about aesthetics and value What is a detail in visual art Is all art ornamental Does the value of an object increase because it is fragile What defines ugliness Contemporary novels such as Tracy Chevalier s Girl with a Pearl Earring Barry Unsworth s Stone Virgin and Bruce Chatwin s Utz offer implicit answers to these questions while critiquing museums and the determination to invest objects with value through display Addressing current debates in museum studies cultural studies art history and literary criticism Enchanted Objects develops an extensive theory of how contemporary literature engages with and relates to aesthetic objects
