Saying Yes: A Pastor's Journal Bob Yawberg,2019-01-16 Saying Yes is Pastor Bob Yawberg s first hand journal accounts of life as a pastor husband and father They include early beginnings in college through midlife and finally semi retirement As you read reclaim your own story of God at work through your most difficult and victorious times **The Journal of sacred literature, ed. by J. Kitto. [Continued as] The Journal of sacred literature and biblical record. [Continued as] The Journal of sacred literature** John Kitto,1863 **Methodist Advocate Journal** ,1909 Journal of the General Conference of the Methodist Episcopal Church Methodist Episcopal Church. General Conference,1892 **The Ohio State Medical Journal** ,1906 **Eucharist and Receptive Ecumenism** Kimberly Hope Belcher,2020-10-15 All doctrinal development and debate occurs against the background of Christian practice and worship By attending to what Christians

have done in the eucharist Kimberly Belcher provides a new perspective on the history of eucharistic doctrine and Christian divisions today Stepping back from the metaphysical approaches that divide the churches she focuses on a phenomenological approach to the eucharist and a retrieval of forgotten elements in Ambrose's and Augustine's work The core of the eucharist is the act of giving thanks to the Father for the covenant and for the world This unitive core allows for significant diversity on questions about presence sacrifice ecclesiology and ministry Belcher shows that the key is humility about what we know and what we do not which gives us a willingness to receive differences in Christian teachings as gifts that will allow us to move forward in a new way

Pastors and Public Life Corwin E. Smidt, 2016-02-16 America's clergy are not just religious leaders Their influence extends far beyond church doors Houses of worship stand at the center of American civic life one of the few spheres in which relatively diverse individuals gather together regularly And the moral authority granted to pastors means that they are uniquely positioned to play a role in public debates Based on data gathered through national surveys of clergy across four mainline Protestant churches the Disciples of Christ the Presbyterian Church USA the Reformed Church in America and the United Methodist Church and three evangelical Protestant denominations the Assemblies of God the Christian Reformed Church and the Southern Baptist Convention Pastors and Public Life examines the changing sociological theological and political characteristics of American Protestant clergy over the past twenty plus years Smidt focuses on the relationship between clergy and politics clergy positions on issues of American public policy norms on what is appropriate for clergy to do politically as well as the clergy's political cue giving their pronouncements on public policy and political activism and the impact these changes have on congregations and on American society as a whole Pastors and Public Life is the first book to systematically examine such changes and continuity over time It will be invaluable to scholars students pastors and churchgoers
