*The Georgia Review* ,2005 [Jewish Fairy Tales and Fables](#) Gertrude Landa,2015-10-28 The very cordial welcome given to my earlier volume of Jewish Fairy Tales and Fables has prompted me to draw further upon Rabbinic lore in the interest chiefly of the children How the wise Rabbis of old considered the necessities of the little ones whose minds they understood so perfectly is obvious from such legends as those dealing with boyish exploits of the great Biblical characters Abraham Moses and David These I have rewritten from the stories in the Talmud and Midrash in a manner suitable for the children of to day I have ventured also beyond the confines of these two wonderful compilations There is a wealth of delightful imagination in the legends and folk lore of the Jews of a later period which is almost entirely unknown to children I have drawn also on these sources for some of the stories here presented My desire is to give boys and girls something Jewish which they may be able to regard as companion delights to the treasury of general fairy lore and childish romance
