The Perfectionist's Dilemma Tara Cousineau, 2025-01-07 A brilliant book a must read for the frazzled perfectionist Thomas Curran PhD leading perfectionism researcher and author of *The Perfection Trap* Break free of toxic perfectionism by cultivating emotional courage and self compassion to face life's challenges with a 6 step program In today's high pressure society we are constantly fed a fable of individualism exceptionalism determination and ingenuity and taught a mythology of grin and bear it no pain no gain and hard work pays off despite the fact that the conditions for success are unpredictable and ever changing Psychologist Tara Cousineau claims that perfectionism is a paradox it is the tension created by the need for belonging a desire for excellence and a quest for a meaningful and productive life But perfectionism can be transformed by learning to connect both head and heart replacing inner algorithms of comparison and criticism with self acceptance and self compassion In *The Perfectionist's Dilemma* Cousineau introduces an innovative six step solution based on the acronym EVOLVE Embody the present moment Validate your experience Open your heart Love your inner critic Make a Vow Spark the Energy of excellence EVOLVE helps readers overcome perfectionism and cultivate three essential resources inner worth inner humanity and inner leadership Through storytelling and anecdotes from recovering perfectionists who have participated in Cousineau's workshops readers can learn to align mind body heart and spirit to become happy achievers

Loved the book I enjoyed reading it today with cups of tea and my feet up It s very accessible and easy to read as well as very insightful helpful and practical Shae M psychologist *The Ground of Holy Life* David D. Cho,2021-08-12 The Reformation put the grace of God in the right place in the salvation of man Luther s proclamation of justification by faith brought the concept of grace to the fore and made it the centrality of Christian theology But the overemphasis on the doctrine of justification in the Reformation created the imbalance between justification and sanctification in the soteriology of the Protestant church To some people just the profession of faith without an accompanying godly life was not good enough for salvation It seemed that salvation by grace of God in the doctrine of justification made man s salvation too easy thereby opening the floodgate for nominal Christians who were no different from pagans in their hearts Christian leaders and theologians in the modern church age have tried to rectify this problem by injecting the necessity of works into the Christian life The spiritual movements such as pietism and perfectionism and new theologies such as the New Perspective on Paul and the Federal Vision are such endeavors that have stressed good works in the salvation of man However without the concept of definitive sanctification they all lost the monergistic nature of salvation and deviated to the humanistic theology of Arminianism or Pelagianism **The Perfectionists: Radical Social Thought in the North, 1815-1860** Laurence R.
