The Passover Plot:

The Passover Plot Hugh Schonfield, 2004-04-01 Finally back in print this special 40th anniversary edition of Dr Schonfield's international multimillion copy bestseller is set to rock the establishment view of the life of Jesus all over again There is probably no other figure in modern Jewish historical research who is more controversial or famous than Hugh J Schonfield who once said The scholars deplore that I have spilled the beans to the public Several of them have said to me You ought to have kept this just among ourselves you know What he did to spill the beans was present historical evidence suggesting that Jesus was a mortal man a young genius who believed himself to be the Messiah and deliberately and brilliantly planned his entire ministry according to the Old Testament prophecies even to the extent of plotting his own arrest crucifixion and resurrection Since Schonfield's death in 1988 his popularity and the interest in his prodigious work which included over 40 books has drawn increasing attention particularly outside Judaism In fact it is probably fair to say that his contribution to the Gentile understanding of Jewish aspirations among those within the Christian cultural framework has been without parallel In true Christian tradition he has also been the cause of much contention In the wake of resurgent interest in religious history spurred by Mel Gibson's *The Passion of the Christ* and Dan Brown's *The Da Vinci Code* this 40th anniversary edition of *The Passover Plot* is set to engage a completely new generation of readers searching for truth **THE PASSOVER PLOT**

,1965 **The Passover Plot** Hugh Joseph Schonfield,1996 [The Passover Plot](#) Hugh J Schonfield,2021-06-16 This is the new official Schonfield Trust edition of the *Passover Plot* which is probably one of the most controversial books on the role of Jesus the Messiah Yet to say that might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically Thus it is a must read for who are seeking a better understanding Schonfield's aim in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity he would be able to uncover the real Messiah misrepresented since time immemorial His sincere desire was that this understanding would bring together those who had so long been divided Whilst his thesis that Jesus plotted his own crucifixion may seem far fetched or even offensive at first seen in the light of John's Gospel and the thinking of the times it provides food for thought to those with an open mind [The Passover Plot](#) Hugh Joseph

Schonfield,1996 Traditional Christian belief firmly based on the divinity of Jesus is now being challenged both by the discoveries of modern science and the research of biblical scholars In this book Dr Hugh Schonfield provides a new interpretation of Jesus an interpretation which in no way detracts from his greatness or uniqueness He argues that as master of his own destiny Jesus directed his life deliberately plotting his actions which were to culminate in his crucifixion and resurrection in order to fulfil the Messianic prophecies **The Passover Plot** Isaac Massey Haldeman,1910

The Third Day Hank Hanegraaff,2003-02-09 A study of the historical details surrounding Christ's death and resurrection covering Jesus's fatal torment empty tomb appearances and transformation The foundation of Christian faith the resurrection of Jesus Christ is defended in detail in this powerful work from author Hank Hanegraaff's bestseller Resurrection Factual evidences are examined from the fatal torment and empty tomb to Christ's appearances and transformation Believers will find this chronicle of immense help in defending their faith with tangible proof and in terms the secular world can appreciate and understand Not merely a shield for spiritual battle this book is a torch to arm Christians with a convincing case study of the resurrection of Jesus Christ As Joni Eareckson Tada said Hands down slam dunk the resurrection is the bottom line for the believer Hank leaves no stone unturned thoroughly portraying the resurrection as our grand hope the glorious springboard from which we will dive into eternity With laser beam focus Hank zeroes in on the most convincing facts that back up Jesus's death his empty tomb his post resurrection appearances and the subsequent transformation of those who encountered him What's more he answers the so what question by demonstrating the relevance of the Resurrection to every individual and even to the cosmos itself Lee Strobel bestselling author of The Case for Christ **The Templar Revelation** Lynn Picknett,Clive Prince,2004-09-21 The most closely guarded secret of the western world is about to be revealed and you will never see Christianity in the same light again In a remarkable achievement of historical detective work that is destined to become a classic authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons the Cathars the Knights Templar and the occult to discover the truth behind an underground religion with roots in the first century that survives even today Chronicling their fascinating quest for truth through time and space the authors reveal an astonishing new view of the real motives and character of the founder of Christianity as well as the actual historical and revelatory roles of John the Baptist and Mary Magdalene Painstakingly researched and thoroughly documented The Templar Revelation presents a secret history preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe whose final chapter could shatter the foundation of the Christian Church **The Trials, Crucifixion, and Burial of Jesus of Nazareth** Woodrow Michael Kroll,2024-09-19 No event in the history of humankind has elicited

more comment or sparked more controversy than the trials crucifixion and burial of Jesus of Nazareth The Trials Crucifixion and Burial of Jesus of Nazareth investigates each of these events in much detail from the historical archaeological theological geographical and biblical viewpoints The book distinguishes between the late night hurriedly called meeting of a quorum of Sanhedrin members and the official meeting in the Chamber of Hewn Stone the next morning It examines the ten charges made against Jesus and why they changed so often throughout his trial It also investigates the twenty five obvious irregularities from Jewish law that were evident in Jesus trial Explored is the legitimacy of applying Mishnaic law to a first century trial Every suggested location for the trial and crucifixion of the Master is explored along with the question Did Jesus really die and does it matter Finally a complete inventory of Jesus physical emotional and spiritual suffering between Gethsemane and Golgotha is provided along with appropriate comments This book is something of a one stop shop for all things related to the trials crucifixion and burial of Jesus Resurrection Hank Hanegraaff,2002-02-06 Citing Bible scripture a scholar passionately defends Christianity s most important doctrine in this award winning book In this definitive work popular Christian apologist Hank Hanegraaff offers a detailed defense of the Resurrection the singularly most important event in history and the foundation upon which Christianity is built Using the acronym F E A T the author examines the four distinctive factual evidences of Christ s resurrection Fatal torment Empty tomb Appearances and Transformation making the case for each in a memorable way that believers can readily use in their own defense of the faith

Hugh Schonfield Owen Power,2013-03-13 With this book Owen Power offers the first full length intellectual history of the thinker Hugh Schonfield 1901 1988 Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus as there is a striking lack of agreement as to their Jewish status among halakhic authorities and there is no real consensus among Messianic Jews themselves in answering the question Who is a Messianic Jew On the other hand the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews Christian missionaries hell bent on enticing Jews from their communities to the welcoming embrace of the Church Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews even if there is among them little consensus as to what such a label means Schonfield s case both reinforces such convictions and problematizes them *How the West Was Lost* Patrick Michael Murphy,2005-05-18 His premise is that civilizations have life spans and the Western civilization that produced America and Europe has been replaced in our lifetime and before our very eyes To people whose minds were made by the West the civilization we now find ourselves in often feels wrong evil even but we also find ourselves feeling oddly affectionate toward this strange new world And the more time that passes the more normal the New Civ gets to feel We sometimes have to pinch ourselves to remember that

society once had roots in a universe that knew something of moral absolutes where the horrible behaviors we now read about in every morning newspaper were so rare that one such event in a year would have felt like the world is just about to end But these things are what passes for normalcy today We are still able to be reminded of what we know in our bones although it gets harder all the time something has gone terribly wrong That s what this book is about **A Rabbi Looks at Jesus of Nazareth** Jonathan Bernis, 2011-01-01 Raised in a traditional Jewish family international television host Jonathan Bernis was taught from a young age that Jews don t and can t believe in Jesus Yet in his study of the Bible including the Torah he found overwhelming evidence that Jesus of Nazareth really was the Jewish Messiah With warmth and transparency Bernis talks about discovering Jesus in history too and how it was that the Jewish Yeshua became the Gentile Jesus By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving effective way
