The Pastors Handbook KJV:

The Pastor's Handbook KJV Moody Publishers, 2006-06-01 The Pastor's Handbook KJV is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty, and dignity. To this end, numerous changes, both large and small, have been made. More selected Scriptures, new alternatives for special occasions, some significant additions, and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained, there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it to them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it, especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings, and visitation.

The Pastor's Handbook Christian Publications, Christian and Missionary Alliance Home Department St., 1989. Designed to help clergymen know what to say and how to say it, these comprehensive handbooks are a compendium of forms and instructions for the many ceremonies the Christian minister is called upon to conduct. *What the Bible Is All About Handbook-Revised-KJV Edition* Henrietta C.
