the world within me Thomas De Quincey's *Confessions of an English Opium Eater* 1821 launched a fascination with drug use and abuse that has continued from his day to ours In the *Confessions* De Quincey invents recreational drug taking but he also details both the lurid nightmares that beset him in the depths of his addiction as well as his humiliatingly futile attempts to renounce the drug *Suspiria de Profundis* centres on the deep afflictions of De Quincey's childhood and examines the powerful and often paradoxical relationship between drugs and human creativity In *The English Mail Coach* the tragedies of De Quincey's past are played out with horrifying repetitiveness against a backdrop of Britain as a Protestant and an imperial power This edition presents De Quincey's finest essays in impassioned autobiography together with three appendices that are highlighted by a wealth of manuscript material related to the three main texts ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
