The Pauline Circle:

The Pauline Circle F. F. Bruce, 2006-11-01 The Pauline Circle Paul writes F F Bruce attracted friends around him as a magnet attracts iron filings The New Testament evidence for Paul s wide circle of friends is plentiful both in Paul s own writings and in the Book of Acts In this book Bruce who is widely known as one of today s foremost Pauline scholars looks at several of Paul s closest friends and associates as well as several of the countless co workers hosts and hostesses he encountered in his life and ministry Barnabas Silas Timothy Luke Priscilla and Aquila Onesimus and Mark are among those discussed in terms of both their relationship to Paul and their relationship to the early church Bruce surveys the biblical evidence for the stories of these people placing it against its first century background and examining the relationships that underlie the New Testament references The result written in Bruce s usual engaging and accessible style is a fascinating look at the men and women who surrounded Paul and influenced the New Testament church *The Pauline Circle* ,2019 **The Men of the Pauline Circle** Herbert S. Seekings, 1914 **The Pauline Circle** Frederick F. Bruce, 1986 **Paul and His Social Relations** Stanley E. Porter, Christopher D. Land, 2012-11-13 This volume addresses many of the questions surrounding Paul and his social relations including how to define and analyze such relations their relationship to Paul s historical and social context how Paul related to numerous friends and foes and the implications for understanding Paul s letters as well as his theology **The Apostle Paul** Stanley E. Porter, 2016-09-23 In this comprehensive introduction to the apostle Paul Stanley Porter devotes serious consideration both to the background and major contours of Paul s thought and to the unique contributions of each of his letters Porter begins by introducing the Pauline tradition and outlining the basics of Paul s life the chronology of his ministry and his several imprisonments Porter then discusses the background to Paul s thought examines some of the major themes of his writings and treats issues concerning the Pauline epistles such as pseudonymity and canon Finally Porter delves into all thirteen of Paul s letters individually placing them within their historical contexts and examining critical issues relating to the content and interpretation of each letter The result is a thorough balanced treatment of one of the most important figures in Christianity **Early Christian Families in Context** David L. Balch, Carolyn Osiek, 2003 Typical studies of marriage and family in the early Christian period focus on very limited evidence found in Scripture This interdisciplinary book offers a broader richer picture of the first Christian families by drawing together research by experts ranging from archaeologists to ancient historians By exploring the nature of households in the ancient Greco Roman world the contributors assemble a new understanding of ancient Christian families that is both compelling and instructive Divided into six parts the book covers key aspects of ancient family life from meals and child rearing to women s roles and the lives of slaves Three concluding chapters explore the implications of all this information for theological education today Contributors David L Balch Suzanne Dixon J Albert Harrill Ross S Kraemer Christian Laes Peter Lampe Amy Jill Levine Margaret Y MacDonald Dale Martin Eric M Meyers Margaret M Mitchell Carolyn

