time a game played under special conditions A time that saw baseball's greatest players past present and future Players who set records that may never be topped The career players who spent their entire lives in the league The big league stars who closed their playing years in the minors and the youngsters on their way up giving their all to make a name and impression for themselves But this is a book of more than just the facts and statistics These are the people the stories the flavor and most important the ATMOSPHERE OF EXCITEMENT that was the heart of the Pacific Coast League Some of it may be trivia but it is never trivial These are the stories that are the very soul of baseball told from the perspective of a man who considers it a privilege to have lived in PCL territory a league that could not be topped during a time when it came to the very brink of major league status The author recounts incidents he witnessed at the stadiums and playing fields events he lived via radio the friendships he made As much as re living the

past for baseball aficionados his stories will warm the spirits of readers who come to know Ken himself and to share his love of the totality of this great sport If baseball is your game if memorabilia in words is your coin if humor and trivia and a folksy manner is to your taste then you ll adore Ken s work on the Hollywood Stars and the heydays of the PCL before the majors came out West One Man s Memories will awaken your own long forgotten recollections of the days of hand kept scoreboards and gloves tossed on the edge of the outfield grass If you care at all about the highlight days of the Pacific Coast League about the fans the players the anecdotes and most of all the excitement and soaring times of the game of baseball then this is a book you simply must read It s all here a magnificent one of a kind compilation that brings across the richness of the times the games the players remembering The Pacific Coast League One Man s Memories 1938 1957 Order a copy today Or better yet order two and give one to your best friend And then share ONE MAN S MEMORIES of these exciting days Baseball Players of the 1950s Rich Marazzi, Len Fiorito, 2015-06-08 The playing and post playing careers of all 1 560 players who appeared in a major league box score between 1950 and 1959 the golden age many say are profiled in this exhaustive work From Aaron to Zuverink this treasure trove of anecdotes many gathered from personal interviews is full of historical facts controversy and trivia Readers will be reminded that Milwaukee Braves pitcher Humberto Robinson was asked by a gambler to fix a game against the Phillies he refused Joe Adcock chased Giants pitcher Ruben Gomez around the field with a bat Bob Turley reached the top of the corporate ladder after his playing days Casey Wise became an orthodontist Bobby Brown became a heart surgeon and president of the AL and that Chuck Connors became an actor All of this and much more can be found here The Encyclopedia of Minor League Baseball Lloyd Johnson, Miles Wolff, 2024-12-19 When the pandemic hit in early 2020 baseball s minor leagues cancelled their seasons A few independent leagues tried abbreviated schedules but all Major League affiliates shut down for the first time in more than 120 years Since then Major League Baseball has taken over governance of the minors and leagues and teams have been eliminated In its fourth and final edition this book gives a complete accounting of the minor leagues as they were known from the late 19th century through 2019 **Baseball Books** Mike Shannon, 2024-10-14 It is widely and wrongly assumed that books are never so valuable as when they lie unopened before us waiting to be read Good books bear multiple readings and not merely because our memories fail us the desire to repeat a good reading experience can be its own powerful motivation And for bibliophiles books can also be works of art physical objects with an aesthetic value all their own This guide for the book loving baseball fan is written by one of the most knowledgeable collectors in the country author and editor Mike Shannon Beginning with a history of baseball books and collecting it also identifies the most sought after titles and explains how to find them what to pay and how to maintain their condition *The Baseball Bibliography* Myron J.