Osiek Beryl Rawson Richard Saller Timothy F Sedgwick Monika Trummer Andrew Wallace Hadrill **The First Urban Christians** Wayne A. Meeks, 2003-01-01 Meeks analyzes the letters of Paul to see what kind of people joined the Christian groups in the urban centers and what it was like to be a Christian then Perseverance in Gratitude David A. deSilva, 2000-03-13 This commentary is the first to fully apply the resources of socio rhetorical analysis to Hebrews Insights into the cultural and social world of the audience are combined with analysis of the author s rhetorical strategy and ideology to create a rich three dimensional reading that helps unravel key issues in the interpretation of the epistle David deSilva s reflections on application concluding each section also make his commentary valuable to seminarians and pastors seeking to make Hebrews relevant to today s world *Preaching from the Cross* Frank J. Matera, 2025-02-11 Much has been written about the life ministry and theology of the apostle Paul But what about Paul specifically as a preacher How did he understand his commission from the risen Lord Jesus to preach the gospel and how did he put it into practice Further what lessons can contemporary preachers learn from Paul about the theology and practice of preaching to help them be more faithful messengers of God s Word As a leading Pauline scholar and practicing pastor Frank Matera has considered these questions and he offers this short accessible book to pastors and students as wise and helpful guidance Matera explores a Pauline theology of preaching focusing on three main questions Why did Paul preach What did he preach And how did he preach He also explores Paul s preaching as the ministry of the new covenant He identifies and explores seven themes of Paul s preaching which in turn offer key practical insights for preaching in a Pauline way Readers are encouraged to preach from the cross making the crucified Christ their focus and their model demonstrating what they preach by their own cruciform lives **Letters and Homilies for Jewish Christians** Ben Witherington III, 2010-04-09 In this commentary on Hebrews James and Jude Ben Witherington III applies his socio rhetorical method to elucidate these letters within their primarily Jewish context probing the social setting of the readers and the rhetorical strategies of the authors of the letters **A Woman's Place** Carolyn Osiek, 2009-12-01 This focused look at women in the household context discusses the importance of issues of space and visibility in shaping the lives of early Christian women Several aspects of women s everyday existence are investigated including the lives of wives widows women with children female slaves women as patrons household leaders and teachers In addition several key themes emerge hospitality dining practices and the extent of female segregation Paul and the Dynamics of Power Kathy Ehrensperger, 2007-09-01 In this illuminating study Kathy Ehrensperger looks at the question of Paul s use of power and authority as an apostle who understands himself as called to proclaim the Gospel among the gentiles Ehrensperger examines the broad range of perspectives on how this use of power should be evaluated These range from the traditional interpretation of unquestioned taken for granted for a church leader to a feminist interpretation She examines whether or not Paul s use of power presents an open or hidden re inscription of hierarchical structures in what was previously a discipleship of equals Paul and the Dynamics of Power questions whether such hierarchical tendencies are

rightly identified within Paul's discourse of power. Furthermore, it considers whether these are inherently and necessarily expressions of domination and control and are thus in opposition to a discipleship of equals. In her careful analysis, Ehrensperger draws on such wide-ranging figures as Derrida, Michel Foucault, and James Scott. This enables fresh insights into Paul's use of authority and power in its first-century context. **Lukan Authorship of Hebrews** David L.

Allen, 2010-06-01 The fifth volume in the popular NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY series argues that gospel writer Luke is also the author of Hebrews. *Birth of the New Testament* C. F. D. Moule, 2000-04-01 C. F. D. Moule shows how the earliest Christian writing developed as a response to the daily demands of Christian life in societies indifferent or even hostile to Christianity and how the selection of certain writings to constitute the basis of Christian belief was a response to specific needs. Ephesians Ernest Best, 1998-01-01 A major introduction, translation, and verse-by-verse commentary. Professor Best provides an overall view of Ephesians which demonstrates the power and consistency of its author's work. Among the many important elements in this commentary, Ernest Best explores for example the relationship between the primarily theological aspects of Ephesians which concentrate on the nature of the church and the primarily ethical aspects which concentrate on the behaviour of members of Christian communities towards one another. An indispensable reference for scholars, students, and clergy. *God's Design for Man and Woman* Andreas J.

Köstenberger, Margaret Elizabeth Köstenberger, 2014-08-31 Equipping a New Generation to Live Out God's Design This thorough study of the Bible's teaching on men and women aims to help a new generation of Christians live for Christ in today's world. Moving beyond other treatments that primarily focus on select passages, this winsome volume traces Scripture's overarching pattern related to male-female relationships in both the Old and New Testaments. Those interested in careful discussion rather than caustic debate will discover that God's design is not confining or discriminatory but beautiful, wise, liberating, and good. *The Expositor*, 1903 **The Expositor** Samuel Cox, Sir William Robertson Nicoll, James Moffatt, 1903

Theology of the New Testament Georg Strecker, 2012-10-25 Contents are the theological conceptions of the authors of the New Testament considered from systematic viewpoints in the following sequence: Paul, the synoptics, Jesus, the saying source, the Johannine literature including the Apocalypse of John, the deutero-Pauline writings, the catholic epistles.
